But in Country Districts, where a Board of Survey cannot be conveniently assembled, the Party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will previously to any other proceeding on their part concur in naming a third as umpire, who in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the Board, Arbitrators, or Umpire, shall decide that the article is not according to the Conditions of the Contract, it must be immediately replaced by the Contractor, failing of which it will be procured, and the expense charged to his account. 12. It shall be in the power of either party to

limit the duration of the Contract, by giving, in writing, a notice of three calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.
