IMMIGRATION.

WHEREAS under the system of Bounty Emigration which continued in operation until the end of the year 1841, many married couples are represented to have emigrated to this Colony without their children, in consequence of their inability to pay the sums demanded, in addition to the Government Bounties, for the passages of such children; and whereas it has been deemed expedient to afford to such children, out of the Public Funds, the means of rejoining their parents:— Notice is hereby given, that application for free passages for his or her children will be received from any Bounty Immigrant who left Great Britain on or before the 7th day of January, 1842,* provided that such Immigrant was produced before, and passed by, the Immigration Board either at Sydney or Melbourne, as one of a married couple.

The applications are to be addressed to the Agent for Immigration, at Sydney, or to His Honor the Superintendent at Melbourne, and must be made in the annexed form, of which copies may be obtained from the Agent for Immigration.

Applications approved by this Government will be forwarded to the Colonial Land and Emigration Commissioners in England, who will be requested to make enquiry, in each case, into the applicant's statements, and, if satisfied of their correctness, to guarantee the allowance of Bounties, according to the current rates, upon the introduction into the Colony of the children specified in the application, on the following conditions:—

1.—That on their arrival in the Colony the children be severally produced before the Immigration Board in good bodily and mental health.

* One vessel, the "Theresa," having been detained by accidental circumstances, sailed on this date.

2.—That every male under the age of fourteen years and every female, be shewn to the satisfaction of the Immigration Board to have been under the charge of a married couple during the voyage.

3.—That every male above eighteen, and every female above fifteen years, be provided with testimonials of good character, signed by clergymen and respectable inhabitants of note in the places of their former residence.

Before, however, any application can be forwarded to the Commissioners in England, the applicant will be required to lodge in the hands of the Immigration Agent the promissory note of himself and two persons of credit, for £5 for each child desired to be brought out, as security that such child will be withdrawn, within a reasonable time after arrival, from under the charge of the Government.

It is to be observed, that all persons to whom passages are granted by the Government, are required to provide themselves with a sufficient supply of clothing, &c., for the voyage, and the following information therefore, taken from a late official document issued by the Land and Emigration Commissioners in England, is inserted for the guidance of applicants under this notice.

"OUTFIT TO AUSTRALIA."

	£	s.	d.
"Cost of outfit for a single man, about	5	0	0
"Cost of outfit for a single woman, about	5	10	0
"The cost of an outfit for children varies with their size; generally speaking, three children under 7, or two between that age and 14, may be clothed for about £5, but a well grown girl or boy of 13 years of age will cost nearly as much as an adult."

E. DEAS THOMSON.*
