ADDITIONAL ASSIGNMENT REGULATIONS.

*Colonial Secretary's Office,
Sydney, 9th March, 1836.*

IT having been represented to the Governor, that it would be of general convenience to authorise the Petty Sessions, and Magistrates acting singly, in the several Districts of the Colony, to re-assign all those Convicts whose release by their actual Master and assignment to another *within the same District* is approved of by the Bench under the provisions of the 29th paragraph of the Assignment Regulations of the 9th May, 1835, without waiting a reference to the Principal Superintendent of Convicts, and Board of Assignment, as is therein directed; His Excellency desires it to be notified, that in order to carry this arrangement into effect, the Board of Assignment will furnish to each of the Petty Sessions, and Magistrates acting singly where there are no Petty Sessions, from time to time as occasion may require, a list of the applicants in their respective Districts next for supply of labourers; and the Sessions, or Magistrate, are directed, when any Convict labourer shall become disposable for re-assignment within the District under the terms of the 29th paragraph of the Regulations before-mentioned, immediately to assign him to the first on such list; reporting on the last day of every month to the Principal Superintendent of Convicts, the name and ship of every Convict so assigned, the name and place of abode of the Master from whom he is taken, and of the new Assignee, transmitting at the same time the Forms of Application marked F, duly filled up as required by the Regulation before referred to.

2.—The Petty Sessions or Magistrate acting singly, will in like manner re-assign any Convict labourer whose Master may decline or neglect to receive him back, after corporal punishment, solitary confinement, or labour on the treadmill, within the time limited by the Regulations of 25th August, 1835.

3.—The Petty Sessions or Magistrate will immediately upon such assignment, cause the Con-

vict to be forwarded in charge of a Constable to the new Assignee, with a written notice of his Assignment subscribed by the Magistrate. If he shall refuse to receive him, the Convict shall then be assigned and forwarded in like manner, to the next Applicant on the list; but the Petty Sessions, or Magistrate, will take care to include such first Assignment (as well as that actually completed) in his Monthly Report to the Principal Superintendent of Convicts, as it will be considered towards the satisfaction of the claims of the Assignee refusing to receive the Convict.

4.—The Principal Superintendent of Convicts will make up at the commencement of each month a list in duplicate of all Convicts so assigned during the previous month, and transmit the same to the Board of Assignment for record and approval of the Governor.

5.—Convict Mechanics and Domestic Servants returned by their Masters, as well as those Convicts who are recommended to be sent to a different District, will continue to be re-assigned by the Board according to the 29th paragraph of the Regulations before referred to, the original Assignee being required to keep the Convict in his service until he shall have notice from the Principal Superintendent of Convicts in what manner he is to be disposed of.

6.—His Excellency also directs it to be notified, that no claim for the supply of Convict servants in lieu of such as become free, receive tickets-of-leave, die, are convicted capitally or transported, will be entertained by the Board, unless the Applicant shall have made a return of his Land and Convict Servants in form and manner required by the 4th paragraph of the above-mentioned Regulations of 9th May, 1835, from which the Board may determine whether his claim can be satisfied consistently with the Regulation which limits the number of servants to which he is entitled.

7.—In order to obviate the inconvenience to which newly-arrived Emigrants are subject in being unable to obtain domestic servants speedily after arrival, His Excellency the Governor is pleased to direct, that Householders of this class be immediately supplied, on making application

through the nearest Petty Sessions, or Magistrate acting singly, in form and manner prescribed by the 18th paragraph of the Regulations of 9th May, 1835, with one Domestic servant of any description they may desire, taking their turn for any others as in the case of ordinary Applicants. If more than one description of domestic servants be applied for, the Applicant will take care to point out to the Board of Assignment that which he is desirous of immediately receiving under this Regulation.

By His Excellency's Command,
ALEXANDER M'LEAY.
