THE Governor has been pleased to rescind the Regulations relative to Requisitions, dated 13th February, 1837, and to direct that the following be strictly attended to by the Civil Departments, the expenses of which are defrayed out of the Colonial Treasury:—

- 1st.—All Requisitions are to be made in Duplicate, in the prescribed form, for the different Offices and Departments in Sydney, *half yearly*, on the 1st of December and 1st of June; and for all Outstations, Port Phillip District included, *annually*, on the 1st of December, and unless in cases of *great urgency*, at no other period, except for clothing for prisoners in the Gaols, or employed in the Colonial Departments, for which Estimates and Requisitions must be made as heretofore, agreeably to the Regulation of 21st January, 1839. The Requisitions prepared under the former Regulation, for the Quarter commencing this day, will, however, be received by the Colonial Storekeeper, but it will be necessary for the Departments in Sydney to forward to that Officer, without delay, Supplementary Requisitions for the remainder of the half year, and for those at the Outstations similar demands for the remainder of the year.

LUNATIC ASYLUM.

HIS Excellency the Governor directs it to be notified that, under the 12th section of the Act of the Legislative Council, passed in the seventh year of the Reign of Her Majesty Queen Victoria, intituled "An Act to make provision for the safe custody of, and prevention of offences by, persons dangerously insane, and for the care and maintenance of persons of unsound mind,"

applications for the admission into the Lunatic Asylum, of persons who are insane, but not dangerously so, are to be accompanied by the following documents, viz:—

- 1st.—A Certificate from two legally qualified Medical Practitioners, that they have examined the person, and found him or her to be of unsound mind.
- 2nd.—The application must be made by one or more of the relatives or guardians of the insane person, which application must be sanctioned, in writing, by one of the Judges of the Supreme Court of New South Wales.

In all applications of this nature, the relationship in which the applicants stand to the insane person must be stated.

The applications, when complete, are to be forwarded to the Colonial Secretary.

The charge for the maintenance of an insane person (male or female) in the Lunatic Asylum, will be one shilling and nine-pence per diem; and unless the insane person be a pauper, the application for his or her admission must be accompanied by an engagement from two responsible persons (known to and approved by the Government) for the regular payment of this sum.

If the application be for the admission of the insane person as a pauper, proof must be adduced, not only that such person is without funds for his or her maintenance, or incapable of earning his or her own living, but that such insane person is also without friends, who can reasonably be expected, wholly or in part, to maintain such person.

If it be made to appear that the insane person has friends, who can in part, although not wholly pay for his or her maintenance, the charge of 1s. 9d. per diem may be reduced by order of His Excellency the Governor.
