As expedition is of so much importance, offers for any quicker Conveyance of the Mails than is now effected will be favourably entertained; but it is to be understood that they are to be dispatched on the days and hours to be fixed by the Postmaster-General, either according to the present arrangement, or as he may afterwards determine for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants, or passengers, or otherwise, to the prejudice of the Post Office Revenue, under a penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five and ten minutes respectively.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses, not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence, on all roads except between Melbourne and Yass, and on that road the penalty will be £10.

All vehicles and horses employed in the conveyance of Mails, are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose. The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering, or an Agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must

bear the signatures of two respectable and solvent persons, willing to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

Printed forms of Tender may be had on application at the General and all other Post Offices throughout the Colony.

This allotment, it is alleged, was located to John Winters in exchange for other land given up by him for the Government Domain. He sold to James Waller, and the description was inserted in the Gazette Notice of 12th January, 1832, and 9th September, 1840, in order to the making out of a deed of grant to Waller, erroneously advertised as Walton. Since then he has sold to one Smith, who sold to claimant.

Case No. 1142.—William Hill, of ——— Representatives of ———.

Two hundred and twenty acres, County of St. Vincent, parish unnamed, at Jembicumbene; bounded on the east by 30 chains of Roberts' grant, commencing from Jembicumbene Swamp; on the south by a line west 43 chains to William Roberts' purchase; on the west by a line north 63 chains to Jembicumbene Swamp; and on the north by Jembicumbene Swamp.

This land was located to William Hill, on an order of Sir Thomas Brisbane, dated 18th November, 1825, and confirmed by Governor Darling, on 4th May, 1829. It would appear that he had parted with his interest to his son George Hill; as, however, he is deceased, George Hill or the promisee's representatives are to shew to whom a deed of grant should now issue.

Case No. 1143.—Solomon Phillips, of Parramatta, Dealer, by his Attorney, Charles Bethel Lyons, Esq.

One hundred and five perches, County of Cumberland, parish of the Field of Mars, Town of Parramatta, allotment No. 1, on the north side of Fennell-street, in section No. 21, and bounded on the west by No. 13, Windsor Road, 205 links; on the north by a line 222 links; on the east by a line 295 links to Sorrell-street; and on the south by the street 222 links.

This allotment was leased by Sir Thomas Brisbane, for 21 years, from 30th June, 1823, to

Mary Gotham, who married William Parkes, who sold to William Fowler, who sold a part to J. C. Harrington, in trust for Amelia Brown, who sold to James M'Laughlin, who sold to Phillip Casey, who sold to claimant. The remainder of the allotment was sold by Fowler to Francis Cavenagh, who sold to claimant, who requests a deed on payment of 21 years quit rent, as provided by the lease.
