C. J. LA TROBE.

Colonial Secretary's Office,
Sydney, 25th July, 1845.

VACCINATION.

IT having been reported to the Government that Small Pox was prevailing to a considerable extent at Manila, up to the latest date at which accounts have been received from thence, and that many persons had died of that complaint, His Excellency the Governor has directed the re-publication of the Notice of the 29th July, 1839, with a view of again drawing the attention of parents and guardians to the importance of Vaccination.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 29th July, 1839.

VACCINATION.

IN order to avert the calamities which must necessarily follow if the Small Pox be introduced into the Colony, and to keep up a constant supply of Vaccine Lymph, His Excellency the Governor directs it to be notified, that children will receive Vaccination gratis, if taken to any of the Public Hospitals or Colonial Surgeons throughout the Colony, every Tuesday, at Eleven o'clock in the forenoon. But as the operation itself, without any proof of its having taken effect, would be insufficient security to the public mind, His Excellency has been pleased to direct, that a charge of one shilling shall be deposited for every child vaccinated, which sum shall be returned on the presentation of the child on the next Vaccination day.

His Excellency strongly recommends to parents and guardians to avail themselves, as early as possible, of the means thus afforded to them of taking this necessary and proper precaution, with respect to all children not already vaccinated.

By His Excellency's Command,
E. DEAS THOMSON.

IT is ordered that a Criminal Session and General Gaol Delivery of the Supreme Court for the district of Port Phillip, be holden at the Court-house, Latrobe-street, in the town of Melbourne, on Monday, the eighteenth day of August next, at which all parties concerned are requested to give their attendance.

Dated the twenty-eighth day of July, A.D. one thousand eight hundred and forty-five.
R. THIERRY,
Resident Judge.

Colonial Secretary's Office,
Sydney, 17th July, 1845.

PUBLICANS' LICENSES.

WITH reference to the 26th section of the Act of Council, 2nd Victoria, No. 18, under which the majority of the entire number of Justices residing within any District may specially recommend the granting of Publicans' Licenses, at any period of the year; His Excellency the Governor directs it to be pointed out, for the information of parties concerned, that great inconvenience and delay has frequently been occasioned in consequence of the Certificates which are required to enable the Governor to authorise the issue of a License not being prepared in the form prescribed by the Act, and that it be notified at the same time, no License can be issued under the 26th section of the Act, unless the Certificates declare that in the words of the Act that "some injustice or material injury of a public nature will be occasioned by delay in granting the License."

By His Excellency's Command,
