GOVERNMENT HOUSE AND LANDS, PARRAMATTA.

WITH reference to an advertisement, dated the 15th July last, His Excellency the GOVERNOR has been pleased to direct it to be notified, that the Government House and Domain, at Parramatta, will be let in two lots, as described hereunder; and that Tenders from persons disposed to rent the same, will be received at this Office, at any time not later than Twelve o'clock, on Saturday, the 15th November next.

The first lot will comprise the entrance lodge, dwelling house, offices, stabling, garden, dairy, men's huts, and farm buildings, with the whole of the land formerly attached thereto, and charted on the map in the Surveyor General's Office, as the Government Domain, containing about one thousand acres.

From this lot the following buildings will be excluded, being reserved for the use of the persons at present occupying them, viz. :—

- 1st.—The Observatory.
- 2nd.—The building known by the name of the Mud Lodge, now occupied by a constable.
- 3rd.—The lodge near the Flag Staff, now occupied by Mrs. Abbott, the widow of a constable, murdered whilst in the execution of his duty.
- 4th.—The building known by the name of the Laundry, which has been in the occupation (for the last twenty years,) of Mrs. Abel.

This lot will be let for either one or three years, at the option of the party tendering.

The rent is to be paid yearly in advance, or, if

not so paid, a bond, with two responsible sureties, (to be named in the tender,) for the punctual payment of the rent quarterly, will be required.

Security must also be given for the upholding the buildings, fences, &c., in their present condition, and for delivering up the same, on the expiration of the term for which they may be let, in as good a state as when entered upon, reasonable wear and tear excepted.

The second lot, comprising the remainder of the land (but without the stone quarries) hitherto attached to the Government House, and consisting of upwards of fifteen hundred acres, will be let upon similar terms.

The Leases will commence from and after the 1st January next, when possession will be given; and it is expressly to be understood, that no Timber on the premises is to be sold, or appropriated to any other purpose than for household use and for repairing the buildings and fences, under a penalty to be expressed in the bond.

Any further information that may be required, will be afforded on application at the Office of the Colonial Architect, Sydney.

E. DEAS THOMSON.

METEO.—In some former Abstracts of the Meteorological Journal, the words "Dew Point" have been inadvertently inserted instead of "Wet Thermometer"; Notice of this mistake is therefore hereby given, for the information of persons who may have filed or kept the Abstracts. The wet thermometer does not directly indicate the dew point; but in conjunction with the dry thermometer, and the height of the barometer, it affords the means by which the dew point can be calculated, either according to the Formula of Dr. Apjohn, or by means of tables published by Professor Forbes, of Edinburgh.

Separate Tenders will be required for the forage, in the District of Sydney, but the other supplies for that District are to be Tendered for together.

The supplies for each of the other Districts, with the exception of those for the Male and Female Orphan Schools, the Institution for Destitute Roman Catholic Children, and the Lunatic Asylum, are intended to be included in one Contract, and therefore no Tenders can be received, unless for supplying the whole that may be required in the entire of a District and, for each District there must be a separate Tender.

Separate Tenders must also be made for the Male Orphan School, the Female Orphan School, the Institution for Destitute Roman Catholic Children, and for the Lunatic Asylum.

The Tenders for the Moreton Bay District, to specify the sum required for the supply of the following articles, daily, for Boatmen, in addition to the price of their Ration No. 7, viz.:— $\frac{1}{2}$ oz. tea; $1\frac{1}{2}$ oz sugar; $\frac{1}{2}$ oz. tobacco.

CONDITIONS.

All the articles required by this Notice are to be of the best quality of their several kinds.

The Flour and Bread must be the produce of clean sound Colonial wheat, from which, on the Ration of Emigrants, Surveying, and and Mounted Police, or other parties, Superintendent and Crew of the Floating Light, Men at the Light House, Telegraphs, Boatmen, Apprentices, the Orphan Schools, and the Institution for Destitute Roman Catholic Children, 20 per cent., and on the Ration to Prisoners of the Crown, 10 per cent. has been extracted in bran and waste.

flour or 11b. biscuit, equal to $1\frac{1}{2}$ lb. of bread; 11b. salt beef or 11b. mutton, or 10oz. salt pork, equal to 11b. of fresh beef.

These substitutions are not, however, to be made, except on the requisition of the Officers authorised to draw the several Rations.

Hospital Bread is to be supplied to the Children of the Orphan Schools, and to the Institution for Destitute Roman Catholic Children when required by the Surgeon, in lieu of the ordinary Ration.

Vegetables to be supplied in reasonable proportions of potatoes, greens, pumpkins, onions, &c., &c.

The supplies for Road and other parties, are to be delivered at the nearest fixed Stations to the places where the party may be employed, on the requisition of the Officer in charge; and in cases the whole Ration of Forage be not required or delivered, each of the species to be reckoned as the portion of the Ration undermentioned:—

The maize or barley 4-12, the hay 5-12, the bran 2-12, the straw 1-12.

The supplies (not specified in the preceding paragraph,) are to be delivered direct to the parties or establishments entitled thereto, on the written order of the person duly authorised for the purpose.

The Tenders for provisions and Forage, when required by Rations, according to the scale under their respective heads, are to express the price per Ration only.

The Tenders for Forage are not required to state the price of the Ration for Oxen, as when the latter is required, one-half of the allowance fixed for Horses will be drawn, and one-half the price allowed to the Contractor, whose engagement will be to provide for both Horses and Oxen.

In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

If the board, arbitrators, or umpire, shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

In the event of any unnecessary delay, or

failure of the Contractor to supply the articles when required, they will be otherwise procured, and charged in like manner.

In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which, it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

The Contractor will be required to prepare his own account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

The value of all packages to be included in the prices demanded.

Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and no Tender will be attended to unless accompanied by an agreement in writing, made upon, and in conformity with such printed form, and signed by at least two solvent parties, stating their willingness to become sureties for the due fulfilment of the Contract, and no payments will be made to the parties whose Tenders may be accepted, until the bonds are duly executed by themselves and sureties.

The Tenders to contain the names of the Tenderers and their Sureties, and places of residence, at length.

Each Tender is to be enclosed in a separate envelope, and marked "*Tender for Provisions, &c.*"

Further particulars and information may be obtained on application at this Office, or to the Auditor General.

The party Tendering, or an Agent authorised in writing to act for him, is requested to attend at this Office, at the time appointed for receiving the Tenders, to afford such explanation or information as may be required.

E. DEAS THOMSON.

PORT PHILLIP.

From and to Yass, Gundagai, Albury, Ovens, Seymour, Kilmore, and Melbourne, once or twice a week, for the whole distance, or separately for portions of the Road.

It is to be understood that the Mails are to be dispatched on the days and hours to be fixed by the Postmaster-General, either according to the present arrangement, or as he may afterwards determine for the public convenience.

It will be optional with parties to offer for one or more of the above lines of stages, and to propose the mode of conveyance; but on all roads where wheel vehicles can travel, a preference will be given to carriage conveyance, and the Contractors will be held strictly bound to use the conveyance they propose, and to travel at the rate agreed upon. The rate of travelling is not to be less than six miles per hour, including all stoppages. The Contractors are to carry all bags and letters which may be delivered to them under authority of the Postmaster-General, or any of the Postmasters, and to provide secure lockers for the Mails in carriages, and dry coverings for the bags on horseback.

Contractors will be bound to prevent the conveyance of any letter or packet, by any of their servants, or passengers, or otherwise, to the prejudice of the Post Office Revenue, under a penalty of £5 for each and every offence.

Contractors will be liable to a fine of five shillings for every five minutes delay after the specified time of starting; and to a like penalty for every ten minutes delay after the specified time of arrival, except for the first five or ten minutes respectively.

Contractors will be bound not to assign any portion of their Contract without consent of the Postmaster-General.

A Mail Cart or Carriage, drawn only by one horse, must not carry more than one passenger; by two horses, not more than three passengers; and by three or more horses, not more than six passengers, exclusive of the driver, under a penalty of £3 for each offence, on all roads except between Melbourne and Yass, and on that road the penalty will be £10.

All vehicles and horses employed in the conveyance

of Mails, are to be at all times subject to the inspection and approval, or rejection of the Postmaster-General, or person appointed by him for that purpose.

The drivers and postmen are to be free men, and of certified good character.

All fines and penalties incurred under the agreement are to be deducted by the Postmaster-General, from the next quarterly instalment falling due to the Contractor, and to be considered as over and above any penalties provided by any Act of Council.

Each party tendering or an agent for him, must attend at this Office on the day appointed for opening the Tenders; and each Tender must bear the signature of two respectable and solvent persons, willing to enter into a bond with the Contractor for the safety of the Mails and the due performance of the Contract.

The hours of starting from each Post Office, and other particulars, may be ascertained at the General Post Office, where parties proposing to Tender are invited to seek information.

Printed forms of Tender may be had on application at the General and all other Post Offices throughout the Colony.
