COUNCIL.

HIS Excellency the GOVERNOR is pleased to direct that the general objects of the following Bills, about to be brought under the consideration of the Legislative Council, be published for general information.

*By His Excellency's Command,
 E. DEAS THOMSON.*

1. "A Bill for giving Relief to Insolvent Persons, and providing for the due collection, administration, and distribution of Insolvent Estates within the Colony of New South Wales, and for the prevention of frauds affecting the same."

It is proposed to make provision for giving relief to such persons as by misfortune, and without having been guilty of fraud or dishonesty, are or may become Insolvent, and for the due collection, administration, and distribution of Insolvent Estates within the Colony of New South Wales, and for the prevention of frauds affecting the same.

Any Judge of the Supreme Court of New South Wales, upon the petition, in writing, of any person setting forth that he is Insolvent, may direct such person to appear before him, to be examined, touching his said Insolvency, and accept the surrender of such Insolvent's Estate, and place the same under sequestration.

The like powers vested in the Judges, or Commissioners duly appointed by them, in cases where persons administer the Estates of others, or in cases where persons are under legal inability to administer their own Estates, or the Estates of others.

Estates of a Company, or of the partners thereof, may be sequestrated on petition of a creditor, in case of any act of Insolvency committed by such Company, or the partners thereof.

If an order of sequestration, obtained by a petitioning creditor, be superseded by any act of such creditor, then such order may be revived in favor of any other creditor applying for the same, whose debt was contracted prior to such order for sequestration, and amounts to not less than Fifty Pounds.

If any Insolvent, against whose Estate any order of sequestration shall have been made, shall pay any monies or give any securities to the petitioning creditor after such order obtained, then he shall be deemed to have committed a new act of Insolvency, and the petitioning creditor shall give up, for the benefit of the other creditors, all such monies paid and securities given to him, and shall pay all the costs which may be incurred by any other creditor in obtaining the revival of the said order of sequestration.

The further execution of any judgment against the person or Estate of any Insolvent, after any order for sequestration of such Estate is lodged with the Sheriff for registration, shall be stayed, and the person having right to such judgment may prove the debt and costs secured thereby against the sequestered Estate, and take the benefit thereof upon distribution of the said Estate.

All actions pending against any Insolvent, for any debt proveable against his Estate, shall be stayed immediately upon any order being made for sequestration of such Estate, and the Plaintiff in any such action may prove the debt, together with the taxed costs then incurred, against such Estate, and take the benefit thereof upon distribution of such Estate.

Insolvents in custody of the Sheriff at the time any order for sequestration of his Estate is lodged with the said Sheriff, shall be forthwith discharged out of custody.

All actions commenced by any person, whose Estate shall afterwards be placed under sequestration, for any debt or demand due to the said Estate, and all proceedings therein, shall be stayed, upon such order being made, until the trustee, thereafter chosen, shall make election to prosecute or discontinue the same, which election must be made within six weeks after notice served upon him by Defendant.

As the Act of the Governor and Council 2 Gul. IV, No. 11, will expire on the 31st August next, it is proposed to restrict and better regulate the practice of Arrest and Imprisonment for Debt.

No person to be arrested and held to special bail unless he shall be about to remove out of the jurisdiction of the Supreme Court, or to abscond to remote parts within the same.

COURT OF CLAIMS.

NOTICE is hereby Given, that the following CLAIMS to DEEDS of GRANT of Land and Town Allotments will be ready for the examination of the Commissioners appointed for that purpose, under the Act of Council 5th Wil- No. 336. May 30, 1838.

liam IV. No. 21, at the expiration of two months from this date, before which day any Caveat or Counter-claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

Case No. 253.—MARGARET MCGINNIS, MARIA COLCROFT, (formerly MCGINNIS,) and ANN HALL, (formerly MCGINNIS,) each of Wilberforce.

One hundred acres, in the County of Cook, parish unnamed, at Kurralong. Bounded on the north by part of Murphy's farm and a prolongation of Murphy's south boundary line; west 20 chains; on the west by a south line, 29 chains and 30 links; on the south by a line east, 35 chains, to John Dunstan's farm; and on the east by part of John Dunstan's and James Dunstan's farms.

On the 25th November, 1823, Sir Thomas Brisbane promised 100 acres of land to William Baker, deceased, and he having died without issue,

his widow, *Mary Baker*, was allowed by Governor Darling to select the land above described, and it is charted in her name. She then married one *Benjamin Cashley*, but he is now deceased, and claimants, it is alleged, are next of kin and lawful assignees.

Case No. 254.—*JOHN WATSON*, of the Parish of Alnwick, Hunter's River, and *WILLIAM HOWARD GREENWAY*, and *MARY ANN*, his wife, of Newcastle.

Three hundred acres, in the County of Northumberland, Parish of Alnwick, commencing from the eastern extreme of the north boundary line of Field's 300 acre Grant, on Hunter's River, and bounded on the south by 83 chains of that boundary line bearing west; on the west by the east boundary line of Pugh's 60 acre Grant, bearing north 32 chains; on the north, by an east line of 107 chains to Hunter's River; and on the east, by Hunter's River downwards to the eastern extreme of the north boundary line of Field's 300 acre Grant.

This land was located on an order of Sir Thomas Brisbane, dated 7th July, 1824, in favour of Edward Lamb, deceased, who, it is alleged, gave 100 acres thereof to his daughter Lucy Ann, then the wife of the claimant, Watson, to whom she bequeathed it on her decease. Promisee gave another 100 acres to his other daughter, Mary Ann Greenway, and on his decease, he bequeathed the remaining 100 acres to his son, William John Lamb, who assigned the same to his two sisters above mentioned. Claimants request a Deed of Grant of the whole 300 acres as Tenants in common.

By direction of the Commissioners,
JOHN THOMPSON,
Secretary.
