And I further proclaim and appoint, that the said Southern Circuit District shall consist of all parts of the said Colony, comprehended within the Counties of Camden, Argyle, St. Vincent, Murray, and King, with the exception of such parts of the Counties of Camden and St. Vincent, as are comprised within the Police Districts of Picton, Camden, and Narellan, Campbelltown, Illawarra, and Broulee, according to the boundaries thereof, respectively set forth in the said Notice of the Twelfth day of August, One thousand eight hundred and forty, and in a certain other Notice published in the *New South Wales Government Gazette*, under my Authority, and bearing date the Sixth day of August, One thousand eight hundred and forty-one.

And, lastly, I proclaim and appoint that the aforesaid Western Circuit District shall consist of all parts of the said Colony, comprehended within the Counties of Bathurst, Wellington, Bligh, Phillip, Roxburgh, Georgiana, Westmoreland, and Cook, with the exception of such parts of the Counties of Bligh, Westmoreland, and Cook, as are comprised within the Police Districts of Cassilis, Picton, Penrith, and Windsor, according to the Boundaries thereof, respectively set forth in the Notices from the Colonial Secretary's Office, published under my Authority in the *New South Wales Government Gazette*, and bearing date, respectively, the Twelfth day of August, One thousand eight hundred and forty; the Second day of March, and Sixth day of August, One thousand eight hundred and forty-one.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance; and the contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants, or passengers, or otherwise to the prejudice of the Post Office Revenue, under a penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five and ten minutes respectively.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses, not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence, on all roads except between Melbourne and Yass, and on that road the penalty will be £10.

All vehicles and horses employed in the conveyance of Mails, are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose. The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement, are to be deducted by the Postmaster-General from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering, or an Agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signatures of two respectable and solvent persons, willing to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

Printed forms of Tender may be had on application at the General and all other Post Offices throughout the Colony.
