PUBLIC ACCOUNTS.

ALL persons having claims on the Colonial Treasury, are requested to furnish their accounts through the proper channel, before the end of the year, or as soon thereafter as practicable.

The several Collectors and Officers in the receipt of public monies, will pay over to the Colonial Treasurer, on or before the 31st of December, the amount of all collections remaining in their hands, respectively up to that date, so that the entire Revenue collected by each may be credited in the accounts of the year within which it was received.

The heads of Departments and other officers who have received advances to enable them to defray expenses incurred under their superintendence, are requested to furnish to the Audit Office, as far as practicable, and with all convenient despatch, the accounts of the expenditure thereof; and on or before the last day of December, to pay into the Colonial Treasury the unexpended balance of such advances, that the adjustment of the same may appear in the accounts to the 31st proximo.

They will also, as soon as practicable, after the close of the year, bring forward all accounts of expenses incurred within the same, which do not admit of being previously settled, so that, if possible, all the expenses incurred in the present year may be finally adjusted and liquidated within one month after its termination.

The Colonial Treasurer is requested to use his endeavours to give effect to these directions, and to report through the proper channel, for the information of His Excellency the Governor, any instance of neglect in complying therewith, on the part of the Government Officers concerned.

*By His Excellency's Command,
 E. DEAS THOMSON.*

GOVERNMENT GAZETTE.

HIS Excellency the Governor directs it to be notified, with reference to the Government Notice of the 1st of June, 1841, that from and after the 1st of January next, copies of the "New South Wales Government Gazette" will be supplied at the Government Printing Office, in Bent-street, at rate of One pound Ten shillings per annum, or seven shillings and sixpence a quarter, payable in advance. The charge for a single copy of the Gazette will be one shilling.

His Excellency further directs it to be notified, that from the same date, the "Government Gazette" will cease to be supplied to any individual Magistrate unless as a subscriber; but that two copies to be retained in the Court House or Office as public property, will be furnished to each Court of Petty Sessions or Bench of Magistrates.

All communications for the Government Printer from the Magistrates and Public Departments in the Country, are to be sent through the Post as at present, but under cover to the Clerk of the Legislative Council, with the words 'Government Printer' on the lower left-hand corner of the Envelope.

Colonial Secretary's Office,
Sydney, 2nd December, 1846.

JAMES ROGERSON.

ENQUIRY having been made from England respecting James Rogerson, his wife, and two children, who emigrated to Port Phillip by the ship "Margaret," in the year 1840; Any person who can furnish any information respecting these Individuals is requested to have the goodness to communicate the same to this Office.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 2nd December, 1846.

CONDITIONAL PARDONS.

HIS Excellency the Governor directs it to be notified, that it has been decided by Her Majesty's Government to qualify, in the Pardons granted to Convicts in Australia, that condition which confined the effect of the Pardon to the Australian Colonies, and to give to the Convict, either Colonial or British, the power of removing to any place which he may desire, provided he should not return to the Country or Colony from which he had been transported. Conditional Pardons granted hereafter will, therefore, be available every where save in the Country or Colony from which the parties to whom they may be issued may have been transported.

It is further notified, that this arrangement is to have a retrospective effect, and that all persons who now hold Exceptive Absolute Pardons, available every where except in Europe, or Conditional Pardons, available either in the Australian Colonies, or in New South Wales only, will have extended to them the benefit of this Regulation, provided they have not disqualified themselves for receiving this indulgence by any colonial offence subsequent to the issue of their former Pardons.

Those persons who are desirous of obtaining new Pardons will apply, in writing, to the Principal Superintendent of Convicts, enclosing, at the same time, the Pardons they now hold.

By His Excellency's Command,
E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 3rd December, 1846.

CONDITIONAL PARDONS.

REFERRING to the Notice of yesterday's date, His Excellency the Governor directs it to be notified, that Her Majesty has been graciously pleased to authorise the issue, in conformity with the provisions of the Act of Parliament, 6 Victoria, ch. 7, of Conditional Pardons to the undermentioned individuals, to take effect in all parts of the world except in the United Kingdom of Great Britain and Ireland.

As new Forms and Registers have become necessary to include the conditions of these Pardon, some delay must take place before the proper instruments can be issued to the parties. As soon however as they have been prepared, and are ready for delivery, a further Notice will be issued, apprising the said parties accordingly.

E. DEAS THOMSON.
