Immigration Office,

Sydney, 27th November, 1843.

TO PERSONS IN THE COUNTRY REQUIRING LABOUR.

BY direction of His Excellency the Governor, Notice is hereby given, that a number of married Labourers and others, resident in Sydney, being no longer able to obtain employment there, it is the intention of the Government to afford, to such of them at least as have large families, and are willing to go into the Country, the means of proceeding into certain Districts, wherein it may be probable that their services would be gladly received.

Persons in the interior requiring labour, and not objecting to take men with families of young children, are therefore requested to communicate to the Police Magistrate, or to the Bench of Magistrates,

(as the case may be) the description of labour required by them, and the rate of wages and rations which they would be willing to give according to the number of the family engaged.

To such communications every attention will be paid by the Government, consistently with a due regard to economy in the expenditure of the amount placed at its disposal for the purpose.

The operations of the Government will be materially assisted, if persons, sending wool drays to Sydney, will have the goodness to allow the use of them, on their return, for the conveyance of families into the inland Districts, and will communicate to the Police Magistrate, or Bench of the District, and to the Agent for Immigration, in Sydney, the probable date on which the drays will leave Sydney. Letters to the Agent for Immigration to be addressed, under cover, to the Clerk of the Executive Council.

THE Tickets of Leave belonging to the under-mentioned Prisoners of the Crown, have been cancelled for the reasons stated opposite their respective names:—
