COUNCIL.

THE Legislative Council having met this day pursuant to summons, His Excellency the GOVERNOR read the following Address:—

FRANCIS' L. S. MEREWETHER,
Clerk of Councils.

GENTLEMEN OF THE LEGISLATIVE COUNCIL,—

The Act passed in the last Session of Parliament, for the Government of New South Wales, having directed that all necessary provisions shall be made by this Council, for giving effect to the Imperial Enactments, under which a New Legislative Body is to be constituted in the Colony, I have thought it right to summon you as early as I conveniently could to the performance of the duties thus confided to you.

The Act of Parliament referred to, is the 5th and 6th Victoria, chapter 76; it was officially received by me on the first, and proclaimed in the Colony on the fifth day of the present month. By the second clause of it, the measures which you are now met to consider, are thus described:—

“ And be it enacted, That the Legislature now by Law established within the said Colony of New South Wales, shall, by ordinances to be for that purpose made and enacted, in the manner and subject to the conditions now by Law required in respect of any ordinances made and enacted by the said Legislature, make all necessary provisions for dividing the parts of the said Colony, within the Boundaries of Location, into convenient Electoral Districts, and for appointing and declaring the number of Members to be elected for each such District, and for the compilation and revision of Lists of all persons qualified to vote at the Elec-

tions to be holden within such Districts, and for the appointing of Returning Officers, and for the issuing, executing, and returning the necessary Writs for such Elections, and for taking the Poll thereat, and for determining the validity of all disputed Returns, and otherwise for ensuring the orderly, effective, and impartial conduct of such Elections.”

A Bill to effect the objects which are thus enumerated, having been prepared, I shall immediately lay it before you.

By the 53rd clause of the same Act of Parliament, the powers of this Council are continued, until the day on which the first Writs shall be issued for the Election of Members to serve in the New Council; it is not, however, my intention to bring before you any measure of importance, save that for the consideration of which you are specially summoned.

The passing therefore of the Bill which I shall lay before you, is the last duty which as Members of this Council, you will have to perform for the Colony of New South Wales; in passing it, you will in fact bring your own political functions to a close; but not on that account will you, I am sure, the less rejoice with me, that New South Wales is about to receive a form of Government, such as the Imperial Parliament has judged to be well suited to the station which it now holds among the Dependencies of the British Crown, and that the privilege of sending Representatives of their own choice to their local Legislature, has been conceded to the people of this land.

And though, Gentlemen, the functions of this Council are to cease, it is satisfactory to me to think, that the services which you have so long and so ably rendered to your Country, may be continued in the larger Body which is now about to be called into existence.

GEORGE GIPPS.

AD-VALOREM DUTIES.

HIS Excellency the GOVERNOR desires it to be notified, that the attention of Government having been drawn to the manner in which the *ad-valorem* duties are levied in this Colony, a reference on the subject has been made to the Law Officers of the Crown; and that in consequence of the opinion expressed by them, the Declaration contained in the 26th clause of the Act of the Governor and Council, 3 Victoria, No. 3, which is to the following effect, is, in future, to be strictly adhered to, in all entries made at any Custom House within the Colony.

But in Country Districts, where a Board of Survey cannot be conveniently assembled, the Party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will previously to any other proceeding on their part concur in naming a third as umpire, who in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

JOHN THOMPSON, Secretary.

NOTICE is hereby given, that the following Claims for DEEDS of GRANT of LANDS and TOWN ALLOTMENTS, will be ready for the examination of the Commissioners appointed for the purpose under the Act of Council 5th William IV., No. 21, at the expiration of two months from this date, before which day any Caveat or counter claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

Case No. 1184.—Ann Byrne Smith, of Prospect. Fifty-four perches, in the county of Cumberland, parish of St. John, town of Parramatta, allotment No. 20, of section No. 6, on the north side of Aird's-street; bounded on the east by a line 2 chains 87 links; on the north by a line 1 chain 18 links; on the west by O'Connell-street, 2 chains 87 links; and on the south by that street 1 chain 18 links. This allotment was leased by Sir Thomas Brisbane for 21 years, from the 30th June, 1823, to William Smith, deceased, whose widow took as a chattel, and assigned to Joseph Kenyon, junior, in trust for claimant, who requests a Deed on condition of the lease, viz:—on payment of a sum equal to 21 years quit-rent. By an application which formed the subject of the case No. 727, it appeared, that Mr. W. H. Moore claimed a portion of this allotment at the north end.

Case No. 1185.—John Stedworthy, of Parramatta, yeoman.

One hundred and seventy-two perches, in the county of Cumberland, parish of the Field of Mars, town of Parramatta, allotment No. 4, on the south side of Grose-street, in section No. 4; bounded on the west by a line 2 chains 12 links; on the south by a line 5 chains 60 links; on the east by Brickfield-street, being a line to Grose-street 2 chains 22 links; and on the north by Grose-street 4 chains 70 links.

This allotment was leased by Sir Thomas Brisbane for 21 years from 30th June, 1823, to George Spay or Spray, who it is alleged, obtained a promise of the same from Governor Macquarie, for services, and sold to claimant, who requests a Deed on the conditions of the lease, viz:—the payment of 21 years quit-rent.

Case No. 1186.—David Scott, of New Zealand, by his Attorney, John Smith, Esq.

One acre, two roods, and twenty-seven and a-half perches, in the county of Cumberland, town of Parramatta, parish of St. John, allotment No. 3, of section No. 3; bounded on the north by Aird-street 7 chains 36 links; on the east by H. Thorn's allotment 2 chains 24 links; on the south by George Blaker's and James Wood's allotments 7 chains 44 links; and on the west by vacant land 2 chains 33 links, comprising allotments Nos. 31, 32, 33, 36, 37, 38, and 39.

The above description was inserted in the *Gazette* notice, of 12th January, 1832, preparatory to the making out of a deed of grant for Samuel Larken, who was reported as the proprietor; subsequently he devised all his estates to his children, and they by memorial No. 868, preferred to the old Commissioners, solicited deeds of grant, and this was the third allotment included in that

memorial, but no final report was prepared. This allotment comprehends 7 conterminous locations, numbered 31, 32, 33, 36, 37, 38, and 39, to different individuals; but there are contradictory statements respecting the names of these locatees. Of one allotment, No. 38, Cronan's—a Deed of Grant has issued to Robert Reilly, in pursuance of case No. 299; but it appears that it is of No. 39, located to Gough, that a Deed should have been prepared; Larken's children, it is alleged, have conveyed to claimant. No leases having issued of these locations, a Deed or Deeds of Grant will be in pursuance of the Regulations of the 25th August, 1834, according to the occupation of Reilly.

Case No. 1187.—David Scott, of New Zealand, by his Attorney John Smith, Esq.

Twenty-five perches, in the county of Cumberland, parish of St. John, town of Parramatta, allotment No. 13, on the north side of Campbell-street, in section No. 4; bounded on the north by William Sherwin's leased allotment 1 chain and 6 links; on the west by William Robert's leased allotment 1 chain and 50 links; on the south by Campbell-street 105 links; and on the east by Marsden-street 1 chain and 54 links.

This allotment, it is alleged, was located to John Thorn, on the authority of Governor Macquarie, who sold to Samuel Larkin, who devised to his children, who, by memorial No. 868 preferred to the first Commission, solicited Deeds of Grant, and this was the seventh allotment of that memorial; but as no final report was prepared, no Deed of Grant issued. Larkin's children have now, it is alleged, conveyed to claimant. This not being a leased allotment, the Deed will be in accordance with the Regulations of 25th August, 1834.

By direction of the Commissioners,
JOHN THOMPSON,
Secretary.
