LEAVE OF ABSENCE TO CIVIL OFFICERS.

HIS Excellency the GOVERNOR is pleased to direct the publication, for general information, and with reference to the Regulations contained in the Government notice of the 7th of March, 1832, of the following Circular Despatch from the Secretary of State, dated 7th March, 1842, respecting applications for the extension of the leave of absence granted to Civil Officers, and the issue of their half-pay for the period of their absence.

*By His Excellency's Command,
E. DEAS THOMSON.*

(CIRCULAR.)

Downing-street, 7th March, 1842.

SIR,—My attention has been called by a variety of recent instances, to the inconvenience arising to the Public Service from the lengthened leaves of absence granted to Civil Officers in the different Colonies, and, in some instances, to those who have applied for, and received, an extended leave of absence without any intention of again resuming their duties.

In order in some degree to remedy this inconvenience, I have to request that you will, in future, abstain from accompanying your leave of absence to any Officer with a recommendation for extension of leave by the Secretary of State. Such recommendations make it very difficult to dis-

point the expectations which they have raised; while the Public Service may sometimes be injuriously affected by a compliance with them.

I have further deemed it necessary to lay down a general rule, that, for the future, the half salary for the last half of the term of leave originally granted to the Colonial Officer, shall only be receivable on the return of such Officer to his duty.

I have the honor, &c.,
(Signed) STANLEY.

GOVERNOR SIR GEORGE GIPPS,
&c., &c., &c.

As expedition is of so much importance, offers for any quicker Conveyance of the Mails than is now effected will be favourably entertained; but it is to be understood that they are to be dispatched on the days and hours to be fixed by the Postmaster-General, either according to the present arrangement, or as he may afterwards determine for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be

less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants, or passengers, or otherwise, to the prejudice of the Post Office Revenue, under a penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five and ten minutes respectively.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses, not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence, on all roads except between Melbourne and Yass, and on that road the penalty will be £10.

All vehicles and horses employed in the conveyance of Mails, are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose. The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering, or an Agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signatures of two respectable and solvent persons, willing to enter into a bond with the Contractor for the safety of the Mails, and the due performance of the Contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

Printed forms of Tender may be had on application at the General and all other Post Offices throughout the Colony.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 1st October, 1842.
