On imported West India Rum, and British Spirits, 7s. 9d. 6-10. On all Foreign Brandy, Gin, and other Spirits, 10s. 2d. 4-10 In the quarter ending 31st March, 1841, these Rates were respectively, 6s. 6d., 9s. and 12s. per gallon. The diminution in the quantities of Spirits on which Duties were paid in the quarter ended 31st March, 1841, compared with the corresponding quarter of 1840, is accounted for in great part by the unusually large quantities of Spirits distilled in the Colony, taken out of Bond in the month of March, and of Imported Spirits in the month of September, 1840, to avoid the increased Rates of duties which came into operation in respect of the former from 1st April, and of the latter from 1st October of that year.
