QUIT RENTS.

HIS Excellency the GOVERNOR, with the advice of the Executive Council, directs it to be notified, that the following Regulations have been established for the payment and redemption of Quit-rents due upon Lands under Grants from the Crown, namely:—

1st.—All lands for which twenty years' Quit-rent has been already paid shall be free from further charge; and any persons who may have paid more than twenty years' Quit-rent shall have the difference refunded to them.

2nd.—All persons who have not paid up twenty years' Quit-rent, will be required to do so by yearly instalments of the annual amount due in each case, commencing in this present year; and on the completion of twenty years' payment they will be relieved from all further charge.

3rd.—As an inducement to parties to redeem the Quit-rents due by them according to the terms laid down by this notice, they will be allowed to do so,

at any time within twelve months from this date, at the number of years purchase specified in the following scale, namely:—

		Years	Months		
If	Two	Twenty years Quit- rent in the whole	1	9	} purchase
	Three		2	6	
	Four		3	3	
	Five		3	11	
	Six		4	7	
	Seven		5	2	
	Eight		5	8	
	Nine		6	2	
	Ten		6	8	
	Eleven		7	1	
	Twelve		7	6	
	Thirteen		7	10	
	Fourteen		8	2	
	Fifteen		8	6	
	Sixteen		8	10	
	Seventeen		9	1	
	Eighteen		9	4	
	Nineteen		9	7	
	Twenty		9	9	

In any case in which the land included in a Grant has been subdivided and conveyed in portions to different proprietors, the Government will not object to entertain proposals for the total extinction of the proportionate amount of Quit-rent due on any such portion, on the principle established by this notice; but, as no rule can be laid down which would be generally applicable to cases of this nature, they must form the subject of special investigation and arrangement in each individual case, it being however understood, that any expense of ascertaining the boundaries of the land on which it is desired so to redeem the Quit-rent must be borne by the parties interested.

This arrangement will include all Quit-rents, whether for Town Allotments or Portions of Land; and whether the Grant contain any covenant for redemption or not.

E. DEAS THOMSON.*

15. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

19. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in deliver-

ing or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

20. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

21. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

22. The value of all packages to be included in the prices demanded.

23. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and no Tender will be attended to unless accompanied by an agreement in writing, made upon, and in conformity with such printed form, and signed by at least two solvent parties, stating their willingness to become sureties for the due fulfilment of the Contract, and no payments will be made to the parties whose Tenders may be accepted, until the bonds are duly executed by themselves and sureties.
