ORDER IN COUNCIL.

HIS Excellency the GOVERNOR has been pleased to direct the re-publication, from the *London Gazette*, of the 24th September, 1841, of the following Order in Council, relating to importations into British Possessions in Vessels of the Free Hanseatic Cities of Lubeck, Bremen, and Hamburgh.

By His Excellency's Command,
 E. DEAS THOMSON.

*At the Court at Windsor, the 14th day of
 September, 1841.*

PRESENT,

The QUEEN's Most Excellent Majesty in Council.

WHEREAS by an Act passed in the fourth year of His late Majesty King George the Fourth, cap. 77, intituled "*An Act to authorise His Majesty, under certain circumstances, to regulate the duties and drawbacks on goods imported or exported in foreign vessels, and to exempt certain foreign vessels from pilotage,*" His Majesty is authorised, by and with the advice of His Privy Council, or by His Majesty's Order or Orders in Council, to be published, from time to time, in the *London Gazette*, to authorise the importation into, or

exportation from, the United Kingdom, or from any other of His Majesty's dominions, of any goods, wares, and merchandise which may be legally imported or exported in foreign vessels, upon payment of such and the like duties only, and with the like drawbacks, bounties, and allowances as are charged or granted upon similar goods, wares, or merchandise when imported or exported in British vessels; provided always, that before any such Order or Orders shall be issued, satisfactory proof shall have been laid before His Majesty and His Privy Council, that goods, wares, and merchandise imported into, or exported from, the foreign country in whose favour such remission of duties, or such drawbacks, bounties, or allowances shall be granted, are charged with the same duties, and are allowed the same drawbacks, bounties, or allowances when imported into, or exported from, such foreign country in British vessels, as are levied or allowed on similar goods, wares, and merchandise when imported or exported in vessels of such country.

And whereas by an Act, made in the session of Parliament, holden in the third and fourth years of Her present Majesty's reign, intituled "An Act to enable Her Majesty to carry into effect certain stipulations contained in a Treaty of Commerce and Navigation between Her Majesty and the Emperor of Austria, and to enable Her Majesty to declare, by Order in Council, that ports, that are the most natural and convenient, shipping ports of states within whose dominions they are situated, may, in certain cases, be considered, for all purposes of trade with Her Majesty's dominions, as the national ports of such states," it was, amongst other things, enacted, that, from and after the passing of the said Act, notwithstanding any thing contained in an Act, passed in the session of Parliament of the third and fourth years of His late Majesty King William the Fourth, intituled "An Act for the encouragement of British shipping, and navigation," it should be lawful for Her Majesty, from time to time, to declare, by Her Order in Council, to be published in the *London Gazette*, "that any port or ports to be named in such Order, being the most convenient port or ports for shipping the produce of any state to be also named in such Order, shall, although not situated within the dominions of such state, be port or ports for the use of the ships of such state in the trade of such ships with all parts of the British dominions, or with any part or parts of the same named and limited in such Order, in as full and ample a manner as if such port or ports were within the dominion of such state; and thereupon, and for so long a time as such Order shall be declared to be in force, or shall remain unrevoked, it shall be lawful to import into the British dominions, or into such parts of the same as shall be named and limited in such Order, from such port or ports, in the ships of such state, any goods which, by the laws in force at the time of such importation, might then be imported in such ships from a port of the country to which they belonged, and so to import such goods upon the like terms as the same could there be imported from the national ports of such ships."

And whereas a Convention of Commerce and Navigation was entered into between Her Majesty and the Senates of the Free Hanseatic Cities of Lubeck, Bremen, and Hamburg, on the third of August last, whereby British vessels coming from

countries not being part of the dominions of Her Britannic Majesty, shall henceforward, together with their cargoes, be admitted into the ports of Lubeck, Bremen, and Hamburg; and such vessels shall, on their admission, pay dues not higher nor other than those which shall be paid in similar circumstances by vessels belonging to Lubeck, Bremen, or Hamburg; and the duties to be paid upon the cargoes of such British vessels shall not be higher nor other than if such cargoes had been imported in vessels belonging to Lubeck, Bremen, or Hamburg.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, is pleased in pursuance of the power and authority in Her vested by the said Statutes, to order and declare, and doth hereby order and declare, that all goods, wares, and merchandize, being the produce of the States of the Free Hanseatic Cities of Lubeck, Bremen, and Hamburg, or of the other States of the Germanic Confederation, or of the States comprised in the Germanic Union of Customs, and which may be imported in any foreign vessels from the ports of Lubeck, Bremen, and Hamburg, or from any port situated on the Elbe or Weser, into the ports of the British possessions abroad, including Gibraltar and Malta, shall also be permitted to be imported from the said ports of the Free Cities of Lubeck, Bremen, and Hamburg, into the ports of the said British possessions abroad including (Gibraltar and Malta,) in vessels belonging to Lubeck, Bremen, and Hamburg, built, owned, and navigated as stipulated in the fifth article of the Convention of Commerce and Navigation, concluded on the twenty-ninth of September, one thousand eight hundred and twenty-five, between Great Britain on the one part, and the Free Hanseatic Cities of Lubeck, Bremen, and Hamburg, on the other part; and such goods, wares, and merchandize, being the produce of the Free Hanseatic Republics, or of the other States of the Germanic Confederation, or of the States of the Germanic Union of Customs, and so imported in Hanseatic vessels into the ports of the said British possessions abroad (including Gibraltar and Malta), and all goods, wares, and merchandize exported in Hanseatic vessels, built, owned, and navigated as aforesaid, from the ports of the British possessions abroad (including Gibraltar and Malta), to any foreign country whatever, shall pay no other or higher duties than if the same were imported or exported in British vessels.

And the Right Honorable the Lords Commissioners of Her Majesty's Treasury are to give the necessary directions herein accordingly.

Due notice will be given of the days appointed for the Hearings.

Case No. 1090.—William Long, of No. 49, Lower George-street, Sydney.

Eighteen perches, county of Cumberland, town of Sydney, parish of St. Phillip, allotment No. 1 of section No. 73; bounded on the east by Cumberland-street, bearing north 13 degrees, east 75 links; on the north by allotments Nos. 3 and 2, bearing west 10 degrees, north 170 links; on the west by the building line of Prince-street, bearing south 12 degrees 15 minutes, west 64 links; and

on the south by Essex-lane, bearing east 13 degrees, south 168 links.

The above description, preparatory to the making out of a deed of grant, was inserted in the Gazette notice of 2nd February, 1839, page 154, in the name of William and Alexander Long, who were reported as the Proprietors. William Long alleges, that in 1811, the Provost Marshal sold to one Bevan, who, in 1812, sold to James Kelly, and that in 1832, he purchased from Kelly.

Herbert's south-west corner; on the north by a line west 10 chains; on the west by a line south 48 chains 50 links; and on the south by Red Bank Creek to the south-west corner of Herbert's land, as aforesaid.

This land was located on an order of Governor Darling, dated 1st January, 1831, in favor of John Stanton, who, it is alleged, is either deceased or has left the Colony, but who previously sold to claimant. This land was located on an order of Governor Macquarie, in favor of Andrew Hamilton Hume, who alleges, that he exchanged this farm with claimant for 60 acres at Menangle, and that the exchange was authorised by Governor Macquarie, and that the deed should have issued accordingly; but although the deed of grant of Best's 60 acres has been prepared in his (Best's) name, Mr. Hume consents to the deed of his land being made out for Best also. The description was inserted in the Gazette notice of 19th September, 1831, No. 14, in the name of the promisee. By the notice of 24th December, 1833, this case was referred to the first Commission, but as the memorial was filed, nothing was done.

Case No. 1093.—Charlotte Elizabeth Broughton, widow, by her attorneys, Messrs. Chambers and Thurlow.

Three hundred, seventy four and a half perches, county of Cumberland, parish of St. John, town of Parramatta, allotment No. 50, on the north side of Macquarie-street, in section No. 18; bounded on the west by a line 4 chains; on the north by a line 6 chains 27 links; on the east by the street 3 chains 40 links; and on the south by Macquarie-street, 6 chains 43 links.

This allotment was leased by Sir Thomas Brisbane for 21 years, from 30th June, 1823, to ——— Broughton. Mrs. Broughton alleges that she was the lessee.

Case No. 1094.—Thomas Hyndes, of Sydney, now residing in England.

Two thousand acres, county of Cumberland,

W. Unwin's 640 acres, then by the west, north, and east boundaries of Unwin's land, to the Penant Hills Road, and then by that road to the south-west corner of Pymble's land, as aforesaid.

This land is part of a compensation of 4880 acres, promised by the Government to Mr. Daniel Cooper, for premises at Campbelltown. Mr. Cooper sold his right of selection of 2000 acres to Messrs. Berry and Wolstonecroft, who, in like manner, by way of exchange, for 2000 acres of land at Gerin-gong, transferred their right to Mr. Hyndes, who selected the land, and now claims the deed of grant thereof.
