Duties on Spirits Imported	25011	4 4	19000	19 0	6011	5 4			5928	5 4	<p>In the quarter ending 31st March, 1840, the rates of Duty on Spirits were as follows:— On Spirits distilled in the Colony 4s. 6d. On Imported West India Rum, and British Spirits, 7s. 9d. 6-10. On all Foreign Brandy, Gin, and other Spirits 10s. 2d. 4-10. In the quarter ending 31st March, 1841, these Rates were respectively 6s. 6d., 9s. and 12s. per gallon. The diminution in the quantities of Spirits on which Duties were paid in the quarter ended 31st March, 1841, compared with the corresponding quarter of 1840, is accounted for in great part by the unusually large quantities of Spirits distilled in the Colony, taken out of Bond in the month of March, and of Imported Spirits in the month of September, 1840, to evade the increased Rates of duties which came into operation in respect of the former from 1st April, and of the latter from 1st October of that year.</p>
