**N**OTICE is hereby given, that on **TUESDAY**, the 14th day of June next, the following **LANDS**, forming a portion of the Estates belonging to the late Church and School Corporation, will be put up to Public **AUCTION**, at the rear of the *Colonial Treasury*, on Leases for Twenty-one years, at an annual rental; the Sale to commence at Twelve o'clock precisely.

The following is the plan upon which these Lands will be offered for Public Competition:—

Leases to be granted for Twenty-one years, with the option to the Tenant to determine it at the expiration of the first or second term of seven years, on giving six months notice of his intention to the Agent.

The biddings at the time of Auction to refer only to the rental for the first term of seven years; the rental for the second and third terms to be increased in the following ratio:—If 4d. per acre is offered for the first term of seven years, the rental

for the second term will be 6d., and the third term 8d. per acre, per annum.

The Lease will not contain any clause to prevent assigning or under-letting, but the under tenants will in no way be recognised by the Government, and the original Lessee always held responsible for the due payment of the rent.

The usual reservations regarding the right of making roads, constructing bridges, &c., will be introduced, but the reservation will not extend to Timber which the Tenant will be allowed to cut.

Any Lands not bid for at the time of Auction, will be left open for the selection of future applicants; in such cases the Government will not bind themselves to accept the minimum price, but any offers made will be submitted by the Agent for approval.

The rent will be required to be paid in advance; 25 per cent. deposit on the first year's rental, to be paid to the Agent at the time of Sale, and the residue within one month.

The rent for the remainder of the term, when the amount is above £30, to be paid half-yearly, in advance; below this amount, yearly.

The biddings will be upon the rent per acre; the upset rent per acre being fixed in each case by the Government.

Lithographic Plans of the Estates in question will be forwarded to parties applying for the same, by letter, to the Agent, of whom also further particulars may be obtained.
