ABORIGINES.

HIS Excellency the GOVERNOR desires to draw the attention of owners of Stock throughout the Colony, and of the Public in general, to the extensive powers which by an Act passed in a recent extraordinary Session of the Legislative Council, (2 Vict. No. 27) are now vested in the Commissioners of Lands acting beyond the boundaries of location, as well as to the fact that these Commissioners are now Magistrates of the Territory; and as one of the principal objects which the Council had in view in passing the Act referred to, was to put a stop to the atrocities which have of late been so extensively committed beyond the boundaries, both by the Aborigines and on them. His Excellency deems the present a proper occasion to notify to the Public, that he has received distinct instructions from Her Majesty's Government, to cause an inquest or enquiry to be instituted in every case wherein any of the Aboriginal Inhabitants may have come to a violent death in consequence of a collision with white men; and that His Excellency is determined to make no distinction in such cases, whether the aggressors or parties injured be of one or the other race or colour, but to bring all, as far as may be in his power, to equal and indiscriminate justice.

As human beings partaking of our common nature—as the Aboriginal possessors of the soil from which the wealth of the country has been principally derived—and as subjects of the Queen, whose authority extends over every part of New Holland—the Natives of the Colony have an equal right with the people of European origin to the protection and assistance of the Law of England.

To allow either to injure or oppress the other, or to permit the stronger to regard the weaker party as aliens with whom a war can exist, and against whom they may exercise belligerent rights, is not less inconsistent with the spirit of that Law,

than it is at variance with the dictates of justice and humanity.

The duties of the Commissioners of Crown Land, in respect to the Aborigines, will be to cultivate at all times an amicable intercourse with them, to assist them in obtaining redress for any wrong to which they may have been exposed, and particularly to prevent any interference on the part of white men with their women. On the other hand, they will make known to them the penalties to which they become liable by any act of aggression on the persons or properties of the Colonists. They will endeavour to induce the Chiefs in their respective districts to make themselves responsible for the good conduct of their tribes, and they will use every means in their power to acquire such personal influence over them, as may either prevent aggression or ensure the immediate surrender of the parties who may be guilty of it.

His Excellency thinks it right, further to inform the Public, that each succeeding despatch from the Secretary of State, marks in an increasing degree the importance which Her Majesty's Government, and no less the Parliament and the people of Great Britain, attach to the just and humane treatment of the Aborigines of this country; and to declare most earnestly, and solemnly, his deep conviction that there is no subject or matter whatsoever in which the interest as well as the honor of the Colonists are more essentially concerned.

By His Excellency's Command,
E. DEAS THOMSON.

*Colonial Secretary's Office,
Sydney, 21st May, 1830.*

HIS Excellency the GOVERNOR has been pleased to direct the republication of the following Notice, respecting the detention by force of the black women of the Native Tribes, by overseers, and other persons in charge of Cattle and Sheep, in the districts beyond the limits of location.

By His Excellency's Command,
E. DEAS THOMSON.

(COPY.)

*Colonial Secretary's Office,
Sydney, 18th September, 1837.*

THE GOVERNOR having been informed by the reports of certain of the Commissioners of Crown Lands, that, at the stations beyond the limits of location, overseers and other persons in charge of Cattle and Sheep in those remote districts, are not unfrequently guilty of detaining by force, in their huts, and as their companions abroad, black women of the Native Tribes resorting to their neighbourhood, an offence, not only in itself of a most heinous and revolting character, but, in its consequences, leading to bloodshed and murder; His Excellency has been pleased to direct the Commissioners, to report the names of all persons whom they shall find in any manner concerned in so abominable and unchristian a proceeding, in order that their Licenses may be immediately cancelled, and that they may be prosecuted under the Act, as illegal occupiers of Crown Lands, or otherwise, as the law directs.

By His Excellency's Command,
E. DEAS THOMSON.

CROWN LANDS.

IN pursuance of the Act of the Governor and Council passed in the second year of HER MAJESTY'S Reign, intitled "*An Act further to restrain the unauthorised occupation of Crown Lands, and to provide the means of defraying the expense of a Border Police.*" His Excellency the GOVERNOR directs it to be notified, that from and after the 1st day of July next, any persons who shall be found occupying any Crown Lands within the limits of location fixed by the Government Order of the 14th day of October, 1829, or that may hereafter be allotted for location by any Proclamation or Order of the Governor published in that behalf, either by residing or by erecting any hut or building thereon, or by clearing, enclosing, or cultivating any part thereof, without holding a valid lease from the Government for the occupation of such Lands; And any person who shall be found so occupying any Crown Lands beyond the said limits of location without holding a valid License for depasturing Cattle and other Stock under these Regulations, or a valid License to cut Cedar or other Timber under the separate Notice of this date, will be respectively liable to the penalties imposed by the said Act, namely, for the first offence, any sum not exceeding Ten Pounds, at the discretion of the Justice or Justices before whom the complaint shall be heard; for the second offence, Twenty Pounds; and for the third or any subsequent offence, Fifty Pounds; the penalties to be recovered, within the boundaries, in a summary way, before any Justice of the Peace, upon information and complaint on oath of any Justice of the Peace, Commissioner of Crown Lands, or Proprietor or Lessee of Lands, or the Chief Constable of any District; and, without the boundaries, upon the like information of any Justice of the Peace, Licensed Person, or his Overseer, or Manager, or of any Constable duly appointed for such purpose.

Leases of vacant Crown Lands within the limits of location will continue to be given in the terms and under the Regulations prescribed by the Government Order of 1st August, 1831, the proper Officer being instructed not to permit any person to become a Lessee of Crown Lands unless he shall be satisfied that such person is of honest and respectable character.

Applications for Licenses to depasture the vacant Crown Lands beyond the limits of location are to be made to the Commissioner of the District in the Form marked A annexed, and that Officer, if he approve of the same, will forward them to the Colonial Treasurer in Sydney, or, if required for the District of Port Phillip, to the Sub-Collector of Customs at Melbourne, in order that the License may be prepared.

Each License will be chargeable with a fee of Ten Pounds, to be paid to the Colonial Treasurer in Sydney, or, if for the District of Port Phillip, to the Sub-Collector at Melbourne, previously to its issue, and will be in the Form annexed marked B.

Persons desirous of depasturing in more Districts than one must make separate applications, and take out separate Licenses for each, but the fee will be chargeable to the same party for the same period upon one License only, for two contiguous Districts.

The Licenses will be granted for One Year, commencing on the 1st July next, and renewable for the ensuing years in the months of May and June preceding, upon the application of the holder, in the same form and manner as for an original License; and any License not renewed by the first day of July in each year will be renewable only on payment of a double fee.

Such new Licenses as may be granted to persons desirous of depasturing subsequently to the 1st January in any year, will be chargeable with half the amount of the regulated fee, but will determine in like manner as other Licenses on the 30th June next ensuing. It is to be distinctly understood that no applicant for a License will be entitled to any benefit or protection from the same, until the fee for the current period be actually paid, and the License issued in his favor by the Colonial Treasurer, or Sub-Collector at Melbourne. The names of the persons so licensed will be published in the *Government Gazette* for the information and guidance of the Commissioners and other persons entrusted with the execution of the Act. Applicants will be held responsible for any omission of their Agents to take out the Licenses after their applications shall have been transmitted by the Commissioners to the Colonial Treasurer, or Sub-Collector, and will therefore be careful to cause them to be furnished with the necessary instructions accordingly.

Any improvement effected upon Crown Land depastured under the authority of a License will be at the risk of the party holding the same; as such Land, whenever it may be deemed expedient to extend the boundaries of location, will be liable to be put up to competition at public auction in the same manner as other unalienated Crown Lands.

Any Justice of the Peace has power to cancel such License, if the person holding the same be convicted on the oath of any one or more credible witness or witnesses of any felony, or of illegally selling fermented or spirituous liquors, or of wil-

fully harbouring any convict or felon illegally at large, or of any malicious injury committed upon or against any Aboriginal Native or other person, or of any other offence which shall actually endanger the peace and good order of any District, or tend to obstruct the due execution of this Act; subject however to a right of appeal to the nearest Court of Petty Sessions within one month. And the Superintendent, Overseer, Manager, or Servant, resident on any Station, will be subject to a penalty of a sum not less than Five nor more than Thirty Pounds, on conviction of any offence which would render a licensed person liable to have his or her License cancelled.

The Commissioners have also been instructed not to recommend the renewal of the License of any person who has not kept a sufficient number of Servants at his Station, or whose Servants have misbehaved in any way, or at whose Stations native women have been harboured, or where spirits in improper quantities are kept, or who have in any way infringed the Regulations of the Government, or where the Residents refuse to furnish the Commissioner with such particulars as he may require for the information of the Government in the due performance of his duties.

All persons who may be desirous of obtaining a License to depasture are required by the 6th clause of the Act to make a report on or before the 1st day of July next, to the Commissioner of the District, according to the Form C hereunto annexed, of all Stock kept upon the Lands occupied by him or her, with the names and descriptions and particular brands of the respective Proprietors, and to renew such report half-yearly in future, namely, on the 1st January and 1st July in each year.

In default of such Report being furnished, or in the event of false statements being given therein, the party will be subject, upon conviction in a summary way before any Justice, to a penalty of not less than Forty Shillings nor exceeding One Hundred Pounds. A similar return is to be made to the Commissioner immediately after any person shall occupy Lands by himself or his servants, and all changes of persons on the Establishment are to be communicated to him in writing, on all occasions when the Stations shall be visited by the Commissioner.

No person in future will be allowed to take up a new Station without having first obtained a License under these Regulations, and the permission of the Commissioner of the District, in order that he may previously ascertain that no encroachment will thereby be made upon any Station previously occupied, contrary to the established usage of the Colony, and no Station is to be transferred from the occupation of one licensed party to another without notice to that effect being first given to the Commissioner of the District.

Forms of Application necessary for the License are obtainable on application at this Office; at either of the Benches of Magistrates; or from the respective Commissioners; as well as of the Form of Return C to be made up previously to the 1st July next.

Respecting the boundaries of the several Districts, persons are referred to the Proclamation of this date.

All parties who have made application for a depasturing License during the present year, under

the former Regulations, will, of course, be required to renew the same in accordance with these Regulations.

By His Excellency's Command,
E. DEAS THOMSON.

LICENSES FOR CUTTING CEDAR OR OTHER TIMBER.

In pursuance of the Act of the Governor and Council passed in the second year of Her Majesty's Reign, intituled "*An Act further to restrain the unauthorised occupation of Crown Lands, and to provide the means of defraying the expenses of a Border Police,*" His Excellency the GOVERNOR directs it to be notified, with reference to the third clause of the Act, that from and after the 1st day of July next, any person who shall cut, saw, split, or remove Timber upon or from any of the vacant Crown Lands of the Colony, with the exceptions contained in the said clause, whether within or without the boundaries open to location without having a valid License for the same, will be liable to the penalties imposed by the said Act, namely, for the first offence, any sum not exceeding ten pounds, at the discretion of the Justice before whom the complaint shall be heard; for the second offence, twenty pounds; and for the third or any subsequent offence, fifty pounds; to be recovered in a summary way before any Justice of the Peace.

The License will be personal, and will entitle no one but the actual holder to any privilege whatsoever, nor will it be transferable.

Applications for Licenses to cut Timber within the boundaries of location (the district of Port Phillip excepted), are to be made in the form hereunto annexed, marked A, to the Petty Sessions of the District in which the applicant shall reside, or if there be no Petty Sessions, to the nearest Magistrate acting singly, who on being satisfied after due enquiry, of the eligibility of the applicant in point of character, will forward the same, or his certificate, in the form thereunto annexed, to the Colonial Treasurer in Sydney, who on the receipt thereof and payment of the fee will issue the License in the form marked B.

Applications for Licenses to cut Timber beyond the limits of location are also to be made in the form marked A, to the Commissioner of the District, who on being satisfied, after due enquiry, of the eligibility of the applicant in point of character, will in like manner forward them to the Colonial Treasurer in Sydney.

Applications for Licenses to cut Timber on Lands situated at *Port Phillip*, are to be made in like form and manner to the Commissioner of the District, who will transmit them to the Sub-Collector at Melbourne, who is to issue the License on payment of the fee.

The Magistrates and the Commissioners are particularly enjoined not to grant a certificate to any one unless satisfied of his being a proper person to be entrusted with a License, nor to recommend the renewal of the License of any person who may be guilty of wastefully destroying Timber, especially Cedar, or of any infraction of the provisions of the above recited Act of Council, 2 Victoria, No. 27, or of any regulation of the government for the peace and welfare of the District.

No person whatever is to be employed in cutting, sawing, splitting, or in any way removing Timber without a License, excepting the Proprietor, or Occupant under License, or Lessee of Crown Land, or his or her overseer or manager who may

cut such Timber as is ordinarily used, and as may be necessary and used for his or her domestic uses, for firebote, fencing, stockyards, or other conveniences for the enjoyment of the said Land. This, however, is not to prevent the crew of any vessel or boat in which the Timber is to be embarked from assisting in loading it.

Licenses may be granted to Apprentices or Assigned Servants, but in such cases the price of the License must be paid by the Master or Assignee,

All unlicensed persons cutting, sawing, splitting, or removing Timber, will be immediately proceeded against under the third clause of the Act, excepting as therein provided, and all Convict Servants found in any way engaged in cutting Timber with the knowledge of the Assignee, and without a License, will be withdrawn as well as all others who may be in his or her service.

The holder of a License will be required to have the same constantly with him, to be produced to the Commissioner or other competent authority whenever necessary.

The Licenses will be granted for one year, commencing on the 1st July next, and renewable for the ensuing years in the months of May and June preceding, upon application in the same form and manner as the original License, and any License not renewed by the first day of July will be renewable only on payment of the double fee. Such new Licenses as may be granted to persons desirous of cutting Timber subsequently to the 1st January in any year, will be chargeable with half the amount of the regulated fee, but will determine in like manner as other Licenses, on the 30th June next, ensuing.

Application for License for parts of the country beyond the limits of location, for which no Commissioner shall have been appointed, must be made to the Colonial Secretary for the Governor's approval.

The fee for each License will be Four Pounds for Cedar, and Two Pounds for other Timber.

By His Excellency's Command,
E. DEAS-THOMSON.

NOTICE is hereby given, that the following Claims for DEEDS of GRANT of LANDS and TOWN ALLOTMENTS will be ready for the examination of the Commissioners appointed for the purpose, under the Act of Council 5 William IV., No. 21, at the expiration of two months from this date; before which day any Caveat or Counter Claim must be entered at this Office. Due Notice will be given of the days appointed for the hearings.

Case No. 401—Thomas Wood, by his Attorney, C. H. Chambers, Esq.

Four and a half perches, in the County of Cumberland, parish of St. Phillip, town of Sydney, allotment No. 5, of section No. 76; bounded on the east by Cambridge-street bearing north 19 degrees west 63 links; on the north by allotment No. 7 bearing west 23 degrees 30 minutes south 45 links; on the west by allotments Nos. 6 and 4, bearing south 23 degrees east 63 links; and on the south by allotment No. 4, bearing east 23 degrees 30 minutes north 43 links.

The above description was advertised in the Gazette of 2nd March, 1839, page 273, with a view to the preparation of a Deed of Grant in the name of Thomas Granger, now deceased, who, it is alleged, has willed it to claimant.

Case No. 402.—Richard Jones, Esquire, M. C., of Sydney.

Fifteen hundred acres in the County of Northumberland, parish of Ovingham; bounded on the north by a line from the north-east corner of the Church and School Estate bearing east 80 chains; on the east by a line bearing south 187 chains 50 links; on the south by a line bearing west 80 chains to the Church and School Estate; and on the west by the Church and School Estate.

This land was located on an order of Governor Sir Thomas Brisbane's, dated 27th June, 1825, in favour of Edward Jones, now deceased, and the above description was advertised in the Gazette of 19th January, 1839, page 92, with a view to the preparation of a Deed of Grant in his name. It is now claimed by Richard Jones, as heir at law.

Case No. 403—Joseph Brown, of Hunter's River.

Two hundred acres, in the County of Northumberland, parish of Warkworth, commencing at the north-east corner on Hunter's River, and bounded on the east by a south line of 62 chains and 60 links; on the south by a west line of 30 chains; on the west by 76 chains of the east boundary line of Longford's grant bearing north to Hunter's River; and on the north by Hunter's River.

This land was located on an order of Governor Macquarie's dated 31st March, 1821, in favour No. 418. May 22, 1839.

of David Brown, now deceased. Claimant alleges that he holds as eldest son and heir at law.

Case No. 404—Abraham Johnston, of Bridge-end Factory, near Sydney.

Six hundred and forty acres, in the County of Northumberland, parish unnamed, at Mulbring; commencing at the north-west corner of Vincent's farm; and bounded on the east by its west boundary line bearing south by compass 80 chains; on the south by a west line by compass of 80 chains; on the west by a north line by compass of 80 chains; and on the north by an east line by compass of 80 chains to the north-west corner of Vincent's farm as aforesaid.

This land was located on an order of Governor Darling's, dated 15th September, 1820, in favour of Alexander Johnston, now deceased. Claimant alleges that he obtained the property from his elder brother, William, who was deceased's heir at law.

Case No. 405—Thomas Ryan and John Kellick, both of Sydney.

Eleven and a half perches in the County of Cumberland, parish of St. Phillip, town of Sydney, allotment No. 1 of section No. 88; bounded on the east by Cumberland-street bearing north 7 degrees 30 minutes east 75½ links; on the north by allotments Nos. 3 and 2 bearing west 10 degrees 30 minutes north 77½ links; then west 6 degrees 30 minutes north 20 links; on the west by Prince-street bearing south 9 degrees 30 minutes west 68 links; and on the south by Argyle-street bearing east 13 degrees 30 minutes south 27½ links; then south 9 degrees west 2½ links; then east 11 degrees 30 minutes south 75½ links.

The above description of this allotment was advertised in the Gazette of 16th March, 1839, page 325, with a view to the preparation of a Deed of Grant in the name of George Saunders, deceased, he having been found in possession. Claimants allege that the property belonged to Richard Campbell, deceased, who devised it to them on certain trusts, and that Saunders had only a life interest.

Case No. 406—Joseph Pashley, of Cumberland-street, Sydney.

Seven perches, in the County of Cumberland, parish of St. Phillip, town of Sydney, allotment No. 11 of section No. 73; bounded on the east by Cumberland-street bearing north 11 degrees east 51 links; on the north by allotment No. 12 bearing west 3 degrees north 30 links; then west 17 degrees north 62 links; on the west by allotments Nos. 9 and 10, bearing south 17 degrees west 47 links; and on the south by allotment No. 8, bearing east 17 degrees south 98 links.

The above description was advertised in the Gazette of 2nd February, 1839, page 155, with a view to the preparation of a Deed of Grant in the name of claimant for the grand-children of Michael Hancey, deceased. It is alleged that Hancey devised in trust to Pashley and Boulton for the benefit of Sarah and Hannah Hancey, and that Boulton is now deceased; and claimant is the surviving trustee.

Case No. 407—John Smith Papps, of Sydney, in favour of Jacob Josephson, of Sydney.

Elizabeth Ikin, widow, of Sydney, by her Attorney, C. H. Chambers, Esq. Thomas Bray and Edward M'Roberts, both of Sydney, by their Attorney, D. Chambers, Esq. Sixty-six perches, in the County of Cumberland, parish of St. James, town of Sydney, allotment No. 9 of section No. 39; bounded on the east by Elizabeth-street bearing north 4 degrees 15 minutes west 102½ links; on the north by No. 10 allotment bearing west 4 degrees south 60 links; again on the east by No. 10 allotment bearing north 3 degrees 30 minutes west 98½ links; again on the north by Hunter-street bearing west 1 degree 30 minutes south 181 links; on the west by Casloreagh-street bearing south 4 degrees east 200 links; and on the south by No. 8 allotment bearing east 1 degree 30 minutes north 241 links.

The above description was advertised in the Gazette of 11th June, 1834, page 379, with a view to the preparation of a Deed of Grant in favour of Alexander Aiken, instead of Ikin, who is now deceased. Papps claims a portion in Elizabeth-street, on the south, by Deed of Gift from him, and has sold to Josephson. Mrs. Ikin alleges that, as Elizabeth Cook, before her marriage, she bought the southern half of the allotment of Sarah Baker, who obtained from William Baker, who bought of Arnold Fisk, who bought of Mrs. Mary Lewis. M'Roberts and Bray claim the southern half also, and up to Hunter-street, and allege that Ikin bought of William M'Donald, and devised to them in trust. Thus one corner of the allotment remains unclaimed, but is stated by Papps to belong to one Davey.

By direction of the Commissioners,
JOHN THOMPSON,
Secretary

Court of Claims' Office,
Bent-street, May 20, 1839.
