By His Excellency's Command,
E. DEAS THOMSON.

GENERAL RULES FOR GAOLS.

1. In all cases where the building will allow of separate classification, the Prisoners are to be divided into three classes:—

1. Debtors and others confined for contempt on civil processes.
2. Prisoners committed on charges of felony, or misdemeanor, or for want of sureties, and Prisoners convicted of misdemeanors.
3. Prisoners convicted of felony.

FEMALE WARDS.

2. There shall be separate wards for females, in which the foregoing classification shall be observed as far as possible; and in every Prison where there are female wards, there shall be a Matron and such other female Officers as may be necessary.

3. In the Gaols where there are female wards, there shall be separate keys for each ward; and neither the Keeper of the Gaol, nor any of his assistants, or other Officers, shall go into such wards, except in company with the Matron.

INTERVIEW.

4. A convicted and suitable prisoner, within the Gaol, shall be permitted to be visited as an inmate of the Prison, and shall be allowed to receive and send letters, and to be visited by his or her friends, except in cases where the Prison is so situated as to be inaccessible.

CHAMBERS.

5. The Gaol shall be divided into chambers, and every Prisoner, male or female, shall be lodged in one of such chambers, and shall be allowed to receive and send letters, and to be visited by his or her friends, except in cases where the Prison is so situated as to be inaccessible.

passages, used by the Prisoners, shall be daily swept, cleansed, and ventilated, and all filth or rubbish removed to the place appropriated for the deposit of it.

HEALTH.

6. All Prisoners confined within any Prison, shall be allowed as much air and exercise as may be deemed proper (consistently with their safe custody) for the preservation of health, and for such purpose places shall be allotted for the different classes respectively as circumstances will permit.

NO MONEY TO BE GIVEN.

7. No money or other valuable consideration under the name of garnish, or under any other name, shall be taken from any Prisoner on his or her entrance into, or departure from Prison, or for his or her accommodation in the Prison, or for the use of any furniture or utensils, or under any other pretence whatever.

ADMISSION OF FOOD AND CLOTHING FOR CERTAIN DESCRIPTION OF PRISONERS.

8. Prisoners confined for debt, or committed for trial, shall be allowed to procure for themselves, and to receive at proper hours, any food, bedding, clothing, or other necessaries, subject to a strict examination by the Keeper of the said Prison, in order to prevent extravagance and improper indulgence within the said Prison, or the admission of fermented or spirituous liquors, or other prohibited articles; and all articles of clothing and bedding shall be examined in order that it may be ascertained that such articles are not likely to communicate infection or facilitate escape.

NO GAMING TO BE ALLOWED.

9. No Gaming shall be permitted in any Prison, and the Keeper shall seize and destroy all dice, cards, or other instruments of Gaming.

WINE OR TOBACCO NOT TO BE ADMITTED.

10. No Wine or Tobacco shall be admitted into any Prison, except by written order of the Surgeon, recorded in his Journal. No Spirituous Liquors shall be admitted within the outer walls of a Prison on any pretence whatever.

VISITORS.

11. The Keeper of the Gaol shall admit, at proper times and seasons, and under proper restrictions, to be regulated by the Visiting Justice, persons with whom Debtors or Prisoners committed for trial may be desirous of communicating.

12. Visitors to Debtors shall be admitted to their wards or rooms from Ten o'clock in the Morning, till Four o'clock in the Afternoon, and not at any other time, without a special order from the Visiting Justice, or other person authorised to give such order, by No. 28 of these Regulations; and on Sundays, Christmas Day, and Good Friday, the time shall be limited to Two Hours in the Morning and Two Hours in the Evening.

13. If any Visitors shall refuse to go out of the Prison, when required so to do, shall misbehave, or act improperly towards the Keeper, or other Officers of the Prison, the Keeper may compel them to go out, and refuse them admittance for future, till the facts shall be enquired into by the Visiting Justice, who shall have power to continue or take off such denial of admittance.

DIVINE SERVICE.

14. All Prisoners confined shall attend Divine

Service as often as thereunto required by the Chaplains appointed to attend the said Gaol.

RELIGIOUS CONSOLATION.

15. Prisoners may, at all proper times and seasons, receive spiritual consolation, according to the faith they shall profess, and as they shall desire to have administered to them by the Ministers of their religion.

DEATHS TO BE REPORTED.

16. Upon the death of any Prisoner within any Gaol, notice thereof in writing shall be given forthwith by the Keeper thereof, to the Visiting Justice, and to the Coroner of the District, also to the nearest relative of the deceased, where practicable.

PRISONERS UNDER SENTENCE OF DEATH.

17. Prisoners condemned to suffer death, shall remain in the condemned cells until the sentence be executed or commuted. Their friends shall have access to them at all seasonable times; their diet shall be the Prison allowance only, and they shall be allowed to walk a short time every day, under sufficient guard, in the yard attached to their cells.

PRISONERS' CLOTHING.

18. Every person committed to the Gaol shall, on his admission, be searched, and all money or valuable property that may be found on him, shall be taken possession of by the Gaoler, and an account of it be entered by the Gaoler in his journal. The Surgeon shall also examine every Prisoner, who shall be brought into Prison, before he or she shall be passed into the proper ward, and no Prisoner shall be discharged from Prison if labouring under any acute or dangerous distemper, nor until, in the opinion of the Surgeon, such discharge is safe, unless such Prisoner shall require to be discharged. The wearing apparel of every Prisoner shall be fumigated and purified, if requisite, after which the same shall be returned to him or her, or in case of the insufficiency of such clothing, then other sufficient clothing shall be furnished; but no Prisoner, before trial, shall be compelled to wear a Prison dress unless his or her own clothes be deemed insufficient, or improper, or necessary to be preserved for the purposes of Justice; and no Prisoner, who has not been convicted of felony, shall be liable to be clothed in a party-colored dress; but if it be deemed expedient to have a Prison dress for Prisoners not convicted of felony, the same shall be plain; all Prisoners shall have their hair cut in a proper manner, but not so as to disfigure them.

SURGEON TO KEEP A JOURNAL.

19. The Surgeon of every Gaol shall keep a Journal, and in it he shall enter, day by day, and in the English language, an account of the state of each sick Prisoner, the name of his or her disease, a description of the medicine and diet, and any other treatment he may order for such Prisoner.

GAOLER TO KEEP A JOURNAL.

20. The Gaoler shall keep a Journal, in which he shall enter, day by day, and in the English language, an account of the state of each Prisoner, the name of his or her disease, a description of the medicine and diet, and any other treatment he may order for such Prisoner. He shall also keep a Journal, in which he shall enter, day by day, and in the English language, an account of the state of each sick Prisoner, the name of his or her disease, a description of the medicine and diet, and any other treatment he may order for such Prisoner. He shall also keep a Journal, in which he shall enter, day by day, and in the English language, an account of the state of each sick Prisoner, the name of his or her disease, a description of the medicine and diet, and any other treatment he may order for such Prisoner.

fixtures and furniture in the Gaol, an account of all expences incurred for the Gaol, the number of persons daily rationed in it, and an account of all monies or other articles received for the use of the Prisoners, or taken from Prisoners on their entrance into the Gaol.

GAOLER TO VISIT THE WARDS AND CELLS DAILY.

21. The Keeper of every Prison shall visit and inspect every ward and cell in it, once at least every twenty-four hours, or if he fail to do so, he shall state the cause of his omission in his Journal.

USE OF IRONS.

22. No Prisoner shall be kept in Irons by any Gaoler except in cases of urgent and absolute necessity, and the particulars of every such case shall be forthwith entered in the Keeper's Journal, and notice forthwith given to the Visiting Justice; and the Keeper shall not continue the use of Irons on any Prisoner longer than forty-eight hours, without an order, in writing, from the Visiting Justice, specifying the cause thereof, which order shall be preserved by the Keeper as his warrant for the same.

DEMEANOR OF THE GAOLER.

23. The Keeper of every Gaol shall exercise his powers with temper, and without favour, partiality, or personal resentment; he must not strike a Prisoner or use provoking language, and shall require and enforce humanity and good temper towards the Prisoners, from the Turnkeys and subordinate Officers.

TURNKEYS.

24. The Turnkeys, or subordinate Officers of every Gaol, shall never be absent without leave from the Gaoler or Visiting Magistrate; they shall not strike any Prisoner, nor use any provoking language; they shall obey all orders given to them by the Gaoler; they shall bring nothing into the Gaol without his knowledge and permission; they shall neither give nor sell anything to any Prisoner, nor shall they convey to or from a Prisoner anything whatsoever without the knowledge of the Gaoler.

TIME FOR LOCKING UP AND UNLOCKING.

25. The time for locking up and unlocking, also for giving air and exercise to the Prisoners, will be regulated in each Gaol by the Gaoler, with the approbation of the Visiting Magistrate.

CUSTODY OF PRISONERS.

26. The custody of the Prisoners will be vested in the Sheriff, and the Gaoler, who is the Officer of the Sheriff, will be held responsible for the same; but the Gaoler will, at each visit of the Visiting Magistrate, report to him all irregularities which may have occurred since his last visit, and he will report, in writing, to the Visiting Justice, any irregularity of a serious nature, immediately on its occurrence, as well as any sickness, accident, or other extraordinary event that may happen in the Gaol. The Gaoler will also communicate to the Visiting Justice all the orders that he may receive from the Sheriff.

GAOLER TO KEEP A RECORD OF THE VISITS OF VISITING MAGISTRATE, SURGEON, AND CHAPLAIN.

27. A book shall be kept by the Gaoler in which every visit of the Visiting Magistrate, the Surgeon, Chaplain, and any other Officers of the Gaol, not resident in it, shall be entered by the individual

himself, also the visits of Magistrates and of strangers.

SPECIAL ORDER NECESSARY FOR LEAVE TO VISIT ANY GAOLS.

28. No persons, except Magistrates of the Territory, can be allowed to visit any Gaol without an order either from the Governor, Colonial Secretary, the Sheriff, or the Visiting Justice; Magistrates of the Territory may, however, personally introduce visitors without any such order.

NEITHER GAOLER NOR MATRON TO SLEEP OUT OF THE GAOL.

29. No Keeper of a Gaol, nor Matron thereof, shall sleep out of it without permission from the Visiting Magistrate.

PERSONS NOT BELONGING TO THE GAOL NOT TO SLEEP IN IT.

30. No Gaoler shall permit any person, who does not belong to the Prison, to sleep within the walls of it, without permission from the Visiting Magistrate.

31. No Gaoler shall keep, or permit to be kept, within the walls of any Prison, either dogs, poultry, pigs, pigeons, rabbits, or goats, nor any other animal which can be in any way injurious to the cleanliness and good order of the establishment.

32. Requisitions for the service of the Gaol will be made by the Gaoler, and transmitted through the Sheriff to the proper Department of Government. Every such requisition must be submitted by the Gaoler to the Visiting Magistrate, and no requisition will be attended to that is not recommended by him.

INSTRUCTIONS TO VISITING MAGISTRATES.

1. The Visiting Justice of each Gaol will take care that a copy of the Act of Council, 4 Victoria, No. 29, be kept in the Gaol; that sections 5, (with the exception of the latter part of it) 7, 8, 9, 10, 11, 12, 13, and 14, of the same Act, be hung up in two or more conspicuous places within the same, as also the Regulations which may, under the authority of the 5th section of the Act, be made by the Governor, with the advice of the Executive Council.

2. The principal duty of the Visiting Magistrate being to see that all these Regulations are duly enforced, he will for that purpose, in addition to the weekly visits which are required of him by the Act of Council, visit the Gaols at such uncertain times as may to him appear necessary.

3. He will, on the first of every month, make a report, in writing, to the Colonial Secretary, in which he will specify the general state of the Gaols, and how far the Regulations have been attended to, and the business of the Gaol properly conducted; and he will accompany his report with a return of all punishments inflicted by his own order, or by that of the Gaoler.

4. He will also report to the Colonial Secretary, any occurrence of an extraordinary nature, at the time of its happening, or any thing that may seem to him proper to be brought under the immediate notice of the Government.

5. All Requisitions made by the Gaoler will be submitted to him, before they are forwarded by the Gaoler to the Sheriff, as well as all applications

which, either directly or indirectly, may lead to any expenditure of public money. No Requisition or application of this nature will be attended to that is not recommended by the Visiting Magistrate, and the Visiting Magistrate will consequently be held strictly responsible that he recommends nothing that can reasonably be dispensed with.

6. He will report whenever repairs are required, and, if possible, the probable expense of them.

7. He will be particular in carrying into effect the 9th clause of the Act of Council, which authorises the employment of the Prisoners at any work they may be enabled to perform.

8. The Visiting Justice will not have power to release any person from confinement, or to order his or her discharge from the Gaol; but it will be one of his most important duties to satisfy himself, at every visit, that no persons are improperly or unnecessarily confined in Gaol, and he will bring every such case, or supposed case, immediately before the Government.

9. He will particularly take care that Prisoners of the Crown are not allowed to remain in Gaol, by the negligence of any Department of Government, or by the mistake of any Officer; and if Prisoners of the Crown are ever committed to Gaol, there to await the decision of the Governor or Principal Superintendent of Convicts, he will instantly report the fact of their being in the Gaol to the Colonial Secretary, and he will continue his reports weekly until such persons shall be removed.

10. He will equally take care that persons, sentenced to Transportation or Ironed Gangs, be not detained longer than may be absolutely necessary in Gaol; and as great inconvenience has heretofore been incurred from the improper detention of persons in Prison, his attention is most particularly drawn to this portion of his duties.

Wollombi and McDonald River ; 26. Paterson ; 27. Patrick's Plains ; 28. Merton and Muswellbrook ; 29. Scone and Murrumbidgee ; 30. Cassilis ; 31. Macquarie.

These Districts are the Police Districts, described in the Notice from this Office, bearing this date, and further particulars respecting them may be obtained from the Police Magistrates and Benches.

Separate Tenders will be required for the Forage in the District of Sydney, and for the Institution for destitute Roman Catholic Children ; but the other supplies for that District are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Orphan Schools and the Lunatic Asylum, are intended to be included in one Contract ; and therefore no Tenders can be received unless for supplying the whole that may be required in the entire of a District, and for each District there must be a separate Tender.

Separate Tenders must also be made for each of the Orphan Schools and for the Lunatic Asylum.

CONDITIONS.

All the articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial wheat, from which, on the Ration of Emigrants, Surveying and Mounted Police, or other parties, Superintendent and Crew of the Floating Light, Men at the Light House, Boatmen, and the Orphan Schools, 20 per cent., and on the Ration to Prisoners of the Crown, 10 per cent. has been extracted in Bran and Waste.

Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and, when the quantity admits of it, this, as well as the Convict Ration of Beef, to be delivered in fore and hind quarters alternately.

Beef to be issued to the Orphan Schools on five days, and Mutton on two days of the week.

The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

When it may be necessary to substitute one article for another, the following proportions are to be observed, viz :—11b wheat flour or 11b biscuit, equal to 11b of bread ; 11b salt beef or 11b mutton, or 10oz. salt pork, equal to 11b of fresh beef.

These substitutions are not to be made except on the requisition of the Officer authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children of the Orphan Schools, and to the Institution for

destitute Roman Catholic Children, when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

The supplies for road and other parties are to be delivered at the nearest fixed Stations, to the places where the party may be employed, on the requisition of the Officer in charge ; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned :—

The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

The Supplies (not specified in the preceding paragraph) are to be delivered direct to the Parties or Establishments entitled thereto, on the written order of the person duly authorised for the purpose.

Provisions and Forage being required by Rations, according to the scales under their respective heads, the Tenders are required to express the price per Ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, according to the practice of the service. But in country districts where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who in the event of the arbitrators not agreeing in opinion will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay or failure of the Contractor to supply the articles when required, they will be otherwise procured and charged in like manner.

In cases where the article is of a perishable nature, or from some other cause injury would be sustained either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality ; it being distinctly understood that he will be responsible to the Government for so doing ; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in

delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract.

It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the contract is made, or agreed to be made.

The Contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state, to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed Forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches, of the several Districts; and as adequate security will be required for the due fulfilment of the Contract, no Tender can be attended to unless accompanied by a certificate from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly, and the bonds must be executed within ten days from the day of acceptance of the Tender being notified, failing of which, the Contracts will be again advertised, or another Tender accepted.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

Each Tender is to be enclosed in a separate envelope, and marked "*Tender for Provisions, &c.*"

Further particulars and information may be obtained on application to the Auditor-General, or at this Office.
