By His Excellency's Command,

Commissariat Office,  
Sydney, November 2, 1841.

**N**OTICE is hereby given, that the Contractors for the supply of Provisions, Forage, &c., for the Military and Convict Service, in the Districts of Liverpool, Campbelltown, and Bathurst, having given the stipulated Notice to terminate their Contracts for the current year on the 31st December next, Tenders will be received at this Office, until Monday, the 29th instant, at Noon, for furnishing the said supplies, from the 1st of January to 31st March, 1842, inclusive, under the terms and conditions originally published by me for the purpose, by Advertisement, dated 1st January, 1841, and inserted in the Government Gazette of the 5th of that month, pages 7, 8, and 9, the particulars of which, with printed Forms of Tender, may be had by application at this Office.

W. MILLER, Dep. Com. Gen.

Agent's Office, 2, Wentworth Place,  
Sydney, October 18th, 1841.

**N**OTICE is hereby given, that on TUESDAY, the 18th day of January next, the following LANDS, forming a portion of the Estates belonging to the late Church and School Corporation, will be put up to Public Auction, at the rear of the Colonial Treasury, on Leases for Twenty-one years, at an annual rental; the Sale to Commence at Twelve o'Clock precisely.

The following is the plan upon which these Lands will be offered for Public Competition:—

Leases to be granted for Twenty-one years, with the option to the Tenant to determine it at the expiration of the first or second term of seven years, on giving six months notice of his intention to the Agent.

The biddings at the time of Auction to refer

only to the rental for the first term of seven years; the rental for the second and third terms to be increased in the following ratio:—If 4d. per acre is offered for the first term of seven years, the rental for the second term will be 6d., and the third term 8d. per acre per annum.

The Lease will not contain any clause to prevent assigning or under-letting, but the under tenants will in no way be recognized by the Government, and the original Lessee always held responsible for the due payment of the rent.

The usual reservations regarding the right of making roads, constructing bridges, &c., will be introduced, but the reservation will not extend to Timber which the Tenant will be allowed to cut.

Any Lands not bid for at the time of Auction, will be left open for the selection of future applicants; in such cases the Government will not bind themselves to accept the minimum price, but any offers made will be submitted by the Agent for approval.

The rent will be required to be paid in advance; 25 per cent. deposit on the first year's rental, to be paid to the Agent at the time of Sale, and the residue within one month.

The rent for the remainder of the term, when the amount is above £30, to be paid half yearly in advance; below this amount, yearly.

The biddings will be upon the rent per acre; the upset rent per acre being fixed in each case by the Government.

Lithographic Plans of the Estates in question will be forwarded to parties applying for the same by letter to the Agent, of whom also further particulars may be obtained.
