By His Excellency Sir George Gipps, Knight, Captain-General and Governor-in-Chief of the Territory of New South Wales and its Dependencies, and Vice-Admiral of the same, &c. &c. &c.

**W**HEREAS, by an Act of the Governor with the Advice of the Legislative Council, passed in the present year of the reign of Her Majesty Queen VICTORIA, intituled, "An Act to establish Courts of Requests at the Towns of Melbourne and Port Macquarie, in the Colony of New South Wales," it is enacted, that Courts of Civil Jurisdiction, to be called Courts of Requests shall be holden at the Towns of Melbourne and Macquarie, in and for the said Towns and neighbourhoods, respectively, at such times as the Governor of the said Colony shall, by proclamation to be issued for that purpose, from time to time direct and appoint;—Now therefore, I, the Governor, in pursuance of the power and authority so vested in me, by the said recited Act, do hereby direct and appoint that the said Courts of Civil Jurisdiction, to be called Courts of Requests, shall be holden at the Town of Melbourne, in the County of Bourke, and at the Town of Macquarie, in the County of Macquarie, on the first Tuesday in every month, respectively.

COUNCIL.

**H**IS Excellency the GOVERNOR is pleased to direct, that the general objects of the following Bill, now under consideration of the Legislative Council, be published for general information.

By His Excellency's Command,  
**E. DEAS THOMSON.**

"A Bill to enable the Churchwardens of the Parish Church of Saint James, to build a new side wall thereto, at a less distance from the southern boundary line of King-street, than is allowed by law."

Whereas, by the Act 5 WILLIAM IV., No. 20, persons are prohibited from building nearer than twelve feet from the curb-stone or outer edge of the footways in the town of Sydney; and whereas, by reason of the increased population of the parish of Saint James, in the said town, the accommodation afforded by the said Parish Church of Saint James is found to be insufficient for the numbers of persons desirous of attending Divine Service therein, and it is desirable to extend the same by enlarging the Church. It is proposed, that it shall be lawful for the Churchwardens of the said Church duly appointed under the provisions of the Act 8 WILLIAM IV., No. 5, to build a new side wall to the said Church on the foundations of that part of the dwarf wall at present enclosing the same, which fronts the southern boundary line of King-street, in the said town, notwithstanding that the said dwarf wall be at no greater distance from the curb-stone or outer edge of the footway than nine feet.
