THE following Address was presented to His Excellency the GOVERNOR, by the Residents in the District of Goulburn :—

To His Excellency Sir GEORGE GIPPS, Knight,
 Captain-General and Governor-in-Chief of New South Wales and its Dependencies :

We, the undersigned, Residents of the District of Goulburn, desire to offer to your Excellency the expression of our loyalty to our most gracious Sovereign, and our sincere respect for your Excellency, Her Majesty's Representative in New South Wales.

We feel much gratified with your visit to this County, and trust that it will prove agreeable and satisfactory to your Excellency, and that you will be pleased with the improvements, completed and in progress, in our Township and District.

We beg, respectfully, to present our best wishes for long continuance of health and happiness to Lady Gipps, your Excellency, and family, and have the honor to subscribe ourselves

Your Excellency's

Most obedient & humble servants,

[Here follow the signatures.]

The following is His Excellency's reply :—

GENTLEMEN—After several disappointments, I am happy to find myself in the celebrated County of Argyle, and to have an opportunity of viewing the rapid improvements which are taking place in the Town and Neighbourhood of Goulburn.

You are all, I believe, well aware how much I have regretted the circumstances which, more than once, unexpectedly occurred, to prevent my having the pleasure of visiting you earlier.

I thank you, gentlemen, for the kind reception which you have given me, and for the expressions of Loyalty to our most gracious Sovereign, contained in your address.

In the name, too, of Lady Gipps, I beg to thank you for the kind wishes which you have expressed

for our continued health and happiness.—It is to her, no less than to myself, a satisfaction that she has been able to accompany me to your District.

(Signed) GEORGE GIPPS.

THE following Address was presented to His Excellency the GOVERNOR by the Residents in the District of Braidwood :—

To His Excellency Sir GEORGE GIPPS :

SIR—We, the undersigned, Inhabitants of the District of Braidwood, hail, with sincere pleasure, your Excellency's arrival amongst us ; and in presenting to your Excellency the expressions of our regard—whether individually to yourself, or as the Representative of our most gracious Queen Victoria—we feel that we give utterance only to those sentiments by which the great portion of our Colonial population are influenced.

We cannot but regret that your Excellency's necessarily short stay will prevent your visiting those several portions of our District which, in point of Agricultural capabilities, are not to be surpassed.

When we consider that no less than fifty Anniversaries of the foundation of the Colony have passed, and that your Excellency has been the first Governor to visit this remote District, we cannot but feel particularly grateful for your Excellency's condescension, more particularly being accompanied by Lady Gipps, to whom we request your Excellency will tender our sincere expressions of esteem.

In conclusion, we beg to assure your Excellency, that in again returning to the seat of Government, you carry with you the respect and good wishes of all parties.

We beg to remain, &c.

[Here follow the signatures.]

The following is His Excellency's reply :—

GENTLEMEN—I am extremely obliged to you for

this Address, and for the assurances which it carries with it, of the loyalty of the people of this District to our most gracious Sovereign, and of their kind feelings towards myself, as the Representative of Her Majesty.

Though my stay at Braidwood must necessarily be a short one, I am happy to be the first Governor to visit it, and consequently the first to see the great capabilities of the Country, and the rapid and various improvements which are in progress,—especially am I happy to see, in the crowds which welcomed my arrival, the promise of an honest, healthy, and industrious peasantry.

That Lady Gipps has been enabled to accompany me, is, I assure you, a gratification both to herself and to me.

Trusting, Gentlemen, and firmly believing, that the exertions which you are now making will be crowned with the reward they merit, I again beg to thank you for the cordial reception which you have given me.

(Signed) GEORGE GIPPS.

28. Merton and Muswellbrook; 29. Scone and Murrurundi;
30. Cassilis; 31. Macquarie; 32. Clarence River;
33. Mureton Bay; 34. Moneroo.

The 31 Districts first mentioned, are the Police Districts described in the Notices from this Office, dated 15th September, 1841, and 9th August, 1842, and further particulars respecting them may be obtained from the Police Magistrates and Benches.

Separate Tenders will be required for the Forage in the District of Sydney, and for the Institution for destitute Roman Catholic Children; but the other supplies for that District are to be tendered for together.

The supplies for each of the other Districts, with the exception of those for the Orphan Schools and the Lunatic Asylum, are intended to be included in one Contract; and therefore no Tenders can be received unless for supplying the whole that may be required in the entire of a District, and for each District there must be a separate Tender.

Separate Tenders must also be made for each of the Orphan Schools and for the Lunatic Asylum.

CONDITIONS.

All the articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial wheat, from which, on the Ration of Emigrants, Surveying and Mounted Police, or other parties, Superintendent and Crew of the Floating Light, Men at the Light House, Telegraphs, Boatmen, Apprentices, and the Orphan Schools, 20 per cent., and on the Ration to Prisoners of the Crown, 10 per cent. has been extracted in Bran and Waste.

Beef and Mutton to be issued in such proportions as may be required for the Ration to Emigrants, and, when the quantity admits of it, this, as well as the Convict Ration of Beef, to be delivered in fore and hind quarters alternately.

Beef to be issued to the Orphan Schools on five days, and Mutton on two days of the week.

The Maize Meal to be similar in quality to the Wheat Meal, and to be twice ground.

When it may be necessary to substitute one article for another, the following proportions are to be observed, viz:—1lb wheat flour or 1lb biscuit, equal to 1½lb of bread; 1lb salt beef or 1lb mutton, or 10oz. salt pork, equal to 1lb of fresh beef. These substitutions are not, however, to be made except on the requisition of the Officers authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children of the Orphan Schools, and to the Institution for destitute Roman Catholic Children; when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

The supplies for road and other parties are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge; and in case the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned:—

The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

The Supplies (not specified in the preceding paragraph) are to be delivered direct to the Parties

or Establishments entitled thereto, on the written order of the person duly authorised for the purpose.

The Tenders for Provisions and Forage, when required by Rations, according to the scale under their respective heads, are to express the price per Ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed of persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay, or failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the contract.

It will be in the power of either party to limit the duration of the contract, by giving in writing a notice of three full calendar months to the opposite party, and to end the contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the contract is made, or agreed to be made.

The Contractor will be required to prepare his

own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state, to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared, and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed forms of tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and no Tender will be attended to unless accompanied by an agreement, in writing, signed by at least two solvent parties, stating their willingness to become sureties for the due fulfilment of the contract, and the bonds must be executed within ten days from the day of the acceptance of the Tender being notified, failing of which, the Contracts will be again advertised, another Tender accepted, or the supplies otherwise provided for.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

Each Tender is to be enclosed in a separate envelope, and marked "Tender for Provisions, &c."

Further particulars and information may be obtained on application at this Office, or to the Auditor General.

The parties Tendering, or an Agent for them, are requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.

By His Excellency's Command,
E. DEAS THOMSON.
