CONDITIONS.

All the articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial wheat, from which, on the Ration of Emigrants, Surveying and Mounted Police Parties, Superintendent and Crew of the Floating Light, Men at the Light-house, Boatmen, and the Orphan Schools, 20 per cent., and on the Ration to Prisoners of the Crown 10 per cent. has been extracted in Bran and Waste.

Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and, when the quantity admits of it, this, as well as the Convict Ration of Beef, to be deliverable in fore and hind quarters alternately.

Beef to be issued to the Orphan Schools on five days, and Mutton on two days of the week.

The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

When it may be necessary to substitute one article for another, the following proportions are to be observed, viz.—1 lb. wheat flour or 1 lb. biscuit, equal $1\frac{1}{4}$ of bread; 1 lb. salt beef or 1 lb. mutton, or 10oz. salt pork, equal to 1 lb. of fresh beef.

These substitutions are not to be made except on the requisition of the officer authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children

of the Female Orphan School, when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c. &c.

The supplies for Road and other Parties are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned:—The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

The Supplies (not specified in the preceding paragraph) are to be delivered direct to the Parties or Establishments entitled thereto, on the written order of the person duly authorised for the purpose.

Separate Tenders will be required for the Forage in the District of Sydney; but the other supplies for that district are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Orphan Schools and the Lunatic Asylum, are intended to be included in one Contract; and therefore no Tenders can be received unless for supplying the whole that may be required in the entire of a District, and to each District there must be a separate Tender.

Separate Tenders to be made for each of the Orphan Schools, and for the Lunatic Asylum.

Provisions and Forage being required by Rations, according to the scales under their respective heads, the Tenders are required to express the price per ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one half of the allowance fixed for Horses will be drawn, and one half the price allowed to the Contractor, whose engagement is to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, according to the practice of the service. But in country districts where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who in the event of the arbitrators not agreeing in opinion will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay or failure of the Contractor to supply the articles when required, they will be otherwise procured in like manner.

In cases where the article is of a perishable nature, or from some other cause injury would be sustained either by the parties to whom the Rations are due, or to the Contractor, by waiting for a

Board of Survey, the head of the department, or officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article and supply good in its stead.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will subject the Contractor, upon the report of the officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract.

It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period.

The Contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state, to the officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed Forms of Tender may be obtained at this Office, from the Police Magistrates of the several Districts; and as adequate security will be required for the due fulfilment of the Contract, no Tender can be attended to unless accompanied by a certificate from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly, and the bonds must be executed within ten days from the day of acceptance of the Tender being notified, failing of which the Contracts will be again advertised, or another Tender accepted.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

All Tenders to be enclosed in a separate envelope, and marked "*Tender for Provisions, &c.*"

Further particulars and information may be obtained on application at this office.

The Parties tendering, or an Agent for them, are requested to attend at this Office, at the time appointed for receiving the Tenders.

By His Excellency's Command,

E. DEAS THOMSON.

Court of Claims Office, }
 Bent St. 5th Sept. 1840. }

COURT OF CLAIMS.

NOTICE is hereby given that the following Claims for DEEDS OF GRANT OF LAND AND TOWN ALLOTMENTS, will be ready for the examination of the Commissioners appointed for the purpose, under the Act of Council, 5 William IV., No. 21, at the expiration of two months from this date; before which day any Caveat or Counter Claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

Case No. 752.—Miss—Wright, by her father William Wright, of Sydney, Merchant.

Three and a-half perches, County of Cumberland, Town of Sydney, parish of St. Philip, allotment No. 13 of section No. 74; bounded on the east by allotment No. 14, bearing north 9 degrees 30 minutes, east 81½ links; on the north by allotment No. 15, bearing west 3 degrees, north 30½ links; on the west by allotments Nos. 11 and 12, bearing south 8 degrees, west 77½ links; and on the south by Long's Lane, bearing east 11 degrees 30 minutes, south 28½ links.

The above description was inserted under the head of "Claimant Unknown," in the Gazette Notice of 19th January, 1839, page 89, preparatory to the making out of a Deed of Grant, but no one came forward to claim it. It has now been ascertained that it was devised to Claimant by the late—Wright.

Case No. 753.—Joseph Settree, of Sydney, in opposition to Frederick William Reece, of

Sixty acres, County of Northumberland, parish unnamed, at Brisbane Water; bounded on the east by a line commencing on Brisbane Water, north 20 chains; on the north by Brisbane Water; on the west by a line south 28 chains; and on the south by Brisbane Water.

This land was located on an order of Governor Darling, which was confirmed by Sir Richard

Burke, on 6th February, 1832, in favour of Joseph Settree, who claims the Deed of Grant, and denies that Reece, who has also claimed it, has any right so to do. The description was inserted in the Gazette Notice of 30th November, 1839, page 1357, in the name of the promisee.

Case No. 754.—Joseph Nobbs, of York-street, Sydney.

Sixty acres, County of Cumberland, parish of St. George; bounded on the north, east, and west by Cook's River; on the west by a line south 8 chains, commencing at a Gully; and on the south side by a line east 30 chains to a Mangrove Island in Cook's River.

This land was located on an order of Governor Macquarie, dated 4th July, 1814, in favour of George Tyrrell, now deceased, who, it is alleged, sold to Claimant. The description was inserted in the Gazette Notice of 14th October, 1831, as No. 1, parish of St. George; and it was referred to the first Commissioner, on 24th December, 1833, but as no memorial was filed, nothing was done.

Case No. 755.—Benevolent Asylum, Trustees of, opposed by George Brown.

Ten perches, in the County of Cumberland, Town of Sydney, parish of St. Andrew; allotment No. 20 of section No. 23; bounded on the east by No. 5 allotment, bearing north 12 degrees, west 59 links; on the north by No. 19 allotment, bearing west 15 degrees 15 minutes, south 105 links; on the west by Kent-street, bearing south 15 degrees, east 59 links; and on the south by No. 21 allotment, bearing east 15 degrees 30 minutes, north 102 links.

The above description was inserted in the Gazette Notice of 3rd June, 1834, page 349, preparatory to the making out of a Deed of Grant for the Benevolent Asylum. By memorial No. 655 preferred to the former Commission, it was claimed by George Brown, of Woolongong, as having originally belonged to one Michael Ryan or Joyce, but the memorial was withdrawn.

Case No. 756.—Thomas Rose, of Appin, Representatives of

One rood four perches, County of Cumberland, Town of Sydney, parish of St. James; allotment No. 4 of section No. 311; bounded on the south by allotment No. 2, bearing east 45 minutes, north 1 chain 24 links, then by the same and No. 3 allotment, bearing east 2 degrees 15 minutes, north 122½ links; on the east by Elizabeth-street, bearing north 3 degrees 30 minutes, west 1 chain 17 links; on the north by No. 5 Government Reserve, bearing west 3 degrees 30 minutes, south 2 chains 47 links; on the west by Castlereagh-street, bearing south 4 degrees, east 1 chain 8½ links.

By memorial No 791, preferred to the former commission, Thomas Rose claimed a Deed of Grant of this allotment, and the Commissioners decided upon his being entitled thereto. Subsequently, however, in consequence of Rose holding under an unexpired lease of Sir Thomas Brisbane's, for 21 years from 30th June, 1823, he declined pressing for the grant. He is now deceased, and his Representatives are to shew to whom a Deed of Grant should issue.

Case No. 757.—Thomas Bray and Edward M'Roberts, both of Sydney, and John Roby Hatfield, of the Surry Hills.

Twenty-five perches, county of Cumberland,

town of Sydney, parish of St. Philip, allotment No. 5, of section No. 53; bounded on the east by Clarence-street, bearing north 14 degrees, 30 minutes, west 64 links; on the north by allotment No. 6, bearing west 15 degrees, 15 minutes, south 235 links; on the west by Kent-street, bearing south 15 degrees, east 64 links; and on the south by allotment No. 4, bearing east 15 degrees, 15 minutes, north 234½ links.

The above description was inserted in the Gazette notice, of 15th September, 1835, page 649, preparatory to the making out of a Deed of Grant, in the name of Alexander Ikin, who was found in possession. Ikin is now deceased, and has, it appears, devised a portion thereof, fronting Kent-street, to trustees, Bray and M'Roberts; and by deed of gift, made over the other portion fronting Clarence-street, to John Roby Hatfield. Ikin, it is alleged, had been in possession for twenty years.

Case No. 758.—Augustus Cæsar, of York-street, Sydney, and Margaret Cæsar.

Twenty-nine perches, County of Cumberland, Town of Sydney, parish of St. Andrew; allotment No. 8 of section No. 27; bounded on the east by York-street, bearing north 15 degrees 30 minutes, west 85 links; on the north by No. 9 allotment, bearing west 17 degrees 30 minutes, south 272½ links; on the west by Clarence-street, bearing south 15 degrees 15 minutes, east 32½ links; again by a line bearing south 17 degrees, east 48½ links; and on the south by Nos. 5 and 7 allotments, bearing east 15 degrees, north 90 links; again by a line east 17 degrees, north 41½ links; and again by a line east 17 degrees 15 minutes, north 140 links.

The above description was inserted in the Gazette Notice of 10th of June, 1834, page 374, preparatory to the making out of a Deed of Grant in the name of Augustus Cæsar, who was found in possession. It appears, however, that the allotment has been conveyed to Henry Ashly, as a trustee to the uses of a certain Indenture, giving Mrs. Cæsar a life interest in the allotment.

Case No. 759.—John Brown, of Philip Street, Sydney, representative of

Fourteen perches, county of Cumberland, Town of Sydney, parish of St. James, allotment No. 8, of section No. 43; bounded on the south by Hunter-street, bearing east 1 degree, south 85 links; on the east by Philip-street, bearing north 3 degrees, west 109 links; on the north by allotment No. 9, bearing west 1 degree, 15 minutes, south 77½ links; on the west by allotment No. 7, bearing south 30 degrees, west 105 links.

The above description was inserted in the Gazette notice of 13th April, 1839, page 437; and, previously, on the 18th June, 1834, page 405, preparatory to the making out of a Deed of Grant, in the name of John Brown, who was found in possession. His representatives are to shew to whom a Deed of Grant should now issue.

Case No. 760.—Henry Boucher Bowerman, of the Field of Mars, Parramatta, representatives of

Sixteen perches, County of Cumberland, Town of Sydney, parish of St. Lawrence, allotment No. 8, of section No. 19; bounded on the west by Kent-street, bearing south 14 degrees 30 minutes, east 61 links; on the south by No. 1 allotment bearing east 15 degrees 30 minutes, north 144

links; on the east by No. 2 allotment, bearing north 2 degrees 45 minutes, west 61 links; and on the north by No. 7 allotment, bearing west 15 degrees 30 minutes, south 145 links.

The above description was inserted in the Gazette notice of 13th April, 1839, page 431; and previously on the 6th January, 1832, preparatory to the making out of a Deed of Grant, in the name of H. B. Bowerman, who, it is supposed, has perished at sea. His representatives are to shew to whom a Deed of Grant should now issue.
