But in Country Districts, where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as Umpire, who, in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the Board, Arbitrators, or Umpire, shall decide that the article is not according to the Conditions of the Contract, it must be immediately replaced by the Contractor, failing of which it will be procured, and the expense charged to his account. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the Head of the department, or Officer in charge of the party or parties for whom the rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality or in improper condition, it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal, although, in the mean time, he must take back the rejected article and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

12. It shall be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three *calendar months* to the opposite Party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

13. The Contractor shall prepare his own account according to the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, shall receive payment monthly.

14. The value of all packages shall be included in the prices demanded.

15. Persons wishing to tender are requested to apply either at this Office, or to the Commissariat Officers in charge at the several Stations, who will furnish them with printed forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly; and no payment will be made upon any Contracts until the bonds have been executed.

16. The amounts of the Bonds required in the several Districts, are as follows, if contracted for collectively, viz:—Sydney, £5,000; Parramatta, £1,000; Liverpool and Campbelltown, £500;

Illawarra, £500; Windsor, £500; Penrith, £500; Hartley, £500; Bathurst £500; Newcastle, £1,000; Maitland, £500; Port Macquarie, £500.

17. Tenders are to be enclosed in a separate envelope, addressed to the undersigned, marked "*Supplies for 1844*," and no Tender, made in consequence of this Advertisement, shall be withdrawn or altered, but notice of those accepted shall be given within three days of the time of opening.

18. Flour in place of bread to be given for the Military Ration, *when required*, in the proportion of 14 2-7th ozs. of the former, for 16 ozs. of the latter.

19. The Contractor for the District of Sydney will be bound to furnish the Rations and articles particularised under the head of Provisions, Nos. 1 to 12, not only for the purposes specified, but also for any other purposes of the Military, Naval, and Convict services, should there be occasion for it.

Greeting:—

**W**HEREAS, upon the Petition to the Honorable the Judges of our Supreme Court of New South Wales, of Samuel Tree, of Sydney, market gardener, against William Henry Sawyer, late of Sydney, shoemaker, now absent from the Colony, it appeared to us, that the said William Henry Sawyer is justly and truly indebted to him the said Samuel Tree, in the sum of one hundred and forty-four pounds twelve shillings and two-pence, being the amount of a sum of fifty-six pounds two shillings, which, by a decree of the Supreme Court of New South Wales, in its equitable jurisdiction, made in a cause wherein the said Samuel Tree was Plaintiff, and the said William Henry Sawyer was Defendant, was, on the fourteenth day of July, in the year of our Lord one thousand eight hundred and forty-three, ordered to be paid by the said William Henry Sawyer to the said Samuel Tree, (together with the costs of the said suit, which when taxed, amounted to the sum of eighty-six pounds fifteen shillings and eight pence) and the sum of eighty-six pounds fifteen shillings and eight-pence, the taxed costs thereof; That the said William Henry Sawyer has real and personal property within this Colony; That on the 16th day of January instant, the said William Henry Sawyer departed from this Colony with intent to defeat and delay the said Samuel Tree, and others, his Creditors, in obtaining payment of their just debts, to them due and owing; That the said William Henry Sawyer did thereby commit an Act of Insolvency, whereupon the said Samuel Tree prayed that the Estate of the

Now, therefore, we command you, that you summon the said William Henry Sawyer, that he be before our Justices of our Supreme Court aforesaid, on the twenty-fifth day of March next, at Ten o'clock in the forenoon, to shew cause, if he have any, why his Estate should not, by sentence of the said Court, be adjudged to be sequestrated for the benefit of his Creditors, and return you then and there this Writ, with whatever you have done thereupon.
