As expedition is of so much importance, offers for any quicker Conveyance of the Mails than is now effected will be favourably entertained; but it is to be understood that they are to be dispatched on the days and hours to be fixed by the Postmaster-General, either according to the present arrangement, or as he may afterwards determine for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants, or passengers, or otherwise, to the prejudice of the Post Office Revenue, under a penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five and ten minutes respectively.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses, not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence, on all roads except between Melbourne and Yass, and on that road the penalty will be £10.

All vehicles and horses employed in the conveyance of Mails, are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose. The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering, or an Agent for him,

must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signatures of two respectable and solvent persons, willing to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

Printed forms of Tender may be had on application at the General and all other Post Offices throughout the Colony.

NOTICE is hereby given, that on Wednesday, the 26th day of October next, the following Lands, forming a portion of the Estates belonging to the late Church and School Corporation, will be put up to **PUBLIC AUCTION**, at the rear of the *Colonial Treasury*, on leases for

21 years, at an annual rental; the sale to commence at 12 o'clock precisely.

The following is the plan upon which these lands will be offered for public competition:—

Leases to be granted for 21 years, with the option to the Tenant to determine it at the expiration of the first or second term of 7 years; the Rental for the second and third terms to be increased in the following ratio: if 2s. per acre be offered for the first term of 7 years, the Rental for the second term will be 3s., and the third term 4s. per acre, per annum. The Lease will not contain any clause to prevent assigning or underletting, but the under Tenants will in no way be recognised by the Government, and the original Lessee always held responsible for the due payment of the Rent. The usual reservations regarding the right of making roads, constructing bridges, &c., will be introduced, but the reservation will not extend to timber, which the Tenant will be allowed to cut. Any Lands not bid for at the time of Auction will be left open for the selection of future applicants: in such cases the Government will not bind itself to accept the minimum price, but any offer made will be submitted by the Agent for approval. The rent will be required to be paid in advance; 50 per cent. deposit on the first year's rental, to be paid to the Agent at the time of sale, and the residue within one month. The Rent for the remainder of the term, when the amount is above £30, to be paid half-yearly in advance; below this amount, yearly. The bid-dings will be upon the Rental per acre; the upset rent per acre being fixed in each case by the Government. Lithographic plans, and further particulars, may be obtained on application by letter, to the Agent.
