FOOT AND MOUTH DISEASE.

ALCOHOLIC SOLUTION OF COAL TAR.

WRIGHT'S

LIQUOR CARBONIS DETERGENS.

DIRECTIONS FOR USE.

Solution, 1 part; Water from 4 to 12 parts. If the surface be abraded or sensitive, the Emulsion must be made weaker.

For Baths.—When it is desirable to obtain the detergent qualities of The Coal Tar in greater strength (as a bath is not a daily occurrence) put a wine-glass of the Solution to 10 gallons of water. After the bath the skin has a sense of health, freshness, and cleanliness that it experiences on no other occasion.

For the Laundry.—To purify and sweeten clothes after an attack of illness, or if they have been long in use, is most essential, as the skin readily absorbs qualities brought in contact with it. Boil woollen and heavy clothes in water containing a wine-glass of the Solution to 10 gals of water. If the clothes be of light material they need not be boiled.

To Disinfect Floors.—Sprinkle the floor with the Solution previous to scrubbing, or you can put a wine-glass of the Solution to 10 gallons of the water to be used for scrubbing. Carpets can also be sprinkled with water thus prepared, with great benefit, and then swept. The seams of doors and carpets are favourite nesting places for germs of disease.

The Sick Chamber.—(*Let it always be well ventilated*) Keep a saucer filled—Solution 1 part, Water 5 parts—in some part of the room; use mixture of this strength pretty freely on the chambers: it instantaneously deodorises all offensive matter.

1. That all fees and charges payable to the trustees shall be paid when applications are made or orders given.

2. That any person desiring ground in the cemetery for a private grave, vault, tomb, monument, cenotaph, or tombstone, or for any other purpose, shall apply to the trustees therefor. If approved, the trustees, on the payment of the required fees, shall issue to such person so applying a certificate of right of burial in the form specified in Schedule A.

3. That any person desiring to construct, add to, alter, or amend a brick grave, vault, or tomb, or to erect, add to, or amend a monument, tombstone, cenotaph, wall, fence, or any other construction or erection in any part of the cemetery, shall apply in writing to the trustees for permission to do so, and at the same time submit, in writing, a statement, plan, design, or drawing of the same, with full particulars, and shall obtain such permission in writing before proceeding with the work.

4. That all applications for interment shall be made to the secretary at least six working hours prior to the time fixed for the burial, otherwise an extra charge shall be made. No free interment shall be allowed unless application therefor be made at least six working hours prior to the time fixed for same.

5. That the name, age, late place of residence, probable cause of death of the deceased, and other particulars mentioned in Schedule C shall be furnished at the time of giving the order.

6. That the trustees shall cause all ordinary graves to be dug, but any person wanting a brick grave or vault shall be permitted to construct the same, under directions of the manager, on payment of the required fees; and every coffin placed therein shall be bricked in, cemented, and covered by a slab of stone, slate, or iron.

7. That every coffin shall have on the lid a lead or copper-plate, with the name of the deceased stamped thereon.

8. That every grave shall be at least 7 feet deep, and no interment shall be allowed in any grave with a less depth than 4 feet from the top of the coffin to the original surface of the ground after such interment.

That no person in the cemetery or its approaches shall commit any nuisance or trespass, or be guilty of any breach of decorum, or cut, pluck, gather, or take out of the cemetery any flower, plant, shrub, or tree, or any part thereof, or do any injury whatsoever thereto, or to any grass plot, border railing, fence, or any other erection or road therein, or remove or interfere in any way with anything laid, built, or placed on or in any grave or burying place.

32. That no person shall promote, or advertise, or carry on within the cemetery or its approaches any trade, business, or calling, either by solicitation, distribution of circulars or cards or otherwise, or by any other system of advertisement whatsoever.

33. That "the manager," as referred to in these Rules, means the person for the time being employed by the trustees as the manager of the cemetery, and such person shall, subject to the trustees, exercise a general supervision and control over all matters pertaining to the cemetery, and to the carrying out and enforcement of these Rules, and, subject to the provisions of the Cemeteries Act, the direction of such person shall in all matters, and for all purposes, be presumed to be and to have been the direction of the trustees.

34. That no person employed under the trustees shall be permitted to accept any gratuity whatever in discharge of his duty, nor shall he be allowed to be pecuniarily interested in any work in the cemetery other than that for which he receives payment from the trustees.

35. That any person employed under the trustees accepting any such gratuity, or being pecuniarily interested in such work, shall be liable to be summarily dismissed.

36. NOTE.—*No tender will be accepted unless the fee for the period from 1st September, 1903, to 30th June, 1904, and fee of Five shillings for licence, are forwarded with the tender.*

TENDERS will be received by the Board of Land and Works up to Twelve noon on Saturday, 29th August, 1903, for the occupation, for grazing purposes only, of the following unappropriated portions of land, subject to the Regulations approved by the Governor in Council and also the subjoined special conditions.

Every licence granted under section 187 of the *Land Act 1901* shall be subject to the conditions set forth in the schedule hereto and to such special conditions and payment in advance of such fee as the Minister may determine, and shall be issued by an officer of the Department of Lands and Survey duly authorized in that behalf.

Conditions.

1. The issue of this licence shall not prevent the land comprised therein, or any part or parts thereof, being sold, leased, licensed, alienated, or dealt with under any of the provisions of the Land Acts, except under the 187th section of the *Land Act 1901*, or being resumed by order of the Governor or Administrator of the Government of Victoria, with the advice of the Executive Council, for any of the purposes for which land may be reserved under section 10 of the *Land Act 1901*, or for mining purposes.

2. In case the said land, or any part thereof, should be sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, the licensee shall not be entitled to any compensation other than that which the responsible Minister of the Crown for the time being administering the Land Acts may think fit.

3. This licence is subject to the rights of the holders of miners' rights or of mining leases now issued or hereafter to be issued to enter upon the allotment hereby licensed, and to search for gold, and to mine thereon, and to erect and occupy mining plant and machinery, without making any compensation to the licensee, his executors, administrators, or assigns, for surface or other damage.

4. Subject to these conditions, the licensee shall be entitled to use the land for the purpose for which this licence has been granted, until such land, or any part thereof, has been sold, leased, licensed, alienated, dealt with, or resumed as aforesaid, and thereupon all the interest of the licensee therein shall cease and be determined.

5. No land comprised in roads from time to time surveyed and marked out within the boundaries of the land comprised in this licence shall be deemed within its operation.

6. This licence shall entitle the holder thereof, during the period for which it is granted, to use the land therein comprised for depasturing purposes only, but shall not confer any right to build thereon, or to cultivate or, without the permission of the Minister, fence any portion thereof, or construct a dam or tank.

6A. That in the event of the Minister granting permission to fence the whole or any part of this area, the licensee shall provide gates or slip panels in suitable places for the convenience of the public. No compensation will be allowed for fencing erected on boundaries of allotments alienated or in course of alienation.

That where improvements are authorized under section 189 of the *Land Act 1901* the licensee shall notify, on completion, that such improvements have been made, otherwise the work will not be recognised.

7. The interest in this licence shall not be transferred without the consent of the Minister, and the payment of a fee of Ten shillings.

8. The licence shall be liable to forfeiture if the licensee commit a breach of or neglect to comply with these conditions.

9. The publication of a notice in the *Government Gazette*, purporting to declare that the Governor or Administrator, with the advice aforesaid, has forfeited this licence, shall be conclusive evidence that the licence is forfeited.

10. The ring-barking of the timber upon the land by the licensee is expressly forbidden, and he shall not be entitled to destroy or cut and take away any such timber.

11. Free access to water shall be kept open at all times for travelling and other stock and for persons desiring to take water for domestic purposes.

12. The licensee shall destroy all thistles on the land, and on the half width of the adjoining roads, and shall be responsible for the destruction of thistles under the *Thistle Act 1890* in like manner as holders of freehold lands.

13. The licensee shall keep the land free from vermin, and, should he fail to do so, the licence shall be liable to forfeiture.

14. This licence is issued subject to the right of saw-millers to graze on this area such horses and bullocks as are actually used in connexion with their licensed operations on this land.

Special Conditions.

1. The period of occupation will be for ten months—from 1st September, 1903, to 30th June, 1904.

2. The fee for the period from 1st September, 1903, to 30th June, 1904—for which the licence will be issued, and fee for licence—must accompany the tender, otherwise the offer of the next highest tenderer who complies with this condition may be accepted.

3. Tenders to be for so much per lot and block per annum.

4. Separate tenders must be lodged for each block.

5. Tenders to be indorsed—"Tender for Lot 1, Block 332," or "Lot 2, Block 2226," or "Lot 3, Block 2984," as the case may be.

6. The highest or any tender not necessarily accepted.

7. Tenderers must give their full name and ordinary postal address.

* Military Barracks and Light-houses included.

Printed forms of tender, showing estimates of requirements and conditions of contract, may be obtained from the Secretary, Tender Board, Treasury, Melbourne, or from the officer in charge of police at any of the above-mentioned places, by whom also any information or explanation will be afforded to persons tendering.

The price, which must be expressed in words as well as in figures, and without alterations, erasures, or discrepancies, must be per ton of 40 cubic feet for firewood, including delivery at the offices and all charges. Prices should only be quoted for requirements where estimates are shown above.

Tenders, which should be upon the printed form, will be received for either one or more of the above-mentioned places, and tenders for such places may be accepted or rejected separately; but if all lengths of firewood be included in one tender it may be accepted for one length only, if advisable.

Where the kind or kinds of wood is not mentioned in the tender form, tenderers must specify the kind or kinds of firewood they offer to supply.

Telegrams, or tenders not complying with the terms of advertisement, will not be entertained.

The successful tenderer will be required to enter into a bond for £10, with two approved sureties for the due performance of the contract, within ten days after the acceptance is notified.

Tenderers failing to take up their accepted tenders, or failing to carry out their contract satisfactorily, will be ineligible to again hold contracts for Government supplies.

Tenders must be enclosed in an envelope, marked "Tender for Firewood at ," as the case may be, and deposited in the Tender-Box, Pay Office, Treasury, Melbourne; or, if sent by post, they must be addressed to the Chairman of the Tender Board, Treasury, Melbourne.

The Government will not necessarily accept the lowest or any tender.

The decision of the Government will be made known by *Gazette* notice, and by letter to accepted tenderers.

CONDITIONS OF CONTRACT.

1. As the exact quantity of firewood which may be required cannot be stated, the estimate being approximate only, the Government will not be bound by the quantity stated, but will be at liberty to order more or less, according to circumstances, and the contractor will be bound to supply the same at contract rates.

2. All the firewood supplied under these contracts must be split out of large timber, and must be perfectly sound, dry, and of the kind or kinds specified in the tender; neither burnt wood, heartwood, small branches, nor outside pieces of bark will be received. The billets must be not less than 4 inches nor more than 6 inches in diameter. The long wood to be not less than 9 inches nor more than 18 inches in diameter. Delivery to be made on the written order of the chief officer of the Department requiring the supply. The ton of firewood consists of 40 cubic feet. If the firewood is obtained from a State forest timber reserve, or ordinary Crown lands, persons cutting and removing same must be provided with proper Crown licences for the particular areas concerned.

3. The orders for wood will be issued half-yearly (except in cases where the storage is small, when they will be issued quarterly); but the contractor must have 24 hours' notice before purchases are made at his risk.

4. The contractor for wood will be bound to place it in stacks for measurement on such ground as may be pointed out. The stacks are to be 2 feet wide (or 4 feet 6 inches for long wood) by 5 feet high, with space between each stack for measuring; and the billets (or lengths) are all to lie the same way, viz., crossways of the stacks in the form of a cord, and are to be laid as closely and solidly as possible in the stack and to the satisfaction of the officer receiving the supply. In the event of any inconvenience being felt, either through delay in delivery or of stacking the wood, the Department concerned will purchase the same or re-stack that delivered, at the contractor's risk, from whose account any expense incurred thereby will be deducted.

5. The officer receiving the supply shall have full power to reject any wood which he may consider not in accordance with the contract, notice of which will be given to the contractor in writing, stating the reason. The contractor may, however, claim a survey; but in that case he must, within 48 hours after objection is made, give notice thereof in writing to the officer rejecting the wood.

6. The board of survey will be composed of persons appointed by the Honorable the Treasurer, and the decision of the board of survey is to be considered as final.

7. If the board of survey shall decide that the supply is not of proper quality, it must be immediately replaced by the contractor; failing which, it will be procured elsewhere, and the extra expense, if any, will be charged as in clause 4.

8. Accounts for firewood to be rendered to the Department receiving the supply immediately upon completion of the order, which must be attached to the accounts. Payment will be made at the receipt and pay office of the district, or at the Treasury, Melbourne, as the contractor may require.

9. In the event of any irregularity on the part of the contractor being repeated, it will be competent for the Government, in case such irregularity should be established to the satisfaction of the Tender Board, to cancel the contract forthwith.

10. Contractors are not at liberty to transfer their contracts under cover of power of attorney, coupled with an interest or otherwise; and no such transfer will be recognised by the Government.

11. Under no circumstances will a contractor be permitted to abandon his contract.

12. No subletting will be allowed; all work must be carried out by the contractor, and the hours of employment of any person engaged in cutting or supplying the firewood tendered for in this schedule are not to exceed 48 per week, and every such person shall be paid at a minimum wage of not less than 6s. a day; and a copy of these conditions shall be kept conspicuously and continually posted, in legible Roman characters, on the premises of the contractor. Any infringement of these conditions, in the opinion of the Treasurer, will subject the contractor, upon report from the Tender Board, to such mulct, not exceeding Fifty pounds (£50), as the Treasurer may direct, and the amount will be deducted from any accounts which are or may be due to the contractor, and the Treasurer's decision shall be binding, final, and conclusive as to the fact of infringement and in all other respects.

SHIRE OF KARA KARA.

By-Law No. 2.

A By-law of the Shire of Kara Kara, made under section 191 of the *Local Government Act 1890*, and numbered 2, for regulating the conduct of the officers and servants of the Shire of Kara Kara, and providing for the due management of the affairs and proceedings of the Council of the said Shire.

By-Law No. 1 of the Shire of Kara Kara is hereby repealed.

THE ordinary meeting of the Council will be held at the Shire Offices, Napier street, St. Arnaud, at Eleven a.m. on the Thursday in each month on or preceding the full moon.

2. The office shall be open for the transaction of business each working day, except Saturdays and public holidays, from Ten a.m. to Four p.m. On Saturdays it shall be open from Ten a.m. to Twelve noon.

3. The officers of the Council must attend all ordinary meetings of the Council, except permission be given to them by the President or the Council to be absent.

4. The Council shall commence business so soon after the time notified as there is a sufficient number of councillors in attendance to constitute a quorum directed by law; but if, at the expiry of one hour of the time specified, there is not a quorum present, no business shall be transacted by the council at the meeting, and the names of all councillors present shall be recorded in the minute-book by the secretary.

5. The minutes of any preceding meeting not previously confirmed shall be read as the first business of all meetings of the Council, in order to their confirmation; and no discussion shall be permitted thereupon except as to their accuracy as a record of the proceedings.

6. The reading and ordering on reports of special committees and of officers, the receiving of deputations, the reading of memorials, shall follow the correspondence.

7. Every petition or memorial addressed to the Council shall be in proper form, and be presented by a member of the Council, who shall be responsible for its being respectfully worded.

8. The President, through the municipal clerk, shall convene every committee within ten days of its first appointment, or at any time thereafter by order of the Council.

9. No report of a committee, except that of a finance, shall be considered or adopted on its presentation, nor until due notice shall be given. All such reports shall be read and received *pro formâ*, and, if ordered by the Council, printed for distribution among the councillors, to be considered at any subsequent meeting, or taken into consideration after the orders of the day upon which it is presented.

10. The orders of the day shall include all matters arising out of the proceedings of former meetings of the Council, and any business which the President may think fit to bring under consideration. Any councillor may, however, bring forward such business as he may consider advisable, in the form of a notice of motion, such notice to be given in writing to the secretary previous to the meeting at which the same is to be taken into consideration; and all such notices of motion shall be considered in the order in which they are given.

11. No motion entered on the notice-paper shall be proceeded with unless the councillor who has given such notice, or some one authorized by him in writing, be present when the business is called on. Notices not so proceeded with shall be struck out of the paper.

12. The mover of any motion which may be referred to any committee shall, for the time being, be a member of such committee.

13. Before any motion is put from the chair, in case the mover is not prepared with his motion in writing, the secretary shall take down the same in writing, and may obtain the signatures of the mover and seconder.

14. It shall be competent for any councillor, without previous notice, to move for a call of the whole Council for the consideration of any subject at the next meeting, or any subsequent meeting; and upon such notice being carried, due notice thereof shall be given by the secretary to each councillor, by post, of the day for which the order of the day or notice of motion for which such call is set down for consideration.

15. A councillor moving a motion shall be held to have spoken thereon, but a councillor merely seconding a motion shall not be held to have spoken upon it.

16. If two or more councillors rise to speak at the same time, the President shall decide which is entitled to pre-audience.

17. No councillor shall speak twice on the same motion or amendment, except by way of explanation, or in reply upon any original motion of which he may have been the mover, or as the mover of the amendment last proposed; and the President shall, without waiting for the interposition of the Council, call to order any councillor proceeding to speak a second time on the same motion or amendment. After the reply, the amendment or the original motion, as the case may be, shall be immediately put to the vote.

18. The President when called upon to decide a point of order or practice shall state the rule of precedent applicable to the case, without argument or comment; and his decision as to what is order or explanation shall be final for the time being in each case.

19. No councillor shall digress from the subject under discussion, nor impute improper motives, and all personal reflections shall be considered disorderly; and any councillor making use of any expression offensive to any other councillor shall, if required by the President, withdraw such expression and make a satisfactory apology to such councillor.

20. Any councillor who shall refuse to obey when ruled out of order by the President, or refuse to withdraw any offensive expression when required to do so by the President, he shall for each such offence forfeit a sum not exceeding Five pounds.

21. The councillors, in meeting of Council, shall designate each other by their official titles, namely, that of President, chairman, or councillor.

22. Every councillor, including the President, shall stand up when addressing the Council in a discussion of any question.

23. Any councillor may require the secretary to take down any particular words used by a councillor immediately upon the same being used.

24. One amendment only shall be discussed at one time, but if lost another may be moved before the original question is put to the vote.

25. Upon the adoption of any amendment by the Council, such amendment shall be held to have quashed the original motion, and for all purposes of subsequent discussion the amendment so carried shall be acted upon as an original motion.

26. No discussion shall be allowed on any motion for adjournment of the Council; but if, on the question being put, the motion be negatived, the subject then under consideration, or the next on the notice-paper shall be discussed, or any other that may be allowed precedence, before any subsequent motion for adjournment shall be entertained; but if the motion for adjournment be carried, the business then undisposed of shall have precedence at the next meeting of the Council.

27. Any councillor may enter his protest against any resolution of the Council, provided such protest is not inconsistent with truth, or disrespectful to the Council. Notice of intention to protest must, however, in every case, be given on the adoption of the resolution protested against, and the protest, signed by the councillor or councillors protesting, and specifying the reason for protesting, must be entered before the next regular meeting of the Council, by the protesting councillor, in a book kept for the purpose in the secretary's office, and duly referred to in the minutes of the Council; the same to be considered also as a part of such minutes.

28. A notice of motion may be dispensed with in cases of emergency, where the Council considers it necessary to do so, there being not more than one councillor absent at such meeting.

29. No election to any vacant office at the disposal of the Council shall take place until six clear days' public notice shall have been given by advertisement in one or more of the local newspapers inviting applications from candidates properly qualified.

30. No councillor or officer of the Council and no assessor or auditor of the municipality shall be received as a surety for any officer appointed by the Council, or for any work to be done for the Council.

31. In all cases of security being given for the faithful performance of any duty or contract, the expense of preparing such security shall be borne by the person providing the same.

32. Any one or more of the rules and regulations contained in this by-law may be suspended for a special purpose on motion, upon notice duly given, and shall not otherwise be suspended except by an unanimous vote of the Council.
