LAND.—PORT PHILLIP.

WITH reference to the Government Notice dated the 5th of December last, respecting the disposal of Crown Lands, His Excellency the GOVERNOR has been pleased to make the following Regulations for the Sale of Land in the Southern or PORT PHILLIP District, viz :—

1. All Lands hitherto advertised at any time for sale by Auction in the Port Phillip District, at an upset price not exceeding twenty shillings an acre, and which are at present unsold, will, on and after the 1st day of March next, be open to selection at the fixed price of twenty shillings an acre, in the manner hereinafter described.

2. Persons wishing to select Land must previously pay to the Sub-Treasurer at Melbourne any number of Pounds Sterling, not less than the number of acres which they intend to select; for which they will obtain receipts from the Sub-Treasurer. Such receipts will be dated and numbered in the order in which they are given, and will entitle the holder to priority in the selection of Land, as is hereinafter explained.

3. The holder of a Land Receipt when he wishes to make a selection of Land, must deliver the same at the Land Office, at Melbourne, or other Office to be appointed by His Honor the Superintendent of Port Phillip. No selection of Land will be entertained unless accompanied by such receipt.

4. All selections must be entered by sealed Tender, by filling up a printed form, which will be supplied at the Land Office. A separate Tender must be sent in for each Lot as advertised, and the Lot must be described in the same way as it has been previously described in the advertisement. The Tender must be endorsed "Selection of Land," and addressed to the Senior Surveyor, resident at Melbourne, and deposited at the Land Office in a box, (which will be provided for that purpose,) between the hours of eleven o'clock and three o'clock daily, (Sundays excepted.) The Tenders will be opened at the latter hour precisely, in the presence of a Board, which, for the present will consist of the Senior Surveyor, resident in the district, the Sub-Treasurer and the Police Magistrate of Melbourne, or in the absence of any of them, of such other Members as may be appointed by his Honor the Superintendent. The Board will make an immediate report to the Superintendent upon each Tender received, and upon his Honor's approval thereof, or otherwise, the selection will be either confirmed or disallowed, and the party apprised accordingly.

5. Each Tender must contain the Christian and Surnames at full length, and the residence of the party in whose favor the Deed of Grant conveying the Land is to be made out, in which no alteration will be subsequently allowed. It is also distinctly to be understood, that no selection once approved as in conformity to the Regulations, will, under any pretence, be allowed to be changed.

6. The Deeds of Grant will be made out as soon as practicable, and when executed by His Excellency the Governor, and recorded in the proper  
No. 6. JANUARY 22, 1841.—2

Offices, will be transmitted for delivery at the Land Office at Melbourne, of which Notice will be given in the *Government Gazette*, and the local newspapers.

7. The Lot or Lots selected may contain a less number of acres than the number of pounds stated in the Land receipt, but must never contain more.

8. If the number of acres selected be less than the number of Pounds stated in the Land receipt, the difference or balance will remain as a credit at the Land Office in favor of the Holder of the receipt; and in such case the receipt will be returned to the Holder, with an endorsement, specifying the extent to which it has been used.

9. In the event of two or more selections of the same Lot of Land being made on the same day the person whose Land Receipt may bear a priority of date and number, will be entitled to the Lot; but if the selections be not made on the same day, priority of selection alone will be considered, without regard to priority in the date or number of the Land Receipts.

10. Two or more Land receipts may be tendered in satisfaction of the same selection; but in such case if any question arise as to priority of selection, such question shall be decided according to the date of the last of the receipts so tendered.

11. Land Receipts will be transferable; but they must be transferred by *endorsement* as in bills of Exchange. The last person to whom any receipt may be endorsed, will be considered the Holder of it, and it will be received at the Land Office from him only.

12. Any person holding one or more Land receipts wishing to delay his right of selection may do so indefinitely; provided that the selection when made shall be in conformity in all respects with the Regulations at such time in force, including the then price of Land.

13. Land receipts granted in England, will be considered to bear date next after any that may have been granted in the Colony on the same day, without reference to the time at which the holders of them may arrive in the Colony.

14. No portion whatsoever of the Money paid on account of Land, will under any circumstances be returned.

15. Additional lands will from time to time, be advertised as open to selection, a notice of at least three months being always given, as is the practice when Lands are sold by Auction.

16. Lists of the lands open to selection and maps of the same will be exhibited at the Land Office, and they will also be sold at a reasonable price.

17. Lists of Lands sold will also be hung up at the Land Office, in order that it may be known that such Lands are no longer open to selection; and a similar intimation will be made to the public in the *Government Gazette*, or the local newspapers.

18. Retired Officers entitled to remission in the purchase of land, will be allowed a priority of selection according to the date of the Certificate, granted under the regulations applicable to them. Such Certificates will be considered to take effect next after the Land receipts dated the same day, whether granted in the Colony or in the United

Kingdom. If a land receipt be also tendered in satisfaction of the same selection, the latest date of either must be taken in deciding on the priority of selection, if otherwise claimed.

I. That on Friday, the 26th, and Saturday, the 27th March, being the last days of the first Term, the Court do sit *in Banco*, whether the Cause paper be then disposed of or not; and that no cause be set down for trial after the 23rd March.
