ALL Persons having claims on the Colonial Treasury are requested to furnish their accounts, through the proper channel, before the end of the year, or as soon thereafter as practicable.

The several Collectors and Officers in the receipt of public monies will pay over to the Colonial Treasurer, on or before the 31st December next, the amount of all collections remaining in their hands, respectively, up to that date, so that the entire revenue collected by each may be credited in the accounts of the year within which it was received.
