1st.—All Requisitions are to be made in Duplicate, in the prescribed form, for the different Offices and Departments in Sydney, *half yearly*, on the 1st of December and 1st of June; and for all Outstations, Port Phillip District included, *annually*, on the 1st of December, and unless in cases of *great urgency*, at no other period, except for clothing for prisoners in the Gaols, or employed in the Colonial Departments, for which Estimates and Requisitions must be made as heretofore, agreeably to the Regulation of 21st January, 1839. The Requisitions prepared under the former Regulation, for the the Quarter commen-

LUNATIC ASYLUM.

HIS Excellency the GOVERNOR directs it to be notified that, under the 12th section of the Act of the Legislative Council, passed in the seventh year of the Reign of Her Majesty Queen Victoria, intituled "*An Act to make provision for the safe custody of, and prevention of offences by, persons dangerously insane, and for the care and maintenance of persons of unsound mind,*" applications for the admission into the Lunatic Asylum, of persons who are insane, but not dangerously so, are to be accompanied by the following documents, viz:—

1st.—A Certificate from two legally qualified Medical Practitioners, that they have examined the person, and found him or her to be of unsound mind.

2nd.—The application must be made by one or more of the relatives or guardians of the insane person, which application must be sanctioned, in writing, by one of the Judges of the Supreme Court of New South Wales.

In all applications of this nature, the relationship in which the applicants stand to the insane person must be stated.

The applications, when complete, are to be forwarded to the Colonial Secretary.

The charge for the maintenance of an insane person (male or female) in the Lunatic Asylum, will be one shilling and nine-pence per diem; and unless the insane person be a pauper, the application for his or her admission must be accompanied by an

engagement from two responsible persons (known to and approved by the Government) for the regular payment of this sum.

If the application be for the admission of the insane person as a pauper, proof must be adduced, not only that such person is without funds for his or her maintenance, or incapable of earning his or her own living, but that such insane person is also without friends, who can reasonably be expected, wholly or in part, to maintain such person.

If it be made to appear that the insane person has friends, who can in part, although not wholly, pay for his or her maintenance, the charge of 1s. 9d. per diem may be reduced by order of His Excellency the Governor.

E. DEAS THOMSON.

The Wheaten Bread shall be made in loaves of 3lbs., and the Mixed Bread in loaves of 3½lbs. each, and baked 24 hours before being issued; and parties Tendering are requested to observe, that the most rigid adherence to the conditions as to the quality of the Bread, shall be invariably enforced.

3. The Fresh Meat for the Military Ration shall be in the proportion of 5lbs. of Beef, and 2lbs. of Mutton, weekly, deliverable alternately in fore and hind quarters, when the quantity admits of it; for the Convict Rations, the Beef shall be delivered in the same manner; Salted Beef being issued only in summer to Road Parties, and when authorised.

The Rum shall be West India, five per cent. under proof.

6. The supplies above specified shall be delivered by the Contractor direct to the Parties or Establishments entitled thereto, upon the written order of the Commissariat Officer in charge of the District, or of the person authorised for that purpose.

7. At the several fixed Stations the Rations for the Troops, the Convict Establishments, and Road and other Parties, shall be delivered by the Contractor at the Barracks, Establishments, or Huts, where the Parties to be supplied may be stationed; being previously to removal from the Contractor's Premises approved by a Person authorised for the purpose.

GENERAL CONDITIONS.

9. Parties tendering may do so by either of the three following modes, at their option, viz:—

1. The whole of the Supplies of every description, in each District, may be included in one Tender, as at present.

2. Or the Supplies may be tendered in subdivisions, as below, by a separate Tender for each sub-division, viz:—

1. The Military Ration
2. The several Rations for Convicts are described from 2 to 8, inclusive
3. The Ration of Forage
4. The Ration of Fuel and Light
5. The Supplies for Hospitals
6. The Supplies for the Penal Settlements, (Sydney.)

3. Or the various articles comprising the several Rations referred to, as well as all those required for Hospitals and other purposes, may be tendered separately or singly by weight and measure, the undersigned reserving to himself the power of accepting Tenders for supplying by any of these modes which he may find most expedient.

10. Contractors supplying Road Parties, on the Bathurst or other roads similarly situated, shall have at all times on the spot a supply for fourteen days in reserve, in the care of a competent Agent, to whom reference may be had in the Contractor's absence.

11. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is of a perishable nature, by a Board of Survey, according to the practice of the service. But in Country Districts, where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as Umpire, who, in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the Board, Arbitrators, or Umpire, shall decide that the article is not according to the Conditions of the Contract, it must be immediately replaced by the Contractor, failing of which it will be procured, and the expense charged to his account. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the Head of the department, or Officer in charge of the party or parties for whom the rations are to be received, shall have power to reject such article or articles as are obviously of

inferior quality or in improper condition, it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal, although, in the mean time, he must take back the rejected article and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

12. It shall be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three *calendar months* to the opposite Party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

13. The Contractor shall prepare his own account according to the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, shall receive payment monthly.

14. The value of all packages shall be included in the prices demanded.

15. Persons wishing to tender are requested to apply either at this Office, or to the Commissariat Officers in charge at the several Stations, who will furnish them with printed forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly; and no payment will be made upon any Contracts until the bonds have been executed.

16. The amounts of the Bonds required in the several Districts, are as follows, if contracted for collectively, viz:—Sydney, £5,400; Parramatta, £1,000; Liverpool and Campbelltown, £500; Illawarra, £500; Windsor, £500; Penrith, £500; Hartley, £500; Bathurst £500; Newcastle, £1,000; Maitland, £500; Port Macquarie, £500.

18. Flour in place of bread to be given for the Military Ration, *when required*, in the proportion of 14 2-7th ozs. of the former, for 16 ozs. of the latter.

19. The Contractor for the District of Sydney will be bound to furnish the Rations and articles particularised under the head of Provisions, Nos. 1 to 12, not only for the purposes specified, but also for any other purposes of the Military, Naval, and Convict services, should there be occasion for it.
