**SOUTH AMERICA.**

**T**HE GOVERNOR has been pleased to direct the publication of the following Extract of a Letter addressed to His Excellency by the Consul-General at Lima, dated 15th November, 1837, and received on the 11th instant, forwarding an extract of a Decree issued on the 31st of May, 1837, by the Government of the Peru-Bolivian Confederation, determining the only admissible documents in the Custom-houses thereof to prove that wheat, flour, or other raw or manufactured produce of a nature similar to the raw or manufactured produce of Chili, is not of the growth or manufacture of that republic; but which Decree, it will be observed, is not intended to be enforced in respect to vessels from New South Wales which may have left Sydney prior to its receipt here.

*By His Excellency's Command,*  
 E. DEAS THOMSON.

*Extract of a Letter from the Consul-General at Lima to His Excellency the Governor of New South Wales, dated 15th November, 1837.*

"A British vessel, the *Medway*, having recently arrived at the port of Callao, laden with a cargo of flour, I deem it advisable, in the event of similar speculations being entered into, to transmit to you, herewith, the Extract of a Decree issued on the 31st of May last, by the Government of the Peru-Bolivian Confederation, determining the only admissible Documents in the

Custom-houses thereof to prove that wheat, flour, or other raw or manufactured produce of a nature similar to the raw or manufactured produce of Chili (the importation of all which into the ports of the said Confederation is absolutely prohibited) is not of the growth or manufacture of that republic.

On my representation, this Government has deferred the enforcement of this Decree in respect to vessels arriving from *Australasia* to such time as intelligence of it shall have been there received; and the present is the first opportunity which has occurred of communicating it.

"I should conceive that the certificate of the Governor, or chief authority, of a country where there are no Consuls resident, would be requisite, in lieu of the consular certificate required by the third paragraph of the second article.

(Signed)

"BELFORD HINTON WILSON,  
 "Consul-General."

ARTICLE 2. To prove that said fruits (wheat, flour, and other raw or manufactured articles similar to those produced in Chili) are the growth of a friendly country situated in the Pacific, the captain shall present—1st, A certificate from the local authority of the port from which he proceeds. 2ndly, The manifest, in which shall be specified the origin of such produce, countersigned by the Collector of Customs of said port. 3rdly, The certificate of the Consul of the Confederation resident in the said port, and, where there is none, of the Consul or Vice-Consul of any friendly state.

PUBLIC ACCOUNTS.

ALL Persons having claims on the Colonial Treasury are requested to furnish their Accounts through the proper channel before the end of the year, or as soon thereafter as practicable.

The several Collectors and Officers in the receipt of Public Monies will pay over to the Colonial Treasurer, on or before the 31st of the present month, the amount of all collections remaining in their hands, respectively, up to that date, so that the entire Revenue collected by each may be credited in the accounts of the year within which it was received.

The Heads of Departments and other Officers who have received advances to enable them to defray expenses incurred under their superintendance are requested to furnish to the Audit Office, as far as practicable, and with all convenient despatch, the accounts of the expenditure thereof, and on or before the last day of the current month to pay into the Colonial Treasury the unexpended balance of such advances, that the adjustment of the same may appear in the accounts to the 31st instant.

They will also, as soon as practicable after the close of the year, bring forward all accounts of expenses incurred within the same, which do not admit of being previously settled, so that, if possible, all the expenses incurred in the present year may be finally adjusted and liquidated within one month after its termination.

The Colonial Treasurer is requested to use his endeavours to give effect to these directions, and to report, through the proper channel, for the in-

COURT OF CLAIMS.

NOTICE is hereby given, that in the advertisement of the case No. 290 (Vide the notice of 25th August, 1838, page 680), a wrong description was inadvertently used. The proper one having now been obtained, the case is re-announced for hearing in two months from this date, of which due notice will be given.  
Case No. 290.—DAVID AUSTIN, opposed by

**SAMUEL HILL**, both of Parramatta; **J. Armitstead**, Solicitor for Hill.

Forty-four rods, County of Cumberland, *parish of the Field of Mars*, town of Parramatta, allotment No. 6, on the east side of Windsor-road, in section No. 7; bounded on the north by Ross-street, 2 chains 8 links; on the east by a line 1 chain 49 links; on the south by a line to the Windsor-road, 2 chains 11 links; and on the west by that road, 1 chain 64 links.

*This allotment was leased by Sir Thomas Brisbane for 21 years from the 30th June, 1823, to John Kelly, deceased, who, it is alleged, sold to claimant. Ann Kelly, relict of John Kelly, has transferred the land to claimant, who, having erected buildings of upwards of £1000 value thereon, claims a deed in pursuance of one of the provisions of the lease. Hill alleges that he has purchased a portion of the allotment.*

By direction of the Commissioners,

**JOHN THOMPSON,**

*Secretary.*

*Court of Claims Office, Bent-street, }  
January 14th, 1839, }*

**COURT OF CLAIMS:**

**NOTICE** is hereby given, that the following Claims for **DEEDS of GRANT of LANDS and TOWN ALLOTMENTS** will be ready for the examination of the Commissioners appointed for the purpose, under the Act of Council, 5 William IV, No. 21, at the expiration of two months from this date; before which day any caveat or counter claim must be entered at this Office. Due Notice will be given of the days appointed for the Hearings.

**Case No. 335.**—**MATTHEW ANDERSON**, of Parramatta, by his Solicitor, **D. Chambers, Esq.**, opposed by **William Johnson**, of Sydney.

*The above description embraces two allotments originally located to Francis Murrell and William Johnson, on orders of Governor Darling's, dated respectively 26th November, 1829. They sold, it is alleged, to Edward New, who sold to Claimant. Johnson alleges that he has not sold; should this prove to be the case, the allotment will be again divided.*

**Case No. 336.**—Representatives of the late **John Richards**, of Berrima.

**Case No. 337.**—**DONALD CAMPBELL**, of Segenhoe, on behalf of the Heirs of **Malcolm Campbell**, deceased, in opposition to ———— **Marks**, of Sussex-street, Sydney, Licensed Victualler.

Five hundred acres, in the County of Camden, parish unnamed, *Illawarra*, near Kiama; bounded towards the west by a line extending southward 80 chains, along part of the eastern boundary of Michael Hyam's grant of 1280 acres from the north-east angle thereof, where the upper branch of the Minumurra Creek divides and falls into the Jerragong Swamp; towards the south by a line extending eastward 64 chains and 50 links; towards the east by a line extending northward 61 chains to the Jerragong Swamp; and towards the north by a line extending along the margin of the said swamp to the north-east angle of Michael Hyam's grant before-mentioned.

*This land was located on an order of Governor Darling's, dated 24th April, 1830, in favour of Malcolm Campbell, who died intestate. 13. In the event of a difference of opinion between the Contractor and the Party receiving the supply as to its quality, the same is to be

decided in the following manner:—The Party objecting will name one Person as Arbitrator, the Contractor or his Agent another, these two will (previously to any other proceeding on their part) concur in naming a third as Umpire, who, in the event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final. And should it be decided that the article is not of proper quality, it must be immediately replaced by the Contractor, failing which it will be procured and the expense charged to his account.

14. It will be in the power of either Party to limit the duration of the Contract by giving in writing a Notice of three calendar months to the opposite Party, and to end the Contract at the expiration of that period, it being understood that such Notice can be given only from the first day of a Month.

15. The Contractor will be required to prepare his own account monthly, according to the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, will receive payment either in British Silver Coin, or by a Bill on Her Majesty's Treasury at the established rate of the period, at the option of the Senior Commissariat Officer.

16. The value of all packages to be included in the prices demanded.

17. Persons wishing to Tender are requested to apply either at this Office, or, to the Commissariat Officers in charge at the several Stations, who will furnish them with Printed Forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter for the Parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly; and no payment will be made upon any Contracts until the bonds have been executed; the expense of which, if any, is to be paid by the Contractor.
