**IMMIGRATION.**

**W**ITH a view to the further encouragement of the introduction into the Colony of useful and respectable Emigrants, from any part of Europe, His Excellency the GOVERNOR is pleased to revise the Government Notice of the 28th October, 1835, and directs it to be notified that a pecuniary aid to the amount, and under the Conditions hereinafter specified, will be granted to those Persons who shall be at the

charge of bringing Emigrants to Sydney. The increased rates of bounty which are offered in this revised Notice, will be allowed for those Emigrants who shall leave Europe after the first day of January next.

1. The Sum of Thirty-six Pounds will be granted as a bounty towards defraying the expense of the passage of every married Man, whether Mechanic, Domestic, or Farm-servant, and his Wife, neither of whose ages shall exceed on embarkation forty years, and the sum of five pounds for each of their children between the ages of one and seven years, and of ten pounds for each of their children between the ages of seven and fifteen years, and fifteen pounds for every child above fifteen years.

2. A sum of eighteen pounds will also be allowed for every unmarried female whose age shall not be below fifteen nor above thirty years, who shall come out under the protection of the married couple, as forming part of the family and destined to remain with it until such female be otherwise provided for.

3. A bounty of eighteen pounds will also be allowed for every unmarried male mechanic, farm or domestic servant, above the age of eighteen and not exceeding thirty years, brought out by a person, who at the same time brings out an equal number of females accompanying and attached to a family as herein-before described.

2. Before any such payments are made, the Emigrants on whose account they are claimed, will be required to present themselves before a Board appointed by the Governor to inspect persons of this description, to whom the adults are to exhibit testimonials of good character, signed by Clergymen and respectable inhabitants of note in the places of their former residence, with which testimonials it is necessary that every family and single person, for whom the bounty is claimed should be provided. If the Board shall be satisfied with these testimonials, and that the Persons presenting themselves are within the ages set forth in the foregoing paragraph, to be established, where possible, by the production of copies or extracts of the registry of their baptism, duly certified by the Parish Minister, or other proper Officer, of good bodily health and strength, and in all other respects likely to be useful members of their class in society, a certificate to such effect will be granted by the Board, which being presented at the Colonial Secretary's Office, in Sydney, a warrant will be immediately issued for the payment of the sum to which the Person bringing the Emigrant out shall become entitled under this Notice. In the case of Foreigners brought to the Colony for the cultivation of the vine or olive, or for the manufacture of wine or oil, certificates of age but not of character will be dispensed with.

3. Any Person desiring to avail themselves of these bounties are required to transmit to the Colonial Secretary, at Sydney, a list specifying as nearly as circumstances will permit the number, condition, and calling of the Persons they propose to bring out.

4. It is to be understood, that bounties will not be allowed for any Persons brought out unless the Claimant shall have transmitted to the Colonial Secretary the list required by the foregoing paragraph, and that he shall have received in reply an intimation of its being the intention of this Government to grant a bounty on the introduction of the Persons described therein. This document the Claimant will be required to produce to the Board, and in order to guard against the inconvenience of long outstanding claims against the Government, bounties will not be allowed unless the Emigrants described in the application shall be presented to the Board within two years after the date of the notification of acceptance by the Colonial Secretary.

5. It is also to be understood that no expence whatever, attendant upon the introduction of these Emigrants, will be defrayed by Government, excepting the bounties hereinbefore mentioned; and that the wives and families of soldiers in Regiments in this Colony, or in Van Diemen's Land, and of Persons serving under sentence of transportation in either Colony, are excepted from the present regulation.

By His Excellency's Command,  
E. DEAS THOMSON.

Colonial Secretary's Office,

COURT OF CLAIMS.

**NOTICE** is hereby given, that the following **CLAIMS for DEEDS of GRANT** of Land and Town Allotments will be ready for examination by the Commissioners appointed for that purpose, under the Act of Council 5th William IV., No. 21, at the expiration of two months from this date; before which day any Caveat or Counter-claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

**Case No. 139—MARY, HENRY, RICHARD, LOUISA, WILLIAM, and ELIZABETH LEWIS**, One thousand acres, in the County of Roxburgh, parish unnamed, at *Wigdon*; bounded on the north side by a line east 80 chains; on the east side by a line south 132 chains; on the south side by a line west 80 chains; and on the west side by a line north 132 chains, having steep mountains on the north side.

On the 19th May, 1825, Sir Thomas Brisbane issued an order to the late Richard Lewis for the purchase of this 1000 acres of land; and he devised it, it is alleged, in equal portions to his six children.

**Case No. 140—ALEXANDER BERRY, Esquire, M. C.**, Two thousand three hundred and twenty acres, in the County of St. Vincent, parish unnamed, at *Numbaa*; bounded on the south-west by the Crookhaven River; on the west by part of the eastern boundary of D' Mestres's land, being a line north 156 chains; on the north by Shoalhaven River to William Wetherman's grant, and by the west and south boundaries of that grant, being lines south 90 chains, and east 80 chains; on the east by part of the west boundary of E. Wolstonecroft's grant, being a line south 130 chains to Hume's grant; and on the south by part of the north boundary of that grant, being a line west 55 chains to Crookhaven River.

On the 22nd October, 1827, the purchase of this land was authorised to the Firm of Berry and Wolstonecroft by Governor Darling. Mr. Wolstonecroft is deceased, and Mr. Berry has completed the purchase.

**Case No. 141—PETER FAGAN**, of Brisbane Water, One hundred acres, in the County of Northumberland, parish unnamed, at the *Broadwater, Brisbane Water*, commencing 39 chains north of the point called Noindau, opposite to Point Frederick; and bounded on the south by a line west 49 chains; and on the west by a line north 20 chains; on the north by a line east 51 chains 50 links; and on the east by the Broadwater.

This land was located to John Roberts, deceased, in pursuance of an order in his favor by Sir Thomas Brisbane, for 100 acres, dated 28th October, 1823. Fagan, it is alleged, has purchased of the widow, Elizabeth Roberts.

**Case No. 142—FRANCIS MITCHELL, Esquire**, of George-street, Sydney, County of Cumberland, Town of Sydney, parish of *St. James*, allotment No. of section No. 41, perches; bounded on the north by Hunter-street 48 feet; on the east by Henry Ashley's premises feet; on the south by a line 51 feet 6 inches, dividing it from Jonathan Williams' premises.

Twenty-one perches; bounded on the south by a line 1 chain 90 links; on the east by a line 68 links; on the north by a line to the street 1 chain 94 links; and on the west by that street 68 links.

The first described allotment appears to form part of an allotment of 25 perches, supposed to have been granted by Governor Macquarie to John Thomas Campbell, but the Deed of which is registered in the Surveyor-General's Office only. J. T. Campbell being deceased, the property, it is alleged, was sold by the Rev. Charles Campbell, his heir-at-law, to Jonathan Williams. The second described allotment was leased by Sir Thomas Brisbane for twenty-one years from 30th June, 1823, to Charles Henry Chambers, who sold to Jonathan Williams. Claimant has purchased both portions of Williams, and requests a Deed of both in one, on payment of twenty-one years' quit-rent. If the first mentioned property be not already granted, the Crown may not object, and the property will be described accordingly by the Surveyor-General.

Case No. 143—JAMES RAINNEY, of Sydney, Eight perches, in the County of Cumberland, Town of Sydney, parish of St. Andrew, allotment No. 36 of section No. 29; bounded on the east by Nos. 34 and 28 allotments, bearing north 22 degrees 30 minutes west 113 links; on the north by No. 12 allotment, bearing west 16 degrees south 46 links; on the west by No. 13 allotment, bearing south 16 degrees east 112 links; and on the south by Market-street, bearing east 16 degrees north 58½ links.

A description of this allotment was advertised by the Colonial Secretary in the Gazette of 10th June, 1834, page 378, with a view to the preparation of a Deed of Grant in the name of John Rayner. It is alleged, however, that James Rayney is the party entitled, the name having been misunderstood.

Case No. 144—MARY MEDLEY, of Bathurst, One hundred acres, in the County of Bathurst, parish of Bathurst, at Crooked Corner, commencing 1 mile due west from Bathurst Flag Staff; bounded on the east by a line north 65 chains, to the River Macquarie; on the south by a continuation of the west line from the Flag Staff 14 chains 50 links; on the west by a line north 80 chains; and on the north by a line east 6 chains 70 links to the River Macquarie, and by that river to the north-east corner.

This land was located to Joseph Medley, deceased, in pursuance of an order in his favour for 100 acres by Governor Darling, dated 8th February, 1830. Mary Medley, his widow, claims in consequence of having administered to his effects.

Case No. 145—TERENCE MACAHOME, of Sydney, Ninety-four perches, in the County of Cumberland, parish of Alexandria; bounded on the west by a reserved road leading from the Botany Bay Road 81 feet; on the north by Robert Cooper's land, to the Sydney Common; on the east by a reserved road, bounding the Sydney Common; and on the south by Robert Cooper's land to the commencing corner.

This land, it is alleged, was purchased by Macahome from Arthur Little. It is supposed to be an allotment shown on a map in the Surveyor-General's Office, as belonging to David Maziere, and forming part of an old grant of 70 acres to John Palmer, called George Farm. It is not, however, evident whether this Deed may not have been cancelled.
