Due notice will be given of the days appointed for the Hearings.

Case No. 902—Robert Campbell, sen., of Sydney, merchant, and William Walker, of Wallerawang, gentleman, representatives of Edward Riley, deceased. Also, George Riley, of Sydney, by his Attorney, G. R. Nichols, Esq.

Three thousand and thirty acres, County of Camden, parish unnamed, at *Mittagong*; bounded on the east by a line bearing north 17 degrees west to the south-east corner of William Christie's farm, commencing at the north-east corner of Goleidge farm, by that and Cutter's farm, bearing south 73 degrees, west 75 chains; and north 17 degrees west to the Argyle Road, to the boundary of the Town Land; on the south-west by a line bearing south 36 degrees east, being the bearing of the township boundary to the Wingecarribbe River; and on the south by that River and Goleidge's farm, bearing north 73 degrees east to Goleidge's north-east corner.

This land, called the Bloomfield Estate, was located on an order of Governor Macquarie's, for 1500 acres, dated 31st March, 1821, in favour of Edward Riley, now deceased, who obtained the other 1530 acres as compensation for land at Hobart Town, given up to the Crown, the which, it is alleged, was the joint property of Edward

and George Riley. Edward is deceased, and George claims in right of survivorship. Edward also took the 1500 acres as heir at law. The nomination of a common Trustee is required.

Case No. 903.—Francis Fisher, of New Zealand.

Two thousand acres, County of Durham, parish of Russell; bounded on the north by the south boundary line of Thomas Potter Macqueen's 10,000 acres reserve, bearing east 218 chains, commencing at the River Hunter; on the east by a line south 80 chains; on the south by a line west 245 chains to the marked line of road; and on the west by that road to the River Hunter, and then by that River to the point of commencement.

This land was purchased in pursuance of an authority issued by Governor Darling on the 14th August, 1829, in favour of Thomas Potter Macqueen, and has been conveyed to Mr. Fisher, in trust, to sell.

This description was inserted in the Gazette notice of 12th January, 1832, preparatory to the making out of a deed of grant in favour of John Bevan who was found in possession, but who, it would appear, has subsequently sold portions thereof to Maria Fellows. Part of the allotment is a lease to Bevan. The nomination of a common Trustee will be necessary.

According to the original map of Liverpool signed by Governor Macquarie, this allotment was located to Stephen Hunter. On Mr. Moore's, and the present maps, it is charted to Stephen Burcher, now deceased. Mrs. Burcher alleges that it was given to her late husband by Mr. Moore, and suggests that Hunter is a clerical error.

ever alleges, that it never was Nelson's, but that it originally belonged to one Gillespie, from whom it passed respectively to Matthew Pear, James Grady, and to claimant, who gave a part to his daughter, retaining for himself the present allotment, which is charted to him on the present maps.

Case No. 907.—William Tristram, of Liverpool.
