PUBLIC ACCOUNTS.

ALL Persons having claims on the Colonial Treasury are requested to furnish their accounts, through the proper channel, before the end of the year, or as soon thereafter as practicable.

The several Collectors and Officers in the receipt of public monies will pay over to the Colonial Treasurer, on or before the 31st December next, the amount of all collections remaining in their hands, respectively, up to that date, so that the entire revenue collected by each may be credited in the accounts of the year within which it was received. The Heads of Departments and other Officers who have received advances to enable them to defray expenses incurred under their superintendence, are requested to furnish to the Audit Office, as far as practicable, and with all convenient dispatch, the accounts of the expenditure thereof, and on or before the last day of next month to pay into the Colonial Treasury, the unexpended balance of such advances, that the adjustment of the same may appear in the accounts to the 31st proximo.

They will also, as soon as practicable after the close of the year, bring forward all accounts of expenses incurred within the same, which do not admit of being previously settled, so that, if possible, all the expenses incurred in the present year may be finally adjusted and liquidated within one month after its termination.

The Colonial Treasurer is requested to use his endeavours to give effect to these directions, and to report through the proper channel, for the information of His Excellency the GOVERNOR, any instance of neglect in complying therewith, on the part of the Public Officers concerned.

By His Excellency's Command,  
E. DEAS THOMSON.

Due notice will be given of the days appointed for the hearings.

Case No. 814.—John Johnson Cory, Representatives of

Eight hundred and forty acres, county of Brisbane, parish unnamed on Page's River; bounded on the west by a line south 140 chains, commencing on Page's River at the north west corner about 22 chains, west of John Ouge's grant; on the south by a line east 80 chains; on the east by a line north 61 chains to Page's River; and on the north by that river to the north west corner aforesaid.

This land was obtained by the late Mr. Cory, at the Crown Sale of 11th November, 1835, partly on his remission as a Lieutenant of the Navy, and partly by purchase. His Representatives are to shew to whom the Deed of Grant should issue.

Case No. 815.—John Terry Hughes, of Sydney, Merchant.

One thousand two hundred and eighty acres, county of Durham, Parish of Fingal; bounded on the south by 114 chains of the north

boundary line of William Evans's 1000 acres additional grant bearing east; on the east by a north line of 80 chains; on the north by 201 chains of the south boundary line of John M'Intyre's grant bearing west to the Allyn River; and on the west by the Allyn River downwards to the north-west corner of Wm. Evans's additional grant.

This land was located on an order of Governor Darling's, dated 22nd January 1830, in favor of Miss Mary Tarny, afterwards Mrs. E. Bourke, who is now deceased; but who it is alleged sold to claimant.

Case No. 816.—John Terry Hughes, of Sydney, Merchant.

This allotment was located on an order of Governor Darling's dated 12th of August 1831, in favour of Hugh M'Kay, who cannot be found, but who it is alleged, sold to the claimant.

Case No. 817—Marsh, of

Two roods, twenty-seven perches, county of Cumberland, parish of the Field of Mars, town of Paramatta, allotment No.—of Section No. 28; bounded on the north east by the Windsor road north 37 degrees west 260 links; on the north west by a line south 53 degrees, west 263 links; on the south west by a line south 37 degrees east 248 links; and on the south east by a line north 53 degrees east 268 links.

This is a double allotment.—The northern half, it is alleged, was promised to William Carter, and the southern half was purchased by him, but from whom it does not appear. The above description of the whole was inserted in the Gazette notice of the 12th of January 1832, with a view to the preparation of a Deed of Grant for Carter, who, it is alleged, has since sold to Thomas Horton James, and he to Mr Marsh, from whom it is supposed it has passed into other hands, who are requested to prove their title.

Case No. 818.—John M'Governine, Representatives of

The above description was inserted in the Gazette notice of the 12th January 1832, preparatory to the making out of a Deed of Grant for Benjamin Rutty, now deceased, who was found in possession. He, it appears, sold to the late John M'Governine, who devised his property in trust to his widow, who married one Green, and she is now deceased. Part of the allotment was leased to Rutty by Sir Thomas Brisbane,—the remainder is an encroachment, which he was allowed to retain.

Case No. 819—Rowland Fairweather, of as Trustee, by his attorney, G. R. Nichols, Esq.

The Deed of Grant will be given on the parties consenting to pay a fine equal to 21 years Quit-rent.*
