### CONDITIONS OF CONTRACT.

1. The services are to be performed upon an order signed by a member of the Police Force. Under the *Cemeteries Act* 1915 (No. 2626), section 50, cemetery fees are not payable in the cases of poor persons buried upon an order signed by a Justice, and in such cases the contractor's account for the burial will be correspondingly reduced.

2. No claim will be allowed under this contract for any burial respecting which the contractor receives or arranges for any payment whatever from the relatives or friends of the deceased; *but in the event of friends or relatives desiring to have the deceased buried in private ground, while availing themselves of the Government funeral, they must, in such case, pay all the cemetery charges.*

3. The funerals are to be of the most economical description consistent with propriety. A plain hearse for an adult, and a covered, plain, suitable four-wheeled vehicle for a child under five years of age, to be provided.

4. The body shall be taken direct to the Necropolis, or to the New Melbourne Cemetery, as the case may be, by rail. Not more than one body shall be carried in the hearse or vehicle at a time. No body shall be retained on the premises of the Contractor. Any infringement of this condition will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £10, as the Treasurer may direct, and the amount shall be deducted as in clause 16.

5. Coffins for funerals must be waterproof and sufficiently long, deep, wide, and substantial to bear the corpse and permit it to lie extended at full length, and must be *made of 1-in. white pine timber* covered with black cloth, and fastened down with screws, and pitched in the seams to prevent leakage. The Contractor shall provide 2 inches of sawdust for the bottom of the coffin; a small block of wood to keep the head of the deceased in position, and sufficient white calico to cover the body. Coffins to be properly lowered into the graves, and the graves filled up again.

6. *In cases of burials of bodies which are, in the opinion of the Department ordering the burial, of a distinctively offensive character, such as of persons drowned and long in the water, or such as are in a state of putrefaction from any other cause, or persons who have died from an infectious disease, such bodies shall, on certification of the officer ordering the burial that such precaution is necessary, be placed for burial in zinc-lined coffins, hermetically sealed by soldering the lids of same, such coffins to be provided by the Contractor, of timber 1 inch in thickness.*

7. Bodies of deceased persons, *with the exception of those provided for under clause* 2, must be conveyed to the New Melbourne Cemetery, Fawkner, for burial should the death of such person take place in any sub-district north of the Yarra, excepting bodies buried from the Morgue, and to the Springvale Necropolis should the death take place in any sub-district south of the Yarra, including burials of bodies from the Morgue.

8. The graves to be dug of the proper depth, and in conformity with the Necropolis and Cemetery Regulations.

9. In the event of the Contractor failing to attend punctually to any order, the work will be otherwise performed, and the extra expense incurred, if any, will be charged to the Contractor. Should any circumstance, however, make it necessary in any particular case that an immediate removal to the Morgue be effected, the hiring of another vehicle for the purpose will not be an infringement of the contract.

10. When burials or removals are required to take place on Sunday, or, in the case of any lunatic asylum, burials on the same day as the inquest, no delay must take place in complying therewith, and any additional fees charged by the Necropolis or cemetery authorities in the case of burials will be repaid to the Contractor.

11. The attendance of a minister of the denomination named in the order for the burial must, if practicable, be provided. If for any burial such minister is not available the burial service is to be conducted by the resident chaplain deputed by the denomination, and in cases where no such deputy is appointed by the denomination, or where the religious denomination of the deceased is unknown, the services are to be performed by the resident chaplains alternately, and the Contractor must inform the Police of the hour when the funeral service will take place, so that the friends of the deceased may attend at the cemetery if they wish. Such order to be produced at the cemetery when the Contractor gives the order for interment. The Contractor must pay the minister's fee for reading the burial service should it be claimed, and he will be reimbursed, on producing the minister's receipt, which must specify that the burial service was duly and properly performed at the time of the burial, and that he received the fee for so doing. Should the burial service not be performed at the time of the burial no reimbursement will be allowed. The receipt must also specify the name, age, and denomination of deceased, the name and denomination of the minister who performed the burial service, and the hour when the service was performed.

12. Bodies to be removed to the Morgue shall be placed by the Contractor before removal in shell coffins, *zinc lined and water-tight*, securely closed, and shall be conveyed in suitable covered four-wheeled vehicles. The Contractor shall send two men for the purpose of removing the body to the vehicle, and from the vehicle to the Morgue.

13. Every practicable precaution must be taken in order to prevent offensiveness from decomposition, but in no case of removal must any disinfectant be used without the authority of the medical officer performing the *post-mortem* examination.

14. *Under no circumstances will the Contractor be permitted to use any undue or improper influence with the friends or relatives of, or any other person connected or associated with, the deceased person for the purpose of obtaining any concession or privilege whatsoever in regard to the funeral of such person. Any infringement of this condition will subject the Contractor, on report of the Tender Board, to the immediate cancellation of his contract. The decision of the Board as to whether any breach of the condition has taken place to be final and conclusive.*

15. The account is to be rendered monthly to the officer ordering the service for payment at the Treasury, Melbourne. The charge for the minister's fee should be included in the account for the funeral.

16. A refusal to execute orders, impropriety, neglect, or delay in conducting the funerals or removals will subject the Contractor, upon report from the Tender Board, to such mulct, not exceeding £50, as the said Treasurer may direct, and the amount may be deducted from the Contractor's account or from the security money. It will also be in the power of the said Treasurer, upon such refusal, impropriety, neglect, or delay, to terminate the contract forthwith, and forfeit the whole or any part of the security money.

17. Under no circumstances will a Contractor be permitted to abandon his contract. In the event of the Contractor failing to carry on the contract, the security money will in that case be absolutely forfeited, and, in addition, the Contractor may be held liable for any loss which the Government may sustain in consequence of such failure.

18. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

19. No subletting will be allowed; all work must be carried out by the Contractor. Every person engaged in the burials or removals tendered for in this schedule shall be paid such wages and shall be employed subject to such conditions as are or may be determined by the Undertakers Board under the Factories and Shops Acts; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, in the factory or shop (and in each part of the factory or shop where several rooms are in use) in which funerals are arranged or prepared under this contract. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding £50 (Fifty pounds), as the Treasurer may direct, and the amount will be deducted from the Contractor's account or from the security money, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

Treasurer.
