Colonial Secretary's Office,
Melbourne, 13th September, 1851.

TICKET OF LEAVE REGULATIONS.

HIS Excellency the Lieutenant Governor has been pleased with the advice of his Executive Council, to direct that the following "Regulations" for granting Tickets of Leave and for the conduct of men obtaining that indulgence shall be observed from this date.

1. Prisoners who have been sentenced to work on the Roads, or other Public Works of the Colony will be considered eligible to hold a Ticket of Leave when they have completed the following periods of service, if by the general tenor of their conduct they can be recommended for it, viz :—

Those under 3 years sentence, after they have served 2 years
Those under 5 years sentence, after they have served 3 years
Those under 7 years sentence, after they have served 4 years

2. Each prisoner will also be allowed the advantage of the Task work system, to enable him to obtain his Ticket before the expiration of the above period according to the amount credited to him.

3. A prisoner will forfeit all claim to a Ticket of Leave from misconduct, though by subsequent good behaviour he might be considered eligible for it, in which case his probation would commence from the period of his last punishment, unless circumstances of a favorable nature could be brought forward which might induce the Lieutenant Governor to shorten the period.

4. Tickets of Leave will be issued from the office of the Superintendent of Police, to all persons eligible to receive the same under these Regulations, and will be granted for one District only.

5. The Officer under whose charge a prisoner may be serving should forward a statement to the Superintendent of Police of the man's sentence and service, with a report of his conduct as soon as he is due for a Ticket of Leave, upon the receipt of which the Superintendent of Police will either recomend the application, or offer such remarks as he may think proper, and forward it to the Colonial Secretary for the Lieutenant Governor's decision.

6. Every Ticket of Leave holder shall without delay after the receipt of his Ticket proceed to the District for which he shall have obtained the same, and there immediately report himself to the Police Magistrate or Clerk of the Bench of the Police District in which he is to reside.

7. Every Ticket of Leave holder is to produce his Ticket to any Magistrate or Constable whenever required to do so.

8. Every Ticket of Leave holder is required to aid and assist any Constable in the execution of his duty, when called upon.

9. All Ticket of Leave holders will be mustered on the 30th June and 31st December in each year by the Bench Clerk of the District for which their Tickets are granted, and the names of those who shall fail to present themselves at the appointed time are to be reported in the half yearly return to be made to the Superintendent of Police.

10. The Police Magistrate where there is one, or two, or more Magistrates of any Police District are authorised to grant passes for any period not exceeding one month to Ticket of Leave holders belonging to the District to proceed to some other District. But no one is to be permanently removed from the District for which he has obtained his Ticket without obtaining the Lieutenant Governor's permission through the Superintendent of Police.

11. Passes are to express the object for which they are granted, and must be returned to the benches at the expiration of the period.

12. Every Ticket of Leave Holder receiving a Pass, shall report himself immediately on arrival at the Police, of the district for which the same is granted.

13. Clerks of Petty Sessions are required to keep a register of all Passes granted by their respective benches, and also of those which are brought to them by ticket of leave holders from other districts.

14. The residence of each ticket of leave holder must be recorded at the Police Office of his district, and he must report to the clerk of the bench whenever he makes a change of residence within the district; the nature of his employment should also be known.

15. Whenever practicable, tickets of leave holders are required to attend Divine service.

All fines and penalties incurred under the agreement, are to be deducted by the Postmaster General from the next quarterly instalment falling due to the contractors, and are to be considered as over and above any penalties established by any Act of Council.

Each party tendering, or an agent for him, must attend at this Office, on the day appointed for opening the Tenders, and each Tender must bear the signature of two respectable and solvent persons, engaging to enter into a bond with the contractors, for the safety of the mails, and the due performance of the contract, and every stipulation therein.

The hours for starting from each Post Office, or stage, and all other particulars may be ascertained at the Post Office, Melbourne, where parties proposing to tender are invited to seek information.
