By the Judicial Committee of the Privy Council.  
 The Lords of the Judicial Committee having taken into consideration the practice of referring the taxation of costs in Appeals and other matters

heard at their Lordships' bar to the Masters of Her Majesty's Courts at Westminster, and being of opinion that such practice ought to be discontinued; their Lordships are thereupon pleased to order, as it is hereby ordered, that it be referred to the Clerk of Appeals of the Privy Council Office, acting as the Registrar of this Committee, to tax all bills of costs, under their Lordships' orders, on appeals or upon the petition of the parties; and their Lordships do further direct that all such taxation shall be regulated by the Schedule of Fees annexed to their Lordships' Representation to Her Majesty in Council of this day's date; and their Lordships do further direct that a separate account be kept of all the Fees received by the said Clerk of Appeals on account of such taxation, such Fees to be the same as have been usually charged by the Masters or other persons to whom the taxation of such bills of costs has heretofore been referred.

## MODE OF DELIVERY.

- The supplies above specified shall all be delivered by the Contractor direct to the Parties or Establishments entitled thereto, upon the written order of the Commissariat Officer in charge of the District, or of the person authorised for that purpose.
- At the several fixed Stations the Rations for the Troops, the Convict Establishments, and Road and other Parties, shall be delivered by the Contractor at the Barracks, Establishments, or Huts, where the Parties to be supplied may be stationed; being previously to removal from the Contractor's

Premises approved by a Person authorised for the purpose.

8. The Forage shall be delivered by the Contractor at the Establishments where the Horses or Cattle are stationed, and in case the whole Ration of Forage be not required or delivered, each of the species shall be reckoned as the proportion of the Ration undermentioned, viz.---

The Maize or Barley . . .	4-12ths.
The Hay . . . . .	5-12ths.
The Bran . . . . .	2-12ths.
The Straw . . . . .	1-12th.

## GENERAL CONDITIONS.

9. Parties tendering may do so by either of the three following modes, at their option, viz.---

- The whole of the Supplies of every description, in each District, may be included in one Tender, as at present.
  - Or the Supplies may be tendered in sub-divisions, as below, by a separate Tender for each sub-division, viz.---
- The Military Ration
  - The several Rations for Convicts are described from 2 to 8 inclusive
  - The Ration of Forage
  - The Ration of Fuel and Light
  - The Supplies for Hospitals
  - The Supplies for the Penal Settlements, (Sydney).

3. Or the various articles comprising the several Rations referred to, as well as all those required for Hospitals and other purposes, may be tendered separately or singly, by weight and measure. The undersigned reserving to himself the power of accepting Tenders for supplying by any of these modes which he may find most expedient.

10. Contractors supplying Road Parties on the Bathurst or other roads similarly situated, shall have at all times on the spot a supply for fourteen days in reserve, in the care of a competent Agent, to whom reference may be had in the Contractor's absence.

11. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is of a perishable nature by a Board of Survey, according to the practice of the Service. But in Country Districts, where a Board of Survey cannot be conveniently assembled, the Party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will previously to any other proceeding on their part) concur in naming a third as umpire, who in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the Board, Arbitrators, or Umpire, shall decide that the article is not according to the Conditions of the Contract, it must be immediately replaced by the Contractor, failing of which it will be procured, and the expense charged to his account. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the Head of the Depart-

ment, or Officer in charge of the party or parties for whom the rations are to be received, shall have power to reject such article or articles, as are obviously of inferior quality or in improper condition, it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

12. It shall be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

13. The Contractor shall prepare his own account according to the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, shall receive payment monthly.

14. The value of all packages shall be included in the prices demanded.

15. Persons wishing to tender are requested to apply either at this Office, or to the Commissariat Officers in charge at the several Stations, who will furnish them with printed forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly; and no payment will be made upon any contracts until the bonds have been executed.

16. The amounts of the Bonds required in the several Districts are as follow:—if contracted for collectively, viz.:—Sydney, £5,000; Parramatta, £1,000; Liverpool and Campbelltown, £500; Illawarra, £500; Goulburn, £500; Penrith, £500; Hartley, £500; Bathurst, £500; Newcastle, £1,000; Maitland, £500; Port Macquarie, £500.

17. Tenders are to be enclosed in a separate envelope, addressed to the undersigned, marked "Supplies for 1843," and no Tender made in consequence of this Advertisement shall be withdrawn or altered, but notice of those accepted shall be given within three days of the time of opening.

18. Flour in place of bread to be given for the Military Ration, when required, in the proportion of 14 2-7th ozs. of the former, for 16 ozs. of the latter.

19. The Contractor for the District of Sydney will also be required to furnish the Government Vessels, or casual purposes, any of the supplies under the head of Hospitals.

20. The Rations and articles particularised under the head of Provisions, Nos. 1 to 12, may be required not only for the purposes specified, but also for any other purpose of the Military, Naval, and Convict services, should there be occasion for it.

COURT OF CLAIMS.

**N**OTICE is hereby given, that the following Claims for DEEDS of GRANT of LANDS and TOWN ALLOTMENTS, will be ready for the examination of the Commissioners appointed for the purpose under the Act of Council 5th William IV., No. 21, at the expiration of two months from this date, before which day any Caveat or counter claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

**Case No. 1184.**—Ann Byrne Smith, of Prospect. Fifty-four perches, in the county of Cumberland, parish of St John, town of Parramatta, allotment No. 20, of section No. 6, on the north side of Aird's-street; bounded on the east by a line 2 chains 87 links; on the north by a line 1 chain 18 links; on the west by O'Connell-street, 2 chains 87 links; and on the south by that street 1 chain 18 links. This allotment was leased by Sir Thomas Brisbane for 21 years, from the 30th June, 1823, to William Smith, deceased, whose widow took as a chattel, and assigned to Joseph Kenyon, junior, in trust for claimant, who requests a Deed on condition of the lease, viz:—on payment of a

sum equal to 21 years quit-rent. By an application which formed the subject of the case No. 727, it appeared, that Mr. W. H. Moore claimed a portion of this allotment at the north end.

**Case No. 1185.**—John Stedworthy, of Parramatta, yeoman.

One hundred and seventy-two perches, in the county of Cumberland, parish of the Field of Mars, town of Parramatta, allotment No. 4, on the south side of Grose-street, in section No. 4; bounded on the west by a line 2 chains 12 links; on the south by a line 5 chains 60 links; on the east by Brickfield-street, being a line to Grose-street 2 chains 22 links; and on the north by Grose-street 4 chains 70 links.

This allotment was leased by Sir Thomas Brisbane for 21 years from 30th June, 1823, to George Spay or Spray, who it is alleged, obtained a promise of the same from Governor Macquarie, for services, and sold to claimant, who requests a Deed on the conditions of the lease, viz:—the payment of 21 years quit-rent.

**Case No. 1186.**—David Scott, of New Zealand, by his Attorney, John Smith, Esq.

One acre, two roods, and twenty-seven and a-half perches, in the county of Cumberland, town of

Parramatta, parish of St. John, allotment No. , of section No. 3; bounded on the north by Aird-street 7 chains 36 links; on the east by H. Thorn's allotment 2 chains 24 links; on the south by George Blaker's and James Wood's allotments 7 chains 44 links; and on the west by vacant land 2 chains 33 links, comprising allotments Nos. 31, 32, 33, 36, 37, 38, and 39.

The above description was inserted in the *Gazette* notice, of 12th January, 1832, preparatory to the making out of a deed of grant for Samuel Larken, who was reported as the proprietor; subsequently he devised all his estates to his children, and they by memorial No. 868, preferred to the old Commissioners, solicited deeds of grant, and this was the third allotment included in that memorial, but no final report was prepared. This allotment comprehends 7 conterminous locations, numbered 31, 32, 33, 36, 37, 38, and 39, to different individuals; but there are contradictory statements respecting the names of these locatees. Of one allotment, No. 38, Cronan's—a Deed of Grant has issued to Robert Reilly, in pursuance of case No. 299; but it appears that it is of No. 39, located to Gough, that a Deed should have been prepared; Larken's children, it is alleged, have conveyed to claimant. No leases having issued of these locations, a Deed or Deeds of Grant will be in pursuance of the Regulations of the 25th August, 1834, according to the occupation of Reilly.

Case No. 1187.—David Scott, of New Zealand, by his Attorney John Smith, Esq.

Twenty-five perches, in the county of Cumberland, parish of St. John, town of Parramatta, allotment No. 13, on the north side of Campbell-street, in section No. 4; bounded on the north by William Sherwin's leased allotment 1 chain and 6 links; on the west by William Robert's leased allotment 1 chain and 50 links; on the south by Campbell-street 105 links; and on the east by Marsden-street 1 chain and 54 links.

This allotment, it is alleged, was located to John Thorn, on the authority of Governor Macquarie, who sold to Samuel Larkin, who devised to his children, who, by memorial No. 868 preferred to the first Commission, solicited Deeds of Grant, and this was the seventh allotment of that memorial; but as no final report was prepared, no Deed of Grant issued. Larkin's children have now, it is alleged, conveyed to claimant. This not being a leased allotment, the Deed will be in accordance with the Regulations of 25th August, 1834.

By direction of the Commissioners,

Secretary.

ter claim must be entered at this Office. Due notice will be given of the days appointed for the hearings.

Case No. 1188.—Mrs. Brown, of Liverpool, by her Attorney, James Norton, Esq.

Six acres and thirty perches, in the county of Cumberland, parish of St. Luke, town of Liverpool; bounded on the north by an unnamed street, being a line bearing west 13 degrees 5 minutes south 8 chains 30 links; on the west by George-street being a line bearing south 10 minutes east 6 chains 68 links; on the south by Lachlan-street, being a line bearing east 10 degrees north 8 chains 16 links; and on the east by Biggs-street, being a line bearing north 40 minutes west 8 chains 53 links.

This allotment was located on the authority of Mr. Moore, J.P., of Liverpool, to Wm. Mannix, who, it is alleged, sold to Francis Ewen Forbes, who sold to claimant. The Deed will be prepared subject to quit-rent determined by the notice of 29th May, 1829, in pursuance of the Regulations of 25th August, 1834.

Case No. 1189.—Robert Ward, of Sydney, in trust for Hugh Taylor, of Parramatta, agent, and William Farrington, of ———, an infant,

Twenty-three perches, county of Cumberland, parish of St. John, town of Parramatta, allotment No. 8, on the south side of Macquarie-street in section No. 11; bounded on the west by a line 2 chains 92 links; on the south by a line 50 links; on the east by a line to Macquarie-street 2 chains 90 links; and on the north by that street 41 links.

This allotment was leased by Sir Thomas Brisbane, for 21 years, from the 30th June, 1823, to Francis Mountain, who, it is alleged, sold to Rd. Farrington, who devised to claimants Taylor and Farrington, who requests a Deed of Grant upon the payment of 21 years quit-rent as provided by the lease.

Case No. 1190.—Samuel Bayless, wheelwright, Brickfield Hill, Sydney, opposed by John Croft, of ———.

One hundred acres, in the county of Hunter, parish unnamed, at the confluence of the Goulburn and Hunter Rivers; commencing on the River Hunter, at the north-east corner of Greig's 500 acres, and bounded on the south by the northern boundary of the said Greig's 500 acres, being a line bearing west 57 chains; on the west by a line bearing north 19 chains to Patrick Kelly's 200 acres; on the north by the south boundary of the said Patrick Kelly's 200 acres, being a line bearing east 49 chains to the River Hunter; and on the east by the River Hunter downwards to the north-east corner of Greig's 500 acres as aforesaid.

This land was located on an order of Sir Thomas Brisbane, dated 8th October, 1823, in favour of James Strachan, who, it is alleged, sold to Henry Flemming, who sold to James Dargin, who sold to John Croft, who sold to claimant; but Croft disputes his claim.

Case No. 1191.—William Henry Burgin, of Parramatta.

Forty-four perches, county of Cumberland, parish of the Field of Mars, town of Parramatta, allotment No. 14, on the west side of the Windsor road, in section No. 8; bounded on the north by Dillon's (now News') allotment 150 links; on the west by a line 164 links; on the south by Harvey's allotment 180

links to the Windsor Road; and on the east by that road 171 links.

This allotment is part of an original location of Rose or Mary Kennedy, who, it appears, sold to claimant, who alleges that the lease was intended for him, although in his father's name of William instead of William Henry.

The lease was issued by Sir Thomas Brisbane and is for 21 years from 30th June, 1823. The deeds of Grant is prayed for on the conditions of having erected buildings of the value of £1000 as provided by the lease.

By direction of the Commissioners.
