HER MAJESTY, having taken into consideration the late injurious proceedings of certain Officers of the EMPEROR OF CHINA towards Officers and subjects of Her Majesty, and Her Majesty having given orders that satisfaction and reparation for the same shall be demanded from the Chinese Government, and it being expedient that, with a view to obtain such satisfaction and reparation, ships, and vessels, and cargoes, belonging to the Emperor of China, and to his subjects, shall be detained, and held in custody, and that if such reparation and satisfaction be refused by the Chinese Government, the ships, and vessels, and cargoes, so detained, and others to be thereafter detained, shall be confiscated and sold; and that the proceeds thereof shall be applied in such Manner as Her Majesty shall be pleased to direct.

ASSIGNMENT OF FEMALE CONVICTS.

GREAT inconvenience to the Government having been found to arise from the unrestricted manner in which Female Convicts are now assigned, and great evil to the women themselves, from their frequent change of service, especially in Sydney; His Excellency the Governor directs it to be notified, that the following Regulations will be adopted from the 1st of December next, viz:—

1st.—No woman returned to the Factory from service in Sydney, Parramatta, Windsor, Liverpool, Maitland, Newcastle or Macquarie, is to be re-assigned in the same town, within the period of six months; and if returned to the Factory a second time from the same town, she will never again be assigned in it.

2nd.—The charge on the assignment of a woman, whether from a Ship or from the Factory, will be in future as follows:—

In Sydney, ten shillings.

In Country Towns, five shillings.

In Country Districts, at least two miles distant from any Town, nil.

3rd.—When women are returned to the Factory by order of a Magistrate, no charge for their return will be made to their Assignees; but if returned to the Factory merely because their services are no longer required, the expense of their return will be payable by the Assignees, and the sum charged for the journey from Sydney to Parramatta will be five shillings, as at present.

4th.—Applications for the assignment of women will continue to be made in Country Districts as at present, but in Sydney and in the towns herebefore named, all applications are to be sent to the Clerk of the Bench, recommended by at least one clergyman.

The recommendation of a Magistrate hitherto required will no longer be necessary, as all applications sent to the Clerk of the Bench will be submitted by him to the Bench of Magistrates, and no assignment will be made unless recommended by the Bench.

In cases where the applicants are themselves either Clergymen, Magistrates, or Officers of Government, the recommendation of a Clergyman may be dispensed with.

5th.—Assignments from the Factory at Parramatta will continue to be made, as at present, on Mondays only.

6th.—Transfers of women may continue to be made as at present, but the Magistrates who sanction such transfers are required to report them without delay to the Principal Superintendent of Convicts.

E. DEAS THOMSON.*
