HIS Excellency the Governor directs it to be notified for general information, that a Writ has been returned to His Excellency certifying the return of

Acts of Council.

HIS Excellency the Governor directs it to be notified, that the Right Honorable the Secretary of State for the Colonies has intimated in his Despatches of the 15th January and 7th February, 1846; respectively, Nos. 16 and 27, that Her Majesty has been graciously pleased to confirm and allow the undermentioned Acts passed by the Governor and Legislative Council, viz.:

7 VICTORIA, No. 19.—“An Act to amend an Act, intituled, ‘An Act for giving relief to Insolvent Persons, and providing for the administration of Insolvent Estates, and to abolish imprisonment for debt.’” (21st December, 1843.)

By His Excellency's command,

E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 30th June, 1846.

CROWN LANDS OCCUPATION.

HIS Excellency the Governor with the advice of the Executive Council directs it to be notified for general information, that licenses for the occupation of Crown Lands beyond the boundaries of location, during the year commencing on the 1st July, 1846, will be issued on the same terms as those on which such licenses were issued for the year ending on the 30th instant, which terms are laid down in the notice from this office, dated 10th July, 1845, which is herewith republished for more convenient reference.

2. On or before the 30th September next, a separate license must be taken out for each station or run, which is returned as a separate station in the last half yearly return made by the Crown Commissioner of the District, and the price of each license will, in like manner be regulated by such return, on the principle embodied in the second paragraph of the notice above referred to.

3. The Governor with the advice of the Executive Council has further directed it to be notified, that every person who shall after the 30th September next, occupy any Crown Lands beyond the limits of location, by his stock or otherwise, without holding a written license under the hand of the Governor of the Colony for the occupation of the same lands, will be and be deemed to be an intruder upon the lands and possession of Her Majesty the Queen, and will hold against the will of the Crown; and all cattle, sheep, or other stock found on any such lands, and which shall not belong to a person holding such license as aforesaid for the occupation of the same lands, will be and be deemed to be trespassing thereon, and will be liable to be removed and impounded accordingly.

By His Excellency's Command,

E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 10th July, 1845.

CROWN LANDS OCCUPATION.

1. With reference to the Notice respecting Licenses to pasture sheep and cattle on Crown Lands, which was issued from this office on the 2nd April, 1844, and to the Despatches of which copies were published in the *Government Gazette* Extraordinary of the 20th June last, His Excellency the Governor, with the advice of the Executive Council, has directed this additional Notice to be published.

2. The quantities of land actually in the occupation of individuals, being, as yet, in many cases, imperfectly known to the Government, the Rules laid down in the Notice of the 2nd

April, 1844, cannot be fully applied in the issue of Licenses for the current year: Licenses, therefore, for the occupation of Crown Lands beyond the boundaries of location, during the year which commenced on the 1st instant, and will end on the 30th June, 1846, will be issued on the following terms:—

(1.) A separate license must be taken out for each station or run; which is returned as a separate station in the last half-yearly return of the Commissioner of the District.

(2.) The price of the license will be ten pounds; but the additional charge of £2 10s. will be made for every thousand sheep, above four thousand; which according to the last Return of the Commissioner of the District, may appear to be depastured on the run: Provided, however; that no extra charge be made for any number of sheep less than a complete thousand, (or their equivalent in cattle:): Provided also, that the charge of £2 10s. per thousand, for the excess above four thousand, be reduced to £1, on the production of a certificate from the Commissioner, that the whole of the sheep or cattle are kept upon a run, not exceeding twenty-five square miles, or sixteen thousand acres.

(3.) For the purposes of this notice, six hundred and forty head of cattle will be considered equal to four thousand sheep, and in cases in which the stock upon a run may consist of both sheep and cattle, the amount of the mixed stock, horses being reckoned as cattle, will be calculated on the principle of reckoning six hundred and forty cattle equal to four thousand sheep; instead of five hundred to four thousand, which is the proportion stated in the notice of the 2nd April, 1844.

3. The Governor, with the advice of the Executive Council, has further directed the following explanatory remarks to be published, in order to guard against misapprehensions which might otherwise arise as to the future intentions of Government from the publication of this notice.

4. Although the quantity of land mentioned in the third paragraph of the Notice of the 2nd of April, 1844, is by the present Notice extended from twelve thousand eight hundred to sixteen thousand acres, the Government will still consider the quantity of land to be held in ordinary cases under a single license to be that which is in ordinary seasons sufficient for four thousand sheep or six hundred and forty cattle. On this principle, a station or run although consisting of twenty-five square miles, may nevertheless, if insufficient to feed four thousand sheep, or their equivalent in cattle, be enlarged to the extent requisite for that purpose. Existing runs will not be reduced below sixteen thousand acres or twenty-five square miles, because they are sufficient for more than four thousand sheep (or six hundred and forty cattle:); neither on the other hand, will existing runs be enlarged because they may not contain sixteen thousand acres, unless they be insufficient to pasture four thousand sheep, or their equivalent; nor in any case can a run be enlarged (even though not capable of feeding four thousand sheep) unless there be adjoining land at the disposal of the Government. The present holders of large blocks of lands, will be allowed to retain out of each block as many runs as they choose to pay for at the rate of £10 per annum for each run, provided that each run do not exceed sixteen thousand acres, unless more be required for four thousand sheep, or their equivalent, and that the runs taken out of the same block, be taken contiguously, and in such manner as to form of themselves a compact block of land, natural boundaries being observed as far as practicable.

5. It is clearly to be understood, that this Notice is issued solely on account of the necessity which exists for making known without

delay the terms on which licenses will be granted for the current year; and that Regulations more in detail, for the occupation of runs, but not departing in principle from the Notice of this day, will be issued as soon as possible; as also will Regulations for the purchase of homesteads.

6. It is also to be understood, that the terms of payment hereby established for the issue of licenses will be liable to revision, in the event of the discontinuance or reduction, at any time, of the assessment on stock, levied for the purposes of maintaining a Police force, under the provisions of the Act of the Governor and Council, 2 Victoria, No. 27.

By His Excellency's Command,

E. DEAS THOMSON.

Colonial Secretary's Office,
Sydney, 29th May, 1846.
