

NEW SOUTH WALES
GOVERNMENT GAZETTE.

Published by Authority.

WEDNESDAY, AUGUST 22, 1838.

Colonial Secretary's Office,
Sydney, 14th August, 1838.
COUNCIL.

HIS Excellency the GOVERNOR is pleased to direct that the general objects of the following Bill, now under the consideration of the Legislative Council, be published for general information.

By His Excellency's Command,
E. DEAS THOMSON.

"A Bill to facilitate the apprehension of Offenders
"escaping from the Island of Van Diemen's
"Land to the Colony of New South Wales."

It is proposed to empower any Justice of New South Wales to endorse any Warrant issued by any Judge, Justice, or Justices of Van Diemen's Land against any Offender, upon oath of a credible Witness of the hand-writing of such Judge, Justice, or Justices, which shall be sufficient authority to any Person to whom such Warrant was originally directed, as also to all Constables in any part of New South Wales or its Dependencies, to execute such Warrant within any part of New South Wales or its Dependencies, and to apprehend such Offender, and bring him before the Justice or Justices who endorsed such Warrant, or some other Justice or Justices for the Colony of New South Wales, such Justice or Justices being empowered also to take bail for the appearance of such Offender, provided he or she be not a Convict, or suspected to be such.

Colonial Secretary's Office,
Sydney, 15th August, 1838.

ASSIGNMENT REGULATIONS.

IN consequence of the numerous complaints on the subject of Assignments, His Excellency the GOVERNOR has laid the matter before the Executive Council, and with their advice directs that the following Alterations with regard to MALE CONVICTS, be adopted from the present date, in order to restore the principle of equal distribution intended by the former Regulations, which in some cases the Applicants appear to have found

means of evading, and to ensure a more perfect Convict Discipline in certain instances.

1. No preference is to be given, under the thirteenth Article of the Regulations of 9th May, 1835, to Persons occupying Land for the first time, on *Leasehold Qualification*, unless the said Land be under Hoe or Plough Culture.

2. All Applications under the same thirteenth Article are to be made to the Police Magistrate (or where there is no such Officer, to the Bench of Magistrates) of the District in which the land is situated, and must each set forth that the Applicant has attained the full age of twenty-one years, the circumstances under which the land has been acquired, and full information as to his condition in life. These Applications are to be transmitted, by the Magistrates, to the Colonial Secretary; and when approved by the Governor, but not before, are to be registered by the Commissioner of Assignment.

3. All other Applications for Assigned Servants are to be made, as heretofore, to the Magistrates in Petty Sessions, or Magistrate acting singly, as the case may require, and acted on in the way pointed out by the General Regulations.

4. No Person who may have in his service two-thirds of the number of Assigned Servants which he may claim under the Regulations of 15th December, 1835, is to have any more men Assigned to him, until all other Persons are completed to the same proportionate extent. Provided, however, that this Rule be not applied to any Person who has less than ten Servants actually in his employment.

5. No Person is to be considered entitled to become an Assignee of Convicts, who has not been free for six years, unless such Person shall have received a Free Pardon.

6. No Person who shall have been twice convicted of any Capital or Transportable Offence, is to be eligible as an Assignee in future.

7. The Assignment of Convict Mechanics, of any description whatever, in *Sydney*, is to be discontinued forthwith.

8. The Assignment of Male Convicts in Syd-

ney and the other Towns of the Colony is to be discontinued on 1st January, 1839; and of Male Domestic Servants throughout the Colony, on 15th August, 1839.

9. All Male Convicts, Mechanics as well as Laborers, are in future to be Assigned by lot, in the mode pointed out for Laborers in the eleventh Article of the Regulations of 9th May, 1835, separate lists being made of the Persons entitled to receive Mechanics of each Trade.

10. All future Assignments of Male Convicts are to be made for the period only for which the persons assigned may have to serve, in order by good conduct to be eligible for a Ticket-of-Leave. If at the end of that period, they be not (in consequence of misbehaviour) deemed worthy of Tickets-of-Leave, they will be taken into the service of Government, or disposed of as the Governor may direct; their places being supplied under the existing Regulations in the same manner as if they had actually received their Tickets.

This Principle will also be acted on, as far as possible, with respect to Servants already in Assignment.

11. The principal object in the Assignment Regulations being the distribution of Convict Servants with fairness and impartiality, they will be altered and amended as often as they may be found insufficient for that purpose.

12. It is also to be distinctly understood, that there neither is, nor ever has been any engagement on the part of the Government, to keep Proprietors supplied with Servants up to the full numbers authorised by the Regulations of 15th December, 1835, and that at the present moment it is quite impossible to do so.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 14th July, 1838.

The Magistrates are also requested to see that all the particulars required in terms of the Regulations are duly filled up in the several Forms, to avoid the inconvenience and delay in returning them for correction.

The greatest accuracy will be required on the part of the Applicants in filling up the Returns, as the best means of avoiding confusion and inconvenience in the Public Service.

Those Magistrates who were authorised to employ Assessors last year for taking into consideration Applications for Servants, will be allowed, if still necessary, to retain the same parties on the present occasion; but where the employment of other parties in lieu should be requisite, the Magistrates will immediately report the names to this Office.
