The QUEEN'S Most Excellent Majesty in Council.

Whereas by an Act, passed in the Session of Parliament, holden in the and third fourth years of the reign of His late Majesty King William the Fourth, intituled "*An Act to regulate the trade of the British Possessions abroad*," it was amongst other things enacted, that no goods should be imported into, nor should any goods, except the produce of the fisheries in British ships, be exported from any of the British possessions in America by sea, from or to any place other than the United Kingdom, or some other of such possessions, excepting to or from the several ports in such possessions called free ports, enumerated or described in the table in the said Act contained; and it was thereby further enacted, that if any goods should be imported into any port or place in any of the said possessions, contrary to the said Act, such goods should be forfeited; and it was thereby provided, that if His Majesty should deem it expedient to extend the provisions of the said Act to any port or ports, not enumerated in the said table, it should be lawful for His Majesty, by Order in Council, to extend the provisions of the said Act to such port or ports, and that from and after the day mentioned in such Order in Council all the privileges and advantages of the said Act, and all the provisions, penalties, and forfeitures, therein contained, subject, nevertheless to the limitations and restrictions thereafter provided, should extend and be deemed and construed to extend, to any such port or ports respectively, as fully as if the same had been inserted and enumerated in the said table at the time of passing the said Act. Six hundred and forty acres, County of Durham, parish unnamed, at Dungog, commencing on the William's River, and bounded on the south by a west line of 96 chains and 30 links; on the west by a north line of 80 chains; on the north by an east line of 86 chains to William's River; on the east by William's River downwards to the eastern extremity of the southern boundary.

*This land was located on an order of Governor Darling's, dated 26th September, 1829, in favor of Edgar Hyland, who, it would appear, sold it to one John Brown, now deceased, whose representatives are to show to whom a Deed of Grant should now issue. The above description was inserted in the Gazette Notice of January 19, 1839, page 91, in the name of the promisee.*

Case No. 748.—Mary Hoadley, of Kent-street, Sydney, widow.

*This allotment was advertised preparatory to the making out of a Deed of Grant in the Gazette Notice of 13th April, 1839, page 438, in the name of Mary White, which is a mistake. Mary Hoadley, it is alleged, being the name of the party in possession, who purchased twenty years ago of one John Lester, now deceased.*

Case No. 749.—Timothy Ragan and Mary, his wife, of , and Judith Mocklar, by their Attorney, E. D. O'Reilly, Esq., in opposition to Hannah Mocklar, now Webb, on behalf of Richard Webb, by her Attornies, Messrs. Unwin and Want.

*This allotment was leased by Sir Thomas Brisbane for 21 years, from the 30th June, 1823, to Hannah Mocklar, who, it is alleged, obtained the case improperly as the widow of Mathew Mocklar, who had purchased of one John Delany. Ragan and wife, and Judith Mocklar claim as his children. The Deeds demanded on proof of the expenditure of £1000 in building as provided for by a clause in the case.*

Case No. 750.—Robert Futter, of Bungonia, Representatives of,

Sixty acres, County of Cumberland, and Parish of St. George, bounded on the north by the 80 acres, belonging to A. B. Spark, commencing at the Swamp, and extending to the south-east corner; then by a line to include the area.

*This selection was authorised to the late Mr. Futter, on the 13th April 1839, being in lieu of land at Cobbity, of which two Deeds had issued in favor of one William Marson, and of the last of which Mr. Futter had become the purchaser. His Representatives are to shew to whom a deed of grant should issue when the land is measured and described.*

Case No. 751.—Henry Boucher Bowerman, of the Field of Mars, Representatives of

Twenty-three acres, two roods, and six perches, County of Grant, Parish of Moorpanyal, portion No. 2 of section No. 5, bounded on the north by a road bearing east 10 chains; on the east by portion No. 1 bearing south 22 chains 61 links; on the south by the Barwon River; and on the west by a line bearing north 24 chains 50 links.

*This land was purchased by Mr. Bowerman, as Lot 32 of the Sale of 3rd October, 1839, at Melbourne, for the sum of £282 9s. His Representatives are to shew to whom the Deed of Grant should now issue.*
