ADDITIONAL TICKET-OF-LEAVE  
REGULATIONS.

**W**ITH reference to Articles VIII, IX and  
X, of the Regulations of 25th May, 1835,  
respecting the Muster Passes, and change of  
District of persons holding Tickets-of-Leave, His  
Excellency the GOVERNOR has been pleased to  
direct that the following alterations, except as to  
Musters in the District of Sydney, be made therein,

and take effect from the 1st of January next; but  
in all other respects the said Regulations are to  
continue in force as heretofore viz :—

1. The quarterly Musters of Ticket-of-Leave Holders are abolished.
2. In order that every Ticket-of-Leave Holder may be known to the Magistrates of the Districts, and especially to the Police Magistrate if there be one, a Register of all persons holding Tickets-of-Leave in the District is to be kept by the Clerk of the Bench at the chief Police Station of the District.
3. In these Registers are to be entered the residence of each Ticket Holder, the name of his master or employer, and his trade or calling, or the means by which he may obtain his livelihood.
4. All persons who may now hold Tickets-of-Leave, or who may obtain them before the 1st of January next, are required either personally or in writing to report their names, residences, the names of their masters or employers, their trade or calling or means of maintaining themselves, at the Court of Petty Sessions held at the chief Police Station of the District, before the 14th day of January next, and all holders of Tickets-of-Leave coming into any District after the 1st of January next, are required to do the same within fourteen days after their arrival.
5. A similar Report is to be made, or furnished by them in every succeeding year, between the 1st and 14th January.
6. Every Holder of a Ticket-of-Leave must, in a similar manner, report every change of his residence or of service within fourteen days after the occurrence of the same, furnishing, of course, the names of his new master and residence.
7. These Reports may, however, be made by the master or employer instead of the man himself, if he be in hired service.
8. The Police Magistrate or Bench of Magistrates will adopt, in every District, such further Regulations, not inconsistent with the above, as they may judge necessary, in order to secure to themselves a knowledge of the residence and movements of every Ticket-of-Leave Holder in their District.
9. The Police Magistrate or Bench of Magis-

trates will, also, whenever they think it necessary, interrogate the holder of a Ticket-of-Leave respecting his or her means of subsistence and manner of life; and if they shall not be satisfied that the party subsists honestly, they will render a Special Report of the Case to the Principal Superintendent of Convicts for the Governor's information.

10. The District within which every Ticket-of-Leave is to be considered in force is the Police District named therein, according to the boundaries of the same, set forth in the Government Notice of the 15th September, 1841.

11. No Ticket-of-Leave Holder is to be out of his District without a pass, except in the execution of his duty when employed as a constable.

12. Passes are to be given only by the Police Magistrate of any District, or by two Magistrates of it acting in Petty Sessions, and every Pass must be countersigned by the Clerk of the Bench.

13. Such passes can be granted only for periods not exceeding fourteen days; and no pass can be renewed, nor any new pass granted to the same person, until after the expiration of two months, reckoned from the date of his former pass.

14. Forms for these passes will be furnished to the different Benches; they will be chargeable with a fee of two shillings and sixpence each, which fee will be carried to the account of Government, and no other or higher fee is in any case to be taken.

15. All Passes will be entered on the Register.

16. Passes for a longer period than fourteen days can only be granted by the Principal Superintendent of Convicts, on application of the Ticket-of-leave holder, through the Petty Sessions of the district.

17. The different Police Magistrates throughout the Colony, and where there is no Police Magistrate, the Clerk of the Bench acting under the direction of the Magistrates, will transmit half-yearly returns to the Principal Superintendent of Convicts, of all Ticket-of-leave holders resident or registered in their districts, with the names of their employers, their Trades or calling, or the means by which they maintain themselves. They will also furnish returns of all persons, who, though they hold Tickets for the district, are not resident or registered in it.

These returns will be sent in on the 1st of March, and 1st of September, in each year.

18. They will at the same time furnish returns of all Passes granted within their district during the half year.

19. These Regulations will extend to women holding Tickets-of-leave as well as to men, but married women may be registered by their husbands provided these latter be free.

20. These regulations will not extend however to the District of Sydney in which the Masters of Ticket-of-Leave holders, are to be continued as heretofore.

21. The Principal Superintendent of Convicts is the only person who can grant permission to any holder of a Ticket-of-Leave to change his District; and application must be made to that Officer through the Petty Sessions of the District for which the party holds a Ticket-of-Leave.

22. As these Regulations are not in any way intended to interfere with the employment of Ticket-of-Leave holders in the Police, the circu-

lars of the 28th July, 1837, 3rd June, 1840, 8th July, 1840, and 7th November, 1840, will all continue to be in force.

23. Any breach of these Regulations by a Ticket-of-Leave holder, will subject him or her to the immediate Cancellation of his or her Ticket.

*By His Excellency's Command,*

E. DEAS THOMSON.

gog ; 24. Maitland ; 25. Wollombi and M'Donald River ; 26. Paterson ; 27. Patrick's Plains ; 28. Merton and Muswellbrook ; 29. Scone and Murrurundi ; 30. Cassilis ; 31. Macquarie.

These Districts are the Police Districts, described in the Notice from this Office, bearing this date, and further particulars respecting them may be obtained from the Police Magistrates and Benches.

Separate Tenders will be required for the Forage in the District of Sydney, and for the Institution for destitute Roman Catholic Children, but the other supplies for that District are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Orphan Schools and the Lunatic Asylum, are intended to be included in one Contract ; and therefore no Tenders can be received unless for supplying the whole that may be required in the entire of a District, and for each District there must be a separate Tender.

Separate Tenders must also be made for each of the Orphan Schools and for the Lunatic Asylum.

#### CONDITIONS.

All the articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial wheat, from which, on the Ration of Emigrants, Surveying and Mounted Police, or other parties, Superintendent and Crew of the Floating Light, Men at the Light House, Boatmen, and the Orphan Schools, 20 per cent., and on the Ration to Prisoners of the Crown, 10 per cent. has been extracted in Bran and Waste.

Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and, when the quantity admits of it, this, as well as the Convict Ration of Beef, to be delivered in fore and hind quarters alternately.

Beef to be issued to the Orphan Schools on five days, and Mutton on two days of the week.

The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

When it may be necessary to substitute one article for another, the following proportions are to be observed, viz :—11 $\frac{1}{2}$  wheat flour or 11 $\frac{1}{2}$  biscuit, equal to 1 $\frac{1}{2}$  of bread ; 11 $\frac{1}{2}$  salt beef or 11 $\frac{1}{2}$  mutton, or 10oz. salt pork, equal to 11 $\frac{1}{2}$  of fresh beef.

These substitutions are not to be made except on the requisition of the Officer authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children of the Orphan Schools, and to the Institution for destitute Roman Catholic Children, when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

The supplies for road and other parties are to be delivered at the nearest fixed Stations, to the places where the party may be employed, on the requisition of the Officer in charge ; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned :—

The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

The Supplies (not specified in the preceding

paragraph) are to be delivered direct to the Parties or Establishments entitled thereto, on the written order of the person duly authorised for the purpose.

Provisions and Forage being required by Rations, according to the scales under their respective heads, the Tenders are required to express the price per Ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, according to the practice of the service. But in country districts where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who in the event of the arbitrators not agreeing in opinion will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay or failure of the Contractor to supply the articles when required, they will be otherwise procured and charged in like manner.

In cases where the article is of a perishable nature, or from some other cause injury would be sustained either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract.

It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period, it being understood that such notice can be given only from the first day of a

month, and within the period for which the contract is made, or agreed to be made.

The Contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state, to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor-General, in order that a warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed Forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches, of the several Districts; and as adequate security will be required for the due fulfilment of the Contract, no Tender can be attended to unless accompanied by a certificate from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly, and the bonds must be executed within ten days from the day of acceptance of the Tender being notified, failing of which, the Contracts will be again advertised, or another Tender accepted.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

Each Tender is to be enclosed in a separate envelope, and marked "Tender for Provisions, &c."

Further particulars and information may be obtained on application to the Auditor-General, or at this Office.

The Parties Tendering, or an Agent for them, are requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.
