LEAVE OF ABSENCE TO CIVIL OFFICERS.

HIS Excellency the GOVERNOR is pleased to direct the publication, for the information of the Civil Officers of the Colony, with reference to the Notice of the 1st October, 1842, of the following Circular Despatch from the Secretary of State, dated 1st May, 1846, respecting the issue of their half-pay while on leave of absence.

By His Excellency's Command,
E. DEAS THOMSON.

CIRCULAR.

Downing-street,
1st May, 1846.

SIR,

Circumstances have induced me to reconsider that part of Lord Stanley's General Instructions of 7th March, 1842, which direct that the Half Salary of an Officer absent from his duties for the last half of the leave of absence originally granted to him should not be paid until after his return to the Colony.

I find that since that Rule was established, almost every Officer who has been absent on leave in this Country, has applied for a relaxation of it in his favor, and has been able to allege such circumstances as to induce the Secretary of State to comply with the application. I infer from this that the Rule has been found either not to answer its purpose, or to

effect that purpose at the expense of too much inconvenience and embarrassment to individuals as compared with any advantage attending it, to warrant its being carried practically into operation. But as it appears to me very undesirable that a Rule of this description should be maintained nominally after it has become in reality a dead letter, I have decided on abolishing it, and allowing an Officer absent on leave in this Country, to receive here his Half Salary for the whole period of that leave, as it may from time to time become due. At the same time the other instructions contained in Lord Stanley's Despatch of 7th March, 1842, and all other regulations established to prevent abuse in the application for, or grant of leave of absence, are to be considered in full force.

I have, &c.

(Signed) W. E. GLADSTONE.

GOVERNOR SIR C. FITZ ROY.

Colonial Secretary's Office,

15. In the event of a difference of opinion between the Contractor and the party receiving the supplies, as to the quality, the same is to be decided, in cases where the article is not of a perishable nature, by a Board of Survey, composed by persons named by the Government, according to the practice of the service. But in country districts, where such a Board of Survey cannot be conveniently assembled, the party

objecting will name one person as arbitrator, the Contractor or his agent another, and these two will (previously to any other proceeding on their part,) concur in naming a third as umpire, who, in the event of the arbitrators not agreeing in opinion, will be called upon for his decision, which shall be final.

16. If the board, arbitrators, or umpire shall decide that the article is not of proper quality, it must be immediately replaced by the Contractor, failing of which, it will be procured by the Department requiring it, and the expense charged to the Contractor.

18. In cases where the article is of a perishable nature, or from some other cause injury would be sustained, either by the parties to whom the Rations are due, or to the Contractor, by waiting for a Board of Survey, the head of the Department, or Officer in charge of the party or parties for whom the Rations are to be received, shall have power to reject such article or articles as are obviously of inferior quality; it being distinctly understood, that he will be responsible to the Government for so doing; and that the Contractor will have a right to appeal to the Governor, although, in the mean time, he must take back the rejected article, and supply good in its stead, failing of which, it will be obtained by the Officer or party requiring it, and the expense charged to the Contractor.

19. A repetition of irregularity in the quality or quantity of the supplies, or of any delay in delivering or replacing them when required, will also subject the Contractor, upon the Report of the Officer in charge of the parties or establishment, to such mulct, not exceeding one-fourth the amount of his monthly account, as the Governor may direct. It will also be in the power of the Governor, upon such repetition, to terminate the Contract forthwith.

20. It will be in the power of either party to limit the duration of the Contract, by giving, in writing, a notice of three full calendar months to the opposite party, and to end the Contract at the expiration of that period, it being understood that such notice can be given only from the first day of a month, and within the period for which the Contract is made, or agreed to be made.

21. The Contractor will be required to prepare his own cash account, monthly or quarterly, in the prescribed form; and on the production thereof, with the requisite vouchers, in a complete state to the Officer receiving the supplies, the same will be forwarded by the latter to the Auditor General, in order that a warrant may be prepared and payment made from the Colonial Treasury.

22. The value of all packages to be included in the prices demanded.

23. Printed forms of Tender may be obtained at this Office, or from the Police Magistrates or Benches of the several Districts; and no Tender will be attended to unless accompanied by an agreement in writing, made upon, and in conformity with such printed form, and signed by at least two solvent parties, stating their willingness to become sureties for the due fulfilment of the Contract, and no payments will be made to the parties whose Tenders may be accepted, until the bonds are duly executed by themselves and sureties.
