COUNCIL.

HIS Excellency the GOVERNOR is pleased to direct, that the general objects of the following Bill, about to be brought under the consideration of the Legislative Council, be published for general information.

*By His Excellency's Command,
 E. DEAS THOMSON.*

" A Bill to enable the Proprietors of a certain Banking Company, carried on in the Town of Bathurst, in the Colony of New South Wales, under the name, style and firm of 'The Bathurst Bank,' to sue and be sued in the name of the President of the said Company, and for other purposes therein mentioned."

After recital of the formation of the Bank and its establishment at Bathurst, and the system upon which it is conducted; and that, as well for enabling the Bank to sue, as to afford an easy remedy to suitors against it, it is expedient to simplify proceedings at law, by enabling one Member of the said Bank to sue or be sued for the whole, which cannot be effected without the aid of the Legislature—It is proposed—

That all Actions or Suits, and all proceedings at Law, or in Equity, shall be in the name of the President.

That a Memorial of the name of the President for the time-being shall be recorded in the Supreme Court; and that no Action shall be brought till such Memorial is so recorded.

That the name of such President being used as Plaintiff shall not prevent his being a Witness.

That it shall be lawful for the Company to lend money upon the security of Real or Chattel Estates; and that all the Right, Title, &c., to such Estates, shall vest in the Directors immediately on payment of the mortgage money.

That it shall be lawful for the Company to sell Lands, &c., and that the monies arising from such sales shall be applied by the Directors for the purposes of such Company.

That Execution upon any Judgment may be issued against any Member of the Company, who shall have his remedy against the others.

That the proposed Act shall be valid at all times notwithstanding any change of the Members of the said Company.

That the Bank shall not be incorporated by the proposed Act.

That Bonds, Mortgages, and other Securities may be put in suit in the name of the President for the time-being, though such President be not named therein.

That Plaintiff shall not be nonsuited for want of proof of the Record of the Memorial.

That the President shall cause a list of the names of all the Members of the said Company to be recorded on oath in the office of the Registrar of the Supreme Court, and that all persons whose names are in the list so recorded shall be deemed to be Members of the said Company until a new list be made out, or notice given in the *Government Gazette*.

That nothing in the proposed Act shall affect the Rights of Her Majesty, &c.

That the proposed Act shall not take effect until the receipt in this Colony of the Royal Approbation, and that it shall then be deemed a Public Act.

*Colonial Secretary's Office,
 Sydney, 18th June, 1839.*
