And in case of a poll being demanded at the same election; I do hereby name Friday, the tenth day of the same month of May, at the Lamb Inn, in Melbourne, aforesaid; such polling to commence at nine of the clock, in the forenoon, and close at four of the clock in the afternoon of the same day.

**Public Notice.**

**N**OTICE is hereby given, that a Court of Petty Sessions will be holden at the Police Office, Melbourne, on Saturday the 11th day of May next, for the purpose of revising the Electoral List for the County of Bourke, for the year commencing the 1st June, 1844, in accordance with the 17th Section of the Act of Council, 6 Victoria, No. 16.

By order of the Justices assembled in Petty Session, Melbourne, dated this 29th day of April, 1844.

JAMES SIMPSON, Senior Magistrate.

*Superintendent's Office,  
Melbourne, March 30, 1844.*

**Twenty Pounds Reward or a Conditional Pardon.**

**W**HEREAS it has been represented to me that John Buchanan and William Holmes were, on or about the 24th instant, stopped on their way to Melbourne from Mr. Bruchett's out-station, in the Portland Bay District, by two armed men, who after having robbed them of a cheque for £21 4s. 6d. fired at and severely wounded each of them.—this outrage being understood to have been committed by Peter Stratton, a native of Van Diemen's Land, and another man at present unknown:—

Notice is hereby given that a reward of twenty pounds will be paid to any free person or persons who shall apprehend and lodge either of the said offenders in any of her Majesty's gaols; and if either of the said parties be apprehended and secured by a prisoner of the Crown, application will be made to her Majesty for the allowance to him of a conditional pardon.

Signed, on behalf of his Excellency the Governor,

C. J. LA TROBE, Superintendent

*Superintendent's Office,  
Melbourne, 26th April, 1844.*

**A**S it appears that some misapprehension exists, among persons holding portions of Crown Lands under the ordinary £10 license within the boundaries of location, of the object of the Government in ordering the recent republication of the Government Notice of August 21st, 1841, relative to the occupation of Crown Lands so situated, it is considered proper to state that this republication was directed in consequence of application being made at the Survey Office, by certain parties, to lease unoccupied sections of land under the said regulations; It is not at present the wish of Government to bring those regulations into operation in this District further than may be required to meet special applications of the above character.

C. J. LA TROBE.

His Excellency the Governor directs it to be notified, that, in future, before any bidding is accepted, the party will be required to pay £5 for each section of 640 acres, at the fall of the hammer, whether the yearly price of the License exceed that sum or not, and the balance, if any, within one month from the day of sale, as heretofore.

**DEPASTURING LICENSES.**

WITH reference to the Regulations of the 21st May, 1839, and 14th September, 1840, relative to the occupation of the Crown Lands beyond the boundaries of Location; His Excellency the Governor, in consequence of the practice which has grown up of parties occupying several distinct stations under one License, has been pleased, with the advice of the Executive Council, to direct, that parties occupying stations in separate Districts, notwithstanding that the same may be contiguous, shall be required in future to take out a separate License for each such District, and to pay the established fee of ten pounds for the same; and that no person shall in future be allowed to take up a new station, either in the same District in which his stock may be depastured, or in any other, without having first obtained a separate license for the same, under the recommendation of the Commissioner, and paid the fee of ten pounds thereon.

2. His Excellency, with the advice of the Executive Council, has further directed, that from and after the 1st day of July, 1845, a separate license must be taken out, and the fee of ten pounds paid thereon, for each separate station or run occupied, even though situated in the same District.

3. No one station, within the meaning of these Regulations, is, after the 1st July, 1845, to consist of more than 20 square miles of area, unless it be certified by the Commissioner that more is required for the quantity of sheep or cattle mentioned in the next paragraph.

4. If the party desire to occupy more, and the Commissioner consider him entitled to such occupation, with reference to the quantity of stock possessed by him, or its probable increase in the ensuing three years, as well as the accommodation required by other parties, and the general interests of the public, an additional license must be taken out and paid for.

5. Every station at a greater distance than seven miles from any other occupied by the same party, will be deemed a separate station within the meaning of these Regulations, even though the area occupied may not altogether exceed 20 square miles; and no one license will cover a station capable of depasturing more than 4000 sheep or 500 head of cattle, or a mixed herd of sheep and cattle, equal to either 500 head of cattle or 4000 sheep.

6. No station, or part of a station, previously occupied under a separate license, will be incorporated with, or added to the station of, any licensed person, unless he pay for it the price of another license.

7. In other respects, the Regulations referred to will remain in force.
