 2. Or the Supplies may be tendered in subdivisions, as below, by a separate tender for each sub-division, viz. :—
 1. The Military Ration
 2. The several Rations for Convicts as described from 2 to 9 inclusive
 3. The Ration of Forage
 4. The Ration of Fuel and Light

5. The Supplies for Hospitals.
6. The Supplies for the Penal Settlements,
7. The Supplies for General Purposes.

3. Or the various articles comprising the several Rations referred to, as well as all those required for Hospitals, and other purposes, may be tendered separately or singly by weight and measure, the undersigned reserving to himself the power of accepting tenders for supplying by any of these modes which he may find most expedient.

10. Contractors shall have at all times on the spot a supply for fourteen days in reserve, in the care of a competent Agent, to whom reference may be had in the Contractor's absence, in failure of which the Commissariat Officer, may purchase at his, the Contractor's expense, such articles as are not forthcoming.

11. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is of a perishable nature, by a Board of Survey, according to the practice of the service. But in Country Districts, where a Board of Survey cannot be conveniently assembled, the party objecting will name one person as Arbitrator, the Contractor or his Agent another, and these two will (previously to any other proceeding on their part) concur in naming a third as Umpire, who, in event of the Arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final, the only question referred to the Board, or to the Arbitrators, will be, whether or not the article objected to, be such as by his Contract, the Contractor is bound to deliver; and, if the Board, Arbitrators, or Umpire, shall decide that the article is not according to the Conditions of the Contract, it must be immediately replaced by the Contractor, failing of which it will be procured, and the expense charged to his account. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the Head of the department, or Officer in charge of the party or parties for whom the rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality or in improper condition, it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

12. It shall be in the power of either party, to limit the duration of the Contract, by giving, in writing, a notice of three calendar months to the opposite Party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made; and not later than the 1st of August.

13. The Contractor shall prepare his own account

according to the prescribed form; and on the production thereof, with the requisite vouchers in a complete state, shall receive payment monthly.

14. The value of all packages shall be included in the prices demanded.

15. Persons wishing to tender are requested to apply either at this Office, or to the Commissariat Officers in charge of the several Stations, who will furnish them with printed forms for the purpose, and communicate further particulars; and as adequate security will be required for the due fulfilment of the Contracts, each Tender must be accompanied by a letter from the parties proposed as such, stating that they are willing to become bound as securities for the Contractor accordingly; and no payment will be made upon any contracts until the bonds have been executed.

16. The amounts of the Bonds required in the several Districts, are as follows, if contracted for collectively, viz.:—Sydney, £5,000; Parramatta £1,000; Liverpool and Campbelltown, £500; Illawarra, £500; Windsor, £500; Penrith, £500; Hartley, £500; Bathurst, £500; Newcastle, £1,000; Maitland, £500; Port Macquarie, £500.

17. Tenders *in duplicate* are to be enclosed in a separate envelope, addressed to the undersigned, marked "Supplies for 1845," and no Tender, made in consequence of this Advertisement, shall be withdrawn or altered, but notice of those accepted shall be given, within three days of the time of opening.

18. Flour in place of bread to be given for the Military Ration, *when required*, in the proportion of 14 2-7th ozs. of the former, for 16 ozs. of the latter.

19. The Contractor for the District of Sydney, will be bound to furnish the Rations and articles particularised under the head of Provisions, Nos. 1 to 14, not only for the purposes specified, but also for any other purposes of the Military, Naval, and Convict services, should there be occasion for it.
