**PUBLIC ACCOUNTS.**

**A**LL Persons having Claims on the Colonial Treasury, are requested to furnish their Accounts, through the proper channel, before the end of the year, or as soon thereafter as practicable.

The several Collectors and Officers in the receipt of Public Monies, will pay over to the Colonial Treasurer, on or before the 31st of the present month, the amount of all collections remaining in their hands, respectively, up to that date, so that the entire Revenue collected by each may be credited in the accounts of the year within which it was received.

The Heads of Departments and other Officers who have received advances to enable them to defray expenses incurred under their superintendence, are requested to furnish to the Audit Office, as far as practicable, and with all convenient despatch, the accounts of the expenditure thereof; and, on or before the last day of the current month, to repay into the Colonial Treasury the unexpended balance of such advances, that the adjustment of the same may appear in the Accounts to the 31st instant.

They will also, as soon as practicable, after the close of the year, bring forward all accounts of expenses incurred within the same, which do not admit of being previously settled; so that, if possible, all the expenses incurred in the present year may be finally adjusted and liquidated within one month after its termination.

The Colonial Treasurer is requested to use his endeavours to give effect to these directions; and, to report, through the proper channel, for the information of His Excellency the Acting Governor, any instance of neglect in complying therewith, on the part of the Public Officers concerned.
