NEW SOUTH WALES  
GOVERNMENT GAZETTE,

Published by Authority.

TUESDAY, JANUARY 21, 1845.

THE following additional Rules of Practice and proceeding for the conduct of business in the Courts of Request of the Colony, have been settled by me, with the assistance of Roger Therry, Esq., Commissioner of the Courts of Requests of the County of Cumberland, pursuant to the Act of Council, 6th Victoria, No. 15.

*In Witness whereof I have hereto set  
my hand at Government House,  
Sydney, this seventeenth day of  
January, 1845.*

(Signed) GEORGE GIPPS,  
GOVERNOR.

*(Appropriation of Fees.)*

41.—That the following scale shall be adopted for regulating the appropriation of the fees taken by the Officers of the Court of Requests, for their several and respective services, pursuant to Act of Council, 6th Victoria, No. 15, section 39, viz:—

That the fees receivable for process in the several Courts shall be distributed in the following proportions to the several Officers of the Court for their several and respective services; one-third of the amount shall be paid to the Commissioner, and the remaining two-thirds shall be appropriated to the payment of the Registrar, Clerks, Bailiffs, and other Officers of the Court, in the proportions in which they have been hitherto severally and respectively remunerated by salaries for their services.

*(Particulars filed in Action to be explicit.)*

42.—That all particulars filed in any action shall be explicit, and shall specify items, dates, and amounts, with reasonable certainty, and if money has been paid on account, such particulars shall specify it, and state the balance for which the plaintiff seeks to recover.

*(Defendant failing to file plea, &c., judgment to go by default.)*

43.—That if any defendant shall fail to file his plea, defence, or set-off, within the time limited by these Rules, the plaintiff shall be entitled to a judgment by default, and the facts stated in his demand or plaint, filed as aforesaid, shall be taken to be admitted by the said defendant, and it shall only be necessary for the said plaintiff in any such action to prove the amount of damage sustained by him against such defendant: Provided always, that the said Commissioner, upon good cause being shewn by the said defendant for not filing his said plea, defence, or set off, within the time aforesaid, may allow such defendant, either upon terms or otherwise, or with, or without payment of costs, to come in and defend such action.

*(Plaintiff confined to cause set forth in plaint.)*

44.—That at the trial of the cause, the plaintiff shall be confined in his proof to the cause of action set forth in his demand or plaint, and to the items contained in his particulars.

*(Appearance of Defendant to constitute a waiver of irregular service of summons.)*

45.—That if a defendant in any cause appear at the trial thereof, either in person or by his counsel or attorney, such appearance shall be deemed a waiver of any irregularity in the service of the summons issued in such cause; but if in consequence of such irregular service, any such defendant shall not have had sufficient time to prepare his defence, the Commissioner may postpone the hearing of the cause to a future day, either with or without the costs of the defendant's appearance, to obtain such further trial.

*(Plaint may be amended in certain cases.)*

46.—That the Commissioner may, at any time, allow any amendment to be made in any demand,

plaint, particulars, plea, set-off, or other proceeding, either in form or substance, if the party against whom such amendment is sought to be made, has not been misled or prejudiced by the defect intended to be amended, or upon payment of the reasonable costs of the opposite party occasioned by such defect, and the amendment thereof.

(If Defendant appear and Plaintiff do not, non-suit may be entered.)

47.—That if a Defendant in any case above £10, shall appear in person, or by his Clerk or Servant, or by his Attorney, at the hearing of the case, and the Plaintiff shall fail to appear, either in person, or by his Clerk or Servant, or by his Attorney, to conduct the said case, as required by the 46th section of the said Act of Council, a non-suit may be entered for the Defendant.

(17th Rule of Practice repealed.)

48.—That the 17th Rule of Practice and proceeding is hereby repealed, and henceforward the following Rule shall be substituted in lieu thereof. In all Actions tried in the several Courts of Requests, in which there shall be a verdict in favor of Plaintiff, the amount of costs arising from fees of Office, recoverable from the Defendant, shall be the same amount as that paid by Plaintiff or Attorney, in filing the plaint, unless it shall appear to the Commissioner at the hearing of the case, that a less amount ought to be awarded.

(Attorney on filing Bill of Costs, to give notice of time for taxing.)

49.—In all cases of Bills of Costs filed by an Attorney for proceedings taken in the several Courts, he shall at the time of filing the same give notice to the Plaintiff or Defendant, as the case may be, that he will, within three days, proceed to tax the same before the Registrar of the Court, and should such Plaintiff or Defendant or his Attorney, neglect to attend at such taxation, he shall be deprived of the benefit of any reduction he might otherwise claim; provided however that upon reasonable cause shewn it shall be lawful for the Commissioner to direct a fresh taxation of such costs, either generally or in respect of particular items.

(Registrar or Chief Clerk to tax Costs.)

50.—That all Bills of Costs for taxation be taxed by the Registrar of the Court, or in his absence the Chief Clerk thereof.
