

NEW SOUTH WALES GOVERNMENT GAZETTE.

Published by Authority.

WEDNESDAY, DECEMBER 5, 1838.

PROCLAMATION.

By His Excellency Sir GEORGE GIPPS,
Knight, Captain-General and Governor-in-Chief of the Territory of New South Wales and its Dependencies, and Vice-Admiral of the same, &c., &c., &c.

WHEREAS by a certain Act or Ordinance of the Governor and Legislative Council, passed in the Second year of the Reign of Her Majesty QUEEN VICTORIA, intituled "*An Act for regulating the Police in the Towns of Parramatta, Windsor, Maitland, Bathurst, and other Towns respectively, and for removing and preventing Nuisances and Obstructions, and for the better alignment of Streets therein*," it was amongst other things enacted that whenever the Governor or Acting-Governor for the time being shall deem it expedient to extend the same to any other Town in the said Colony, it shall and may be lawful for the said Governor or Acting-Governor for the time being to declare the same by Proclamation. Now, therefore, I, the GOVERNOR, in pursuance of the Power and Authority so vested in me by the said recited Act, by this, my Proclamation, do hereby direct that the Provisions of the said Act be extended to the Town of MELBOURNE.

Given under my Hand, at Government House, Sydney, this fifth day of November, in the year of our Lord, one thousand eight hundred and thirty-eight.

(L.S.) GEORGE GIPPS,
Governor-in-Chief.

By His Excellency's Command,
E. DEAS THOMSON.

GOD SAVE THE QUEEN!

Colonial Secretary's Office,
Sydney, 28th November, 1838.
SOUTH AMERICA.

HIS Excellency the GOVERNOR is pleased to direct that the two following Notices, respecting a BLOCKADE of the Ports of Mexico, and also of the Port of Buenos Ayres, and the

whole of the Rivers of the Argentine Republic, be re-published from the *London Gazette*, for general information.

By His Excellency's Command,
E. DEAS THOMSON.

Foreign Office, June 5th, 1838.

EARL GRANVILLE, Her Majesty's Ambassador at Paris, has transmitted to Viscount Palmerston, Her Majesty's Principal Secretary of State for Foreign Affairs, an official letter (of which the following is a translation), which has been addressed to Earl Granville by the Count Mo'le, French Minister for Foreign Affairs, notifying the establishment of a Blockade of the Ports of Mexico, against all vessels, except British Packet Boats, employed in the conveyance of the Mails.

(TRANSLATION.)

MY LORD,—The Mexican Government having refused to redress the numerous grievances for which the Minister Plenipotentiary of the King, at Mexico, had been directed to demand reparation, the Commander of the French Naval Forces before Vera Cruz, has found himself under the necessity of adopting, as by his instructions he was authorised to do, the measures which in such a case the dignity of France, and the justice of its claims, required.

Accordingly all the Ports of Mexico have been declared to be in a state of Blockade; and this Blockade, which became effective so far as regards Vera Cruz, from the 16th of April last, will, without delay, have taken effect in like manner with respect to the other Ports of Mexico. In making known to you these measures, I hasten, My Lord, to add, that the orders given by the Government of the King, for insuring the execution of them, are so conceived, as to reconcile the practical exercise of a legitimate right with the respect due to the independence of neutral flags, and with the sincere desire to cause the least possible inconvenience to the navigation of neutral vessels. Of this the Government of Her Britannic Majesty will find a special proof in the mea-

sure which exempts British Packet Boats employed in the conveyance of correspondence from the application of the rules of the Blockade. This exemption has appeared to us to be an indirect consequence of the liberal principle sanctioned by the 13th article of the Post Office Convention of 14th June, 1833, which authorises the continuation of the Post Office arrangements between the two countries, even in case of war.

I request you to be so good as to convey the present notification to the knowledge of the Government of Her Britannic Majesty.

(Signed)

MOLE.

Paris, June 1st, 1838.

Foreign Office, June 21, 1838.

A Despatch has been received at this Office from Mr. Mandeville, Her Majesty's Minister at Buenos Ayres, stating that Rear Admiral Le Blanc, Commander-in-Chief of the Naval Force of the King of the French on the coast of Brazil, and in the South Seas, had declared the Port of Buenos Ayres, and the whole of the Rivers of the Argentine Republic, to be in a state of strict Blockade by the French Naval Force.

The French Admiral had also declared that this Blockade was to be strictly maintained, until the grounds of complaint upon which it was established should be removed; but that the foreign merchant vessels then in the Port or Roads of Buenos Ayres should have permission to depart from thence until the 10th day of May following, from which time the Blockade was to be general, and to extend equally to vessels entering or leaving the Port.

The French Admiral had further informed Mr. Mandeville, that Her Majesty's Branch Packets, conveying the Mails between Rio de Janeiro and Buenos Ayres, would meet with no interruption from the Blockading squadron, upon the condition that the Commanders of the said Packets should declare upon their word of honor, that they are not bearers of any merchandise subject to Custom-house duties.
