This claim was before the former Commission as Memorial No. 618, but as report was made, Hackett neglecting to prove his purchase from Quinn.

Case No. 604.—Thomas Hackett, of the Field of Mars, Parramatta.

Thirty acres, County of Cumberland, parish of the Field of Mars; commencing at the south east corner of Edward Quinn's farm; and bounded on the south by a line bearing west 20 degrees south 15 chains; on the west by a line north 20 degrees west 21 chains, on the north by a line north 70 degrees east 15 chains; and on the east by a line south 20 degrees east 21 chains to the south east corner of Edward Quinn's land as aforesaid.

On the 4th March, 1811, Governor Macquarie issued an order for 30 acres for William Wright, which were selected at Hunter's Hill, and a Deed of Grant thereof was obtained. This Deed it would appear, from the Surveyor General's records passed to Quinn and then to Sherwin, who surrendered it to the Crown to make it an 800 acre farm; but Hackett alleges, that he surrendered the Deed to Mr. Surveyor Mehan on condition of receiving the land in question. This claim was before the former Commission as Memorial No. 794 but no report was made, Hackett neglecting to explain the surrender by Sherwin or to prove his purchase from Quinn.

By direction of the Commissioners,  
JOHN THOMPSON,  
Secretary.
